Harold C. Brown "Brownie"

July 22, 1942 - January 17, 2017

Harold C. Brown, beloved husband, father, grandfather, great grandfather and brother passed away peacefully in Dillon, Montana with his loving wife Linda by his side. Born in Salt Lake City, Utah to Lester Blaine Brown and Ella Casper Brown. He attended school in Ogden, Utah and had deep roots in the Ogden and Heber Valley.

As a young boy, barely a teenager, he took on odd jobs working at various service stations, Kellerstrauss and other companies, all related to cars and trucks. His hard work ethic began and would last a lifetime. He served his country honorably in the United States Army from 1965-1967, earning the National Defense Medal and the Sharpshooter Rifle award. Prior to joining the Army Harold began his career in the electrical trade becoming a master electrician. Proud member of the IBEW Local 354, he will receive his 55 year membership pin this year. He was a highly respected, admired and well liked brother to his union brothers and sisters, one of them giving him his "Brownie" nick name. His work ethic was strong and his work was meticulous right down to the last wire twist whether for the job or for himself. He was proud of his workmanship. His motto was "too tough for everyone else, just right for me". He also touted "be American, buy American". Anyone who knew him knew of his commitment to travel to keep or find a job, always providing for his family. He worked many years on the IPP (Intermountain Power Plant) in Delta, Utah and most recently prior to his retirement, he worked at Vandenberg Air Force Base in Lompoc, California on the Atlas V rocket launch pad.

As a young boy he and his siblings would travel to the Heber Valley to visit their grandmother, aunts and uncles and cousins. The country lifestyle he never forgot . Fishing with his cousins,

putting up hay and other summer past times were some of his favorite memories. As an adult he chased his dream to own land in the valley of his grandmother and built his own gorgeous log home and large barn to house his many vehicles and toys, he had plenty! He loved working on cars and trucks and no matter how old or new, he took impeccable care of them. When he was 15 he took a trip with friends to the Dell, Montana area where they camped and fished near Sheep Creek. This memory left quite an impression and upon retirement he and Linda began traveling to the Dillon and Dell area, finally finding their piece of "heaven on earth", away from the hustle and bustle of the city. This was home. Fishing, traveling the state to see the sights, the wildlife, he was content and at peace, a perfect retirement. He loved the people and their friendliness. Almost daily he would say that this was the happiest he has ever been and couldn't think of any other place he would rather be. He also found great happiness working in his new big barn; he always had a project going and one on the back burner. There wasn't anything he couldn't fix or figure out.

Harold was preceded in death by his parents, younger brother Wayne, and former wife. Also preceded in death by his four legged best friend Freckles. He is survived by his sweetheart of twenty five years, wife Linda and his children, son Brent (Renee) son Todd, daughters Kim (Dave), Cathy and Carrie, seven grand children and four great grandchildren. Additionally he is survived by his sisters Diane and Helen, brothers Jim and Blaine, countless cousins and best friends, not to forget his very loving and lonely border collies Elvis and Penny.

Cremation has taken place and a celebration of his life will be held in Ogden in the spring with full military honors bestowed upon him. His wishes were to have his remains scattered in his favorite places in Montana that he loved so much. We miss him now, we will miss him forever. He was our hero in life and remains our hero.

Condolences online at www. brundagefuneralhome.com or his wife Linda S. Brown P. O. Box 1256 Dillon, Montana 59725 In lieu of flowers contributions to the charity of your choice.

James H. Anderson

James H. Anderson has passed away on January 29, 2017 after complications from heart surgery. Jim was born on December 6, 1936 in Blackduck, Minnesota. Jim and his wife moved to Montana in 1962. He was a teacher, high school coach and carpenter. Jim served in the Army and spent time in Korea. He was married to Pat Wolden in 1958. Jim was involved with many different things including being a Volunteer Firefighter for 21 years, an avid square dancer in Yuma, Arizona, part of the American Legion and the Honor Guard as well as an active member of Our Savior's Lutheran Church. During his life he built and remodeled many Dillon homes as well as worked at UM Western. While at Western he was proud to be a part of the restoration of the Rowe House. He was also involved with Habitat for Humanity. He loved his family, enjoyed traveling, spending time with family and friends doing such things as playing cards, doing puzzles; he loved the outdoors, enjoyed gardening, as well as taking pictures with his Iphone. When Jim hugged you, you could feel his love.

Jim was preceded in death by his parents Claude and Phyllis and his brother Lyle. He is survived by his wife Pat, his sons Brad and Vince, daughters-in-law Vickie and Michelle, daughter Brenda, son-in-law Tasmin, brothers Robert and David, 8 grandchildren – Brad Jr., Austin, Lacie, Lynzee, Jordan, Jessica, Paige and Jazmine. His 3 great grandchildren are Nolan, Grant and Gemma.

