Garth L. Haugland Obituary

Garth L. Haugland, beloved husband, father, brother, friend and community leader and volunteer, passed away on January 16, 2017 at age 81 in Dillon, MT. A celebration of his life will be held Friday, January 27 at 3:00 PM at the BW Lodge Gymnasium with a reception following at Our Savior's Lutheran Church, 715 East Bannack St., Dillon, MT.

Garth was born in Appleton, MN on

February 14, 1935 to Helen and Gifford (Happy) Haugland. He attained the status of Eagle Scout and graduated with the Appleton High School class of 1953, attended St. John's University and the University of Minnesota. He served in Korea with the 101st Airborne "Screaming Eagles".

Garth married Ruth Kasper on November 25, 1956 in Garner, Iowa. In the spring of the following year they hooked their 38 foot house trailer to their 1956 Plymouth sedan and headed for Helena, MT - what a trip that was! After living on a U.S. Forest Service lookout for the summer where he worked as a smokejumper, they moved to Missoula, MT so Garth could attend University of Montana. There, children Loree and Galen were born. The family lived in Kalispell, Billings, Dillon and Butte while Garth worked as a game warden; upon retirement from the state after 25 years, Garth and Ruth returned to the "last best place", Dillon. Garth started Green Garden Enterprises, a landscaping business.

In 1995 Garth ran successfully for office as a Beaverhead County Commissioner. He was re-elected for three more terms, resigning due to health complications related to cancer after 22 years with the Commission. He took his public officer very seriously, working full time as he believed there should always be a commissioner "in the house" when the courthouse was open. As a commissioner, Garth served on numerous boards and committees in Dillon, Beaverhead County and for the state of Montana. He was also passionate about weed control in the county, spending most of his Saturdays in the summer spraying weeds with the volunteer weed crews.

During the years he lived in Dillon, Garth volunteered his time with the Dillon Lion's Club, local credit union, U of M Western local Executive Board, American Legion

Council January 4, 2017 continued.

By: MJ

Council members present: Nye, Hand, Shafer, Straugh, Maass, McIsaac and Garry.

Fee Resolution: Approval of city council adopting changes of certain related water and sewer administrative fees and costs was discussed. Councilman McIsaac brought up the budget and the effects that the reduction of fees would have on it. Mayor asked the council to decrease "late fees." The thought behind this decrease is that people will be able to pay a lesser fee where they might not have the money to pay the higher fee.

Reducing of Water R&D fee for "Sewer Only" from \$5.09 to \$3.42.

Reduce Late Payment Fees from \$15.00 to \$10.00.

Reduce First Notice of Termination Fees from \$25.00 to \$15.00.

Reduce the Second Notice of Termination fees from \$55.00 to \$35.00.

Increase the user deposit for home owners from \$35.00 to \$50.00.

City Treasurer: City Treasurer Neal Straus presented the Cash Bank Reconciliation Report and Cash Summary Report for November 2016. He explained to the council that several of the accounts are showing a negative balance. He went onto explain that he transfers money from investment accounts as is needed to cover the negative balance. Mr. Straus is keeping the money received by the city invested and making money (interest) for the city.

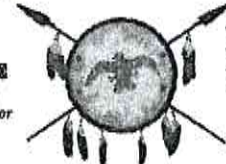

City Bus: It was reported by Director of Operations that 78± people are riding the city bus daily. This is an increase.

City Streets: The city street crews have been doing an upstanding job in the downtown area keeping the snow off streets. Currently they are waiting for the temperature to get above zero so they can continue cleaning snow off. **NOTE:** The scraper blade becomes quite brittle when the temps are below zero so they have not been cleaning in the last week. When temp rises they will be back at it.

Waste Treatment Plant: The trouble the city has been having with the radio system at the treatment plant has been resolved. Today everything is working as it should.

Letter to the Editor

Clique Klakk N Co.

I just thought I should finish my tirade about the "Streets of Dillon" before I forget and get hauled off in a box. From what I've seen last summer regarding the Piece meal repairs of the streets the situation regarding engineering in Dillon hasn't gotten any better.

I've said in an earlier article that there is nothing illegal about using a consulting, licensed engineer to approve the plans; but, the city, council and mayor need to realize that consultants cost about 4 times as much, per worked hour as an engineer employed by the city. But, the main problem with the present situation is that it appears that there are no qualified engineers or even engineering technician checking to see that the plans, approved by the consultant and the engineering basic rules for street construction, are really carried out in the cities daily operations. If you don't have an engineer in the execution of daily operations how can you sure the operations stick to the engineering details that are outlined in the plans or that technical specifications are met, at all.

You obviously can't!

