Zoning of Potato Cellar Area

By MJ

The zoning document has many gray areas that are not defined in a cut and dry way. There are areas that leave the interpretation up to the opinion of a group of people. I don't disagree that a zoning document should be in place. I do disagree with a document that stops a community from moving forward and puts people out of business.

Is the zoning committee beginning a process of closing more businesses in Dillon? Can the businesses located in the Potato Cellar area comply with requirements of a C-2 zone? **Answer:** Probably not. **Example:** If one of the gas businesses sold out their storage units, the new owner would be required to comply with zoning document immediately. It is questionable if the gas storage units would even be allowed in a C-2 zone leaving the new owners with a purchase of "Blue Sky." It is also questionable and not known if the grain businesses would be allowed to stay as they would be out of compliance with the new document.

BOTTOM LINE is, after it is zoned all businesses will be required to follow the document in some capacity whether it would be through making improvements, a sale, enlarging structure... A sale would represent a "change" and therefore they would be required to comply with all rules and regulations of the document immediately. It appears the city would rather see structures crumble via the natural deterioration process then see them fixed or have a change. **QUESTION:** Is this what you want. If not get involved with your city representative on the council. **NOTE:** The council is the final decision makers.

QUESTION: *Would you be willing to buy a business where the city zoning document would not let you further develop or grow the business? Would you want to be beholden to a group that has no interest or monetary investment in your business making decision for you? Has the city government just slashed the possibility of business growth or selling an asset that people were counting on for a retirement plan? This is what could happen to each of the businesses located in the Potato Cellar area. Is there other ways the city could achieve their goal?*

Is this a TAKINGS? Some people say it is. NOTE: the original understanding of the Takings Clause was, that the federal government had to compensate the property owner when it physically took property. NOTE: The text does not require compensation when regulations diminish the value of property.

The zoning committee held a public hearing Dec. 1st, 2016, that was well attended by citizens for and against the zoning. The public ask appropriate question in a pleasant manner. The committee answered all questions indicating that the document would dictate how and what they would be allowed to do. The committee sent out questionnaires however they did not send out information on zoning and what it would mean to property owners after it was zoned.

Remember that Dillon today is the result of a business that employed many and paid a high middle income wage being put out of business via rules, regulations and statutes.

Zoning Board

By: MJ

Minutes: September 13th, 27th, and October 11th, 2016 were approved with corrections.

Director of Operations Reported: Mr. Smith applied for a trailer court license. It takes 60± days to process the application. It was reported that a traffic study would cost the city \$4,000± and would include a 24 hours video and written report. The traffic study was discussed in connection with the Bull Pen drive up window.

Zoning Compliance Certificates:

1. 2415; Mr. Barth commercial building. Approved
2. 2416 Steadman for a duplex on Dakota St. Approved

Clark's Home Business: 6± ladies from the public that have homes or property in the area expressed their opinions and dissatisfaction with the business being allowed. It appeared that the ladies had not been to Mr. Clark's and did not present any facts of why the business should be disallowed. There were several public members that did researched and found the business to be favorable and supported Mr. Clark. **NOTE:** *Humans have an ability to live in a world of their own making, simply by choosing where they focus.* Remember that commerce pays taxes that help pay for streets... It is incubator businesses like Mr. Clark's that may grow into a larger business, paying increased taxes and possibly employing others. **NOTE:** The zoning board did take a tour of Mr. Clark's business however have not ruled on allowing or disallowing the permit.

Six English students from the University of Montana Western have been inducted into the Alpha Epsilon Iota chapter of Sigma Tau Delta, an international English honor society.

This year's inductees include Amanda Joy Ernsberger from Anaconda, Mont., WesleyAnn Johnson, Helena, Mont., Evelyn Miller, Dillon, Mont., Tessa Miller, Manhattan, Mont., Victoria Smithson, Sheridan, Mont., and Alanis Stallknecht, Kalispell, Mont.

Sigma Tau Delta has been part of the Montana Western campus for 15 years. Students have to be invited to join the society, maintain a 3.3 grade point average and be in the top third of their class.

"This is an excellent opportunity for our students," English Professor Bethany Blankenship said. "It is a fantastic way for them to be honored and recognized for their academic achievements."

Society induction provides students exclusive access to scholarships, internship opportunities and makes them eligible for numerous awards.

"I'm honored and excited to have been inducted into such an exclusive group," Tessa Miller said. "I'm looking forward to being a lifetime member of the honors organization and seeing how it helps me with my undergraduate and graduate studies."

Candidates for membership in Sigma Tau Delta have attained high academic achievement in the field of English studies.

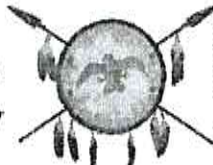

According to the Sigma Tau Delta website, "Members of the society serve the community and their campus by promoting culturally stimulating activities involving the English language, literature and writing as well as displaying exemplary character and good fellowship."

pancakes, sausage, hash browns and oranges will be served at 10:00 am. School will resume, Tuesday, January 3rd.

Last Tuesday, the DMS choir and band under the direction of Mr. Neil Lemieux, band director at DMS, provided a wonderful holiday concert. The concert was well attended by parents and staff as well as many community members. The Seventh Grade band performed "Angelic Host Proclaim" and "All Through the Silent Night", while the 8th grade band played "American Bell Carol", and "The 3-Minute Nutcracker". The 7th and 8th grade bands then played "All I want for Christmas is You". The 6th grade band performed "Santa on the Housatop", "Skating on the Danube", and "The Hanukkah Song", while the 6th grade choir entertained us with "Winter is Coming", "Festival of Lights", and "Santa Claus, Santa Claus (You are much too fat)". The 7th and 8th grade choirs performed "Troika" - a traditional Russian folk song and "A Baby's Born in Bethlehem". Then the 8th grade girls sang "Huron Indian Carol" and "Up, Up, Up in the Sleigh". Wonderful job band and choir students.

DMS student council is sponsoring a gingerbread house contest. Your creations are due tomorrow, Tuesday, December 22nd. Cash prizes will be awarded to the top 3 places. Good luck, students, and have fun.

The last boys' basketball game of the season was a "white out." All the students dressed in white and came and cheered on the 7th and 8th grade A teams. Even the Parkview Panther, Shadow, made an appearance. Seventh grade was successful over Butte Central 52 to 44. Eighth graders dominated 56 to 5.. Great job guys on a great season.

When school resumes on January 3rd, basketball will begin for 7th and 8th grade girls. Practice will begin after school with the 7th graders in the DMS gym and the 8th graders in the new gym. Students will be coming home with a schedule sometime that first week of practice.

Also, 6th grade girls will begin their basketball program Monday, January 9th. Remember ladies wanting to participate in basketball, you need to have a current physical, concussion packet and permission slip in to the office before you may participate.

We want to wish everyone a very happy and safe holiday from the Dillon Middle School!!!
