F&W COMMISSION CONSIDERS NO WAKE RULE FOR SECTION OF MADISON

Montana's Fish and Wildlife Commission will hold a public hearing to consider restricting motorized boat use of the Madison River to a no wake speed from the North Ennis Lake Bridge to the Madison Dam. The public hearing is set for Feb. 15 at FWP's regional headquarters in Bozeman (1400 S. 19th Ave.) beginning at 6 p.m.

This action is in response to a petition brought to the Commission pointing out the popularity of this 1.3-mile section of the Madison, its narrowness, and the need to increase safety and prevent potential accidents.

At its November meeting, the Commission agreed to begin the rulemaking process and propose the adoption of a new rule. With that, the next step is to ask the public for input on the proposal.

The proposal notice can be found on the department's website at fwp.mt.gov and a summary of the petition brought

More thoughts to share on our budget shortfall

By Senator Jeff Welborn

Helena:

Most concerned individuals, in relationship to budget items, eventually make it in to either testify, or send an email to one or all us of serving on SenateFinance and Claims.

What we most often hear is something to this effect," we support necessary cuts and a responsible state budget," or "I am opposed to any tax increase." However, my particular favorites, "we must, (keep what ever the program or pot of money happens to be in play), as it is too critical for Montana." I just listened to a very respectful group of 6 college students advocate such. They shared how the high cost of tuition led to higher debt loads , making higher ed costs more difficult for most, potentially impossible for some. I agree that education is very important, as my voting record is clear. This was followed shortly by senior citizen advocates that referenced certain Health and Human Services cuts that potentially impacted long term care as akin to "Geriatric Genocide." I agree taking care of our vulnerable population is very important, as my votes through the years have backed this up also.

Next came the group opposed to reducing law enforcement or prison holds, saying such "ill thought cuts would lead to an explosion in child abuse and neglect cases across Montana."

Everybody had emotionally compelling stories of how cuts, were ok only if applied elsewhere. Simply put, none of these cuts are easy, and none of us take pleasure in these proposals, but some are necessary to stay structurally balanced. It's still our duty to take care of your check book as Montana citizens. I can also assure you that raising taxes to make up the shortfall isn't an option in most people's minds.

Here are some facts to consider:

Montana invests 80% of its budget in 3 areas: Education (K-12 plus College), Health and Human Services, and Corrections. Income tax is the primary revenue source obligated to meet the state's education, medication, and incarceration responsibilities.

The reality is this: It is impossible to address budget shortfall of today's magnitude through impacting only 1 segment of government, therefore all segments must participate. The pain of cutting is worsened, when the agencies in question have become very skilled at identifying the uncuttable, complete with soundbites designed to make news, in fact we in the legislature are taking a public beating

with certain sound bites being floated by agencies and special interest groups. Are we faced with difficult decisions? Absolutely, are these sound bites remotely accurate, no, they're not.

Truth is that spending more to get out of this crisis still seems to be the preferred method for these same folks making political hay in the papers and on social media. When our committee, Republicans and Democrats alike, recently asked all agencies to self-identify potential dollars that could be recaptured, for example, the 523-million-dollar Department of Health and Human Services identified exactly zero places they could cut a dime. This pretty much puts in perspective some of these agencies approach to budget cuts.

In truth: Most areas of government can identify savings, but simply choose not to. This creates, an often-overlooked upside that emerges from responsibly addressing a budget shortfall. Government becomes leaner, more efficient, and often, more effective. This is the goal that our entire Finance team is focused upon.

We have a lot of time left to do our work, and I am confident the 65th legislature will meet its Constitutional obligation to balance the budget.

Here's the Dillon Middle School news for the week of January 23rd through 27th

The lunch menu for the week is as follows: On Monday, we will enjoy beef and bean burrito's with refried beans and potato rounds. On Tuesday, a sub sandwich with trimmings will be served with chips, baby carrots, and apples. And on Wednesday, we will have a local beef hamburger on a school made whole wheat bun with trimmings and curly fries. Thursday, we will enjoy Ham with macaroni and cheese and a dinner roll. And on Friday, we will have chili served with a cinnamon roll, applesauce and fresh veggies.

Congratulations to the Magic Men: Jace Fitzgerald, Johnny Reiser, Daxon Graham, Cole Truman and Cole Pulliam for becoming the 2017 Volleyball Champs during the lunchtime tournament. Thank you Mr. Williams for running the fun competition.

Congratulations to Madalen Shipman for winning this month's brain teaser challenge in Mr. Anderson's Tech Ed class. The Spanish club has been busy. In December, they studied the country of Cuba, tasted several Cuban dishes, studied the life of Fidel Castro, and learned about the changes in United States and Cuban relations. This month the Spanish Club is studying Argentina. We have the special privilege of hearing from one of our students about her travels there, and we get to see all the interesting things she has brought home from Argentina. We are also getting taste delicious food from Argentina. So, if you're not already involved in the Spanish Club, students, come on out and learn something new.

Girls' basketball travels to Anaconda today, Monday January 23rd. The bus leaves at 2:15. The 7th grade teams will play at the Lincoln gym starting at 4 pm. The 8th grade teams will play at the Fred Moodry gym also starting at 4 pm. This Thursday, January 26th, 7A and 8A will host Butte Central. Games will be in the DMS gym at 4 and 5 pm. Come on out and support our middle school athletes. Last week girls' basketball B teams traveled to Butte Central for the first games of the season. Both 7th and 8th grade teams lost, but they played very hard. Great job ladies.

Wrestling begins Monday, January 30th. Wrestlers, you need to have your permission slips, physicals, and concussion packets turned in to the office in order to participate.

Congratulations to the school winners of the geography bee. First

THANK YOU

A great big, HUGE, thank you goes out to the wonderful people in Dillon and Beaverhead County for their support of the Giving Tree in 2016. Because of your generosity, 400+ gifts were given to 185 kids. Tags were taken, gifts were bought, money was donated – all in the spirit of helping children and families in our community. Thank you to the Masons who donated a place to house the Tree, and kept track of tags going out and gifts coming back in. Thank you to those at KCI who used your volunteer hours to help me label the gifts, and keep the door open as needed.

Claris Yuhas, Sharon Rice, Judy Tash, Linda Lower, Carleen Chaffin, Cindy Barnes, Jocelyn Buell, Grace McCall and Morgan Kuntz – thank you for being the elves in the backgrounds that make sure the right gifts are in the right sacks and all the gifts get delivered.

THANK YOU to all who helped make the 2016 Giving Tree such a success. We are truly blessed to live in such a caring community.

Gail S. Kuntz.