But, one of the problems in Dillon is, among others, is that many of the citizens of Dillon don't want to pay higher taxes. But, here, that thought just leaves half of the houses in Dillon with a much lower curb appeal. So citizens end up losing money anyway.

In my opinion, the best solution would be to take one or two streets each year and rebuild the whole system, streets, curbs, sidewalks, water and sewer, up to real engineering standards. But, I doubt that will ever happen.

DILLON WRESTLING

The Dillon Beavers fell to Belgrade 40-25 Tuesday night on the road. The Beavers had 5 open weight classes with three beavers not making the trip and stayed home sick.

The Dillon points came from Kwin Stoddard at 132 lbs, Cooper Hoffman at 138 lbs, Sam Peterson at 145 lbs, Pete Gibson 152 lbs, Brent Tezak 160 lbs. and Patrick Griffin at 170 lbs.

Pete Gibson's match went into overtime 3 times. Tezak and Griffin each went to three periods before they got their wins with a pin.

MSU students named to 2016 fall semester honor rolls

Montana State University has announced its undergraduate honor rolls for fall semester 2016.

There are two MSU honor roll lists: the President's and the Dean's Honor Roll. Students must complete a minimum of 12 credit hours to be on either list.

Students with a perfect 4.0 grade point average for the semester were named to the President's Honor Roll. An asterisk follows the names of the 1,023 students named to the MSU President's Honor Roll in the listing below.

The Dean's Honor Roll includes the 3,288 students earning grade point averages of 3.5 or above for the semester.

Students named to MSU's President's or Dean's Lists, ordered according to their hometowns, follow. Montana students are listed first, followed by students with out-of-state hometowns listed alphabetically by state, then hometown. Finally, international students are listed by home country and hometown.

Colt Sale Coming to Montana Western

The University of Montana Western's inaugural colt sale and
challenge is coming to Dillon, Mont. from March 31 to April 1,
2017.

In preparation for the event, donated colts are trained by students
from October until the date of the sale, totaling around 80 rides
for each horse. Students train the colts using natural horsemanship
techniques and ensure the horses are trained to handle many aspects
of ranch work. Montana Western's sales prep class will participate
in the sale and challenge along with Miles Community College of
Miles City, Mont.

The sales prep class was developed as part of Montana Western's
dedication to experiential learning. Students are completely hands-
on throughout the class in order to cultivate real-world skills
involved with starting, selling and competing with young horses,
Head Natural Horsemanship Instructor Eric Hoffmann explained.

"One major attribute of Montana Western's colts is that they
not only get experience in the arena, but they gain practical ranch
experience and education outside in the mountains in various
terrain and around cattle," Hoffmann said.

The university's natural horsemanship program receives
donated colts from top quarter horse breeders across the region
including Weaver Quarter Horses, Holland Ranch, Erb Ranch,
Harrington Ranch, Hirshy Ranch, Diamond Land and Livestock,
and R Lazy 6 Quarter Horses.

Along with the student-trained colts, the sale will include aged
horses used for ranch work from the Harrington, Hirschy and Erb
ranches.

The event will occur at the La Cense Montana Ranch in their
state-of-the-art riding facility. The competition takes place on
March 31 at 9 a.m., the colt preview will occur on April 1 at 10
a.m., with the sale at 1 p.m. The University's 49th Annual Rodeo
Banquet takes place on campus at the Keltz Arena the evening of
March 31.

Proceeds from the auction benefit Montana Western's natural
horsemanship program and its continued success.

The public is welcome to come view the colts and students in
class. For more information contact Eric Hoffmann at 406-925-
1499 or eric.hoffmann@umwestern.edu. Watch students' progress
with the colts at <https://www.facebook.com/coltchallengeandsale/>.

Letter to the Editor

Each year, the Association of Professional Dog Trainers, the largest professional association for dog trainers in the world, proclaims January "National Train Your Dog Month." This campaign's goal is to promote the importance of training and socialization to all dog owners.

According to the Humane Society of the United States, between six and eight million dogs and cats are turned in to animal shelters each year, and about four million are euthanized for lack of good homes. Studies by the National Council on Pet Population Study and Policy have found that most dogs (and cats) are turned in to shelters for common behavior and training issues that could easily be solved with the assistance of a professional. In fact, research has found that training and socializing dogs when they're young can reduce or even eliminate behavior problems in the future.

Since January is the time for New Year's resolutions, it is the perfect time for the dog owners of Dillon, MT, and those who may be considering getting a dog, to learn about the importance of training for their pet. The APDT web site has a wealth of helpful information for pet owners at www.apdt.com/petowners.

APDT and its over 6,000 member trainers are dedicated to helping keep dogs in homes, in showing dog owners how to fully enjoy and have fun with their dogs, and to experience the joys of having a well-trained dog.