Memorials can be made to Our Savior's Lutheran Church or American Legion Post #20 or a charity of your choice. A Memorial Service will be held sometime in June. There will be a time of sharing on Sunday February 5th at 11:30 following Sunday services at Our Savior's Lutheran Church. Church services start at 10:30 am. All are welcome. Letter to the Editor

"An Act of Kindness"

On Thursday, Jan. 19th, my younger son and I drove to Dillon to visit my older son and to attend the Carroll – Western basketball games. Before the game, we met at Sparky's for a really good dinner. While we were waiting for the bill, our waitress came over and explained that someone had anonymously paid for our dinners. Needless to say, we was very shocked and wondered who would do such a kind thing for someone they didn't know . My sons and I tried to figure out who it might be at the diner that we knew, but we didn't recognize anyone.

Thank you so much for paying for our dinner. We really appreciate your thoughtfulness.

Maureen, Jacob, and Sean Leo, Helena, MT

Beaverhead County High School Facility Tour

Beaverhead County High School has hosted three community meetings regarding our School Improvement Plan, which will run in the form of a bond that will go before the voters on February 21st.

During our community meetings we have offered and held four tours of our current facilities showcasing current facilities and the proposed changes. Those tours have worked very well and were positively received for those who participated.

As a result, Beaverhead County High School has planned another school facilities tour for Wednesday, February 1 @ 6:00 pm. Any interested community members are welcome to come. If you would like more information about our School Improvement Plan this is an excellent opportunity to view our facilities first hand.

All interested communities members should meet in the high school Auditorium @ 6:00 pm on February 1.

Prayers for Military Peace Keepers at St. James Episcopal Church:

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad. The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale, Dillon, MT). All are welcome; families, friends, military personnel and anyone who would like to thank and pray for all of the Armed Forces of the United States. The next service will be held on February 1, 2017 at 12 noon. Any questions, call 683-2735. Please join us.

Weekly Report from the Montana Senate

By Senator Jeff Welborn 36th Dist.

HELENA: This past week saw a myriad of issues before both the House and the Senate.

A couple I want to touch on are:

HB 231, Revising laws regarding trespass, sponsored by Rep. Peggy Webb. A Billings Republican.

Originally, Rep. Webb's proposed changes to current law were justifiable for residential private property concerns from squatters, for example. Amendments during executive action which in lay terms means voting on this proposal in committee, which it is originally assigned, change the intent of this bill and essentially gut the trespassing laws that were enacted under HB 911 back in 1985. The current trespass law has been in effect in effect for over 30 years now, and has protected both private property owners and the sporting public.

The current law was also crafted, vetted and supported by all the major property rights, agriculture, and outdoor groups during that time. What these amendments propose is to make it a violation to trespass on any land, whether its posted or not. More simply put, orange painted fence posts will no longer be necessary to mark private property to serve as no trespassing signage. These amendments are creating a solution, that's in search of a problem, on a system that has worked very well for over 30 years.

I feel this would only create confusion, and cause unintended consequences, while setting up a system that is bound to fail, both landowners and the outdoor using public.

The second I will cover this week is this:

A very critical project we have been discussing in the long range building sub- committee which I'm a member, would be an in house loan from the State of Montana for the SW Montana Veterans Home to be built in Butte. We passed the State's share of the funding back in 2011, however we are still waiting on the Federal Share to come through, until it does we can loan the proceeds from numerous funding sources, to finish the project, and re-pay those loans when the Federal funds come in down the road. I feel this makes sense for a host of reasons, from a fiscal perspective, we can loan cash or sell bonds to fund project at a lower rate than the cost of inflation on the project itself while we wait. The bigger and most important reason to pass this

proposal and start building now is our Veteran population in SW Montana, need this, they've earned this, and we've been waiting much longer now to build that we should have. Now is the time. Our vets need us to get this done, and it's my number one priority for building projects again this legislative session.

I will continue to work with fellow legislators as well as the Governor's office to make this happen. The time is now, our veterans are reason enough, if you agree please let all House and Senate Members and our Governor know that this can't wait any longer, and it shouldn't wait any longer. I need your help to put pressure on, to make this become a reality for our Vets.

This isn't a right or left issue, its a right or wrong issue.

The right thing to do is getting shovels in the dirt for this project, this spring..

Please stay in touch on the issues important to you via email. jeffwelborn@hotmail.com
