Charles (Chuck) E Lumley

Chuck age 87, passed away from kidney failure at St Mary's Hospital in Walla Wall WA, in the presence of his daughter Susie , son in law Scottie , grandkids Mary and Kyle and great grandkids Pearl, Nova and Lola. He had fallen and broke his hip on Friday Nov 18th, and had surgery on Nov 19th, so he entered heaven with a brand new hip for dancing.

Chuck was born 9-8-1929 and passed away 11-21-2016. He was born in Guthrie, Oklahoma to Mr. And Mrs. _ Laring Tigmeyer & David Lumley.

In his early twenties after serving in the Armed Forces he moved to Dillon. Mt. There he worked in construction and long haul trucking. He married Mary Catherine Laden and their daughter Susan Beth was born. They later divorced. Chuck never remarried.

Chuck loved 4 wheeling and over the road trucking. He hauled anything and everything that need to be moved. While on those trips he enjoyed meeting and making new friends over a meal or cup of coffee at cafes along the way. Chuck never met a stranger. He was always available for his friends and the ranchers around the state.

Chuck moved to Milton Freewater, Oregon to live with his daughter, Susan due to failing health. Susan has many animals from miniature horses to chickens that kept him busy and gave him companionship. He found that with his move to Oregon there were several amenities that he truly enjoyed; his daughters cooking and cleaning skills. He quickly made new friends and appreciated seeing new country.

He is survived by his daughter Susan (Scottie), his grandchildren Mary and Kyle Birkenbuel, great grandchildren Pearl, Nova and Lola. His stepsons Bobby, Danny, Jeff and Will (Kelly) Laden. Chuck was preceded in death by his parents and step daughter Theresa Laden.

As per Chucks request he was cremated. There will be a service gathering in Dillon later this spring. You may contact his daughter @ 509-939-9221 or Susie.garner@medonaldzaring.com if you have questions.

Water Sewer Committee Meeting

By: MJ

Committee members present; Councilman Hand & Straugh. Russell Schwandt newly appointed councilman was a guest.

Water Bills: Several water bills were adjusted due to; leaking toilet, and a home that became uninhabitable when a vehicle ran into it. Commissioner Mike McKinley ask that his sewer rates be adjusted to a lower rate.

City Usage Rates: The city estimates the sewer rates for everyone by using December, January and February usages. The city fathers felt that the fairest way to figure the rate charge was to take an average of the months where there was the least usage by the majority. Note: The water rates are

figured on the same months because the majority of people are using less water during those months. In the summer months lawns, flower beds and etc. are being watered thus using more water. The water being used in summer to maintain landscapes is not being put into the Waste Water Treatment plant.

River Crossing Water Main Project: There was a hand out updating the committee on where the geo-technical investigation will do pit drilling and digging. The work order called for 4 pit drillings and 2 diggings. The committee modified the work order to read 2 pits drilled.

Waste Water Treat Plant: It was reported by the Director of Operations that the fence has been completed around the Clarifier at the treatment plant. This will help with the weeds and other debris blowing into the pond.

City Water Well #3: Discussion on a diesel transfer system in case of power outage. (Tabled).

Building at Lagoon: Discussion on whether to use a septic system or put in a lift station that would require 1,000± foot of pressurized pipe. This was (Tabled) until information is received from DEQ and all-encompassing costs are compiled.

Contract with Beaverhead County: Developing a contract with Beaverhead County for their water usage at the fairground 2 was tabled until future information is available to committee.'

Ray Lynch Park: Engineers need to design for sewer main. The committee voted to recommend to the council that the connection fees not be waved for the Cubs field.

GIS System: The cost of the GIS would be shared with the cemetery, water/sewer and street departments. The system would allow the city a way to update and create maps documenting the underground infrastructure. The cemetery would use it to located graves… Committee voted to recommend to the council that they approve the GIS. The cost has been budgeted for.

MONTANA WESTERN TOOK CONTROL

Montana Western snapped a two game losing streak by beating the 13th ranked Argos of the University of Great Falls 66-59.

The Bulldogs played through a lackluster first quarter and took control of the game, leading by 15 at the half. The Bulldogs built that lead to 20 points early in the third quarter as they looked like they were going to run the Argos out of their own building.

However the Argos would not go quietly, outscoring the Bulldogs in the third and fourth quarters. The comeback bid fell short and the Bulldogs hung on to get back in the win column.

Senior Aniese Palmore (Santa Monica, Calif.) who scored nine straight points in the third, finished the game with 17 and three rebounds and three assists. Fellow senior Kaye Bignell (Avon, Mont.) scored 16 and pulled down six rebounds. Senior Taylor Howlett (Spokane, Wash.) added nine points.

BULLDOGS REMAINED PERFECT

The Bulldogs (15-2, 5-0) remained perfect in Frontier Conference play winning a double overtime thriller 102-89 over the Great Falls Argos (10-6, 2-3).

Junior Marcus Payne (Livingston, Mont.) dominated the second overtime. Scoring 13 of his 17 points in the period and grabbing 3 rebounds and dishing out an assist to lead the Bulldogs to a huge road win.

Poor shooting and turnovers plagued the Bulldogs in the first half, but they managed to only trail by seven at the half 37-30.

Great Falls native Shyke Smalls started the second half on fire scoring 12 quick points to get the Bulldogs back in the game.

The Bulldogs held an 11 point lead with eight minutes left in the second half, but the Argos started to rally taking a lead with a minute remaining. Kooper Kidgell (Billings, Mont.) hit a diving layup to tie the game up.

The Bulldogs had a chance to win the game in regulation but Dom Robinson (Tacoma, Wash.) missed two free throws with 3.1 seconds remaining, sending the game into overtime.

The two teams traded baskets in the first overtime before Great Falls hit a three pointer with 13 seconds left. With the Argo Crowd in a frenzy, and Great Falls seemingly seconds away from pulling off and upset victory. Robinson redeemed himself by grabbing an offensive rebound and sinking a shot from downtown at the buzzer to

Then Payne took over. Controlling the low post and scoring at will, shredding the Argos for 13 points.

Also, we have the results of the gingerbread house contest. Congratulations to Tawni Schmauch for winning first place. Alana Rose was second, followed by Kelle Mosher in third. Everyone enjoyed being able to see the creative gingerbread house creations right before our holiday break. Good job to everyone who entered.

Right before the winter break, Mrs. Waldorf's 8th grade pull-out class performed a murder mystery theater for a local business' Christmas party. Fun was had by all, and the students had a valuable experience learning lines and performing in front of an audience. Thank you Mrs. Waldorf for giving the students' such a great opportunity.

Last Friday, MBI sponsored a dance at the middle school. The dance was well attended, and all of the students had a great time. In preparation for the dance, last week during 8th period, eighth grade students participated in a dance odyssey. They learned how to jitterbug, line dance, 2 step, box waltz and Virginia reel. Then, last Friday at the end of the day, they taught these dances to the seventh graders.
