2017 Stan Shafer Memorial Fish Derby

Submitted by Mel Rice: Public Relations Officer

On Saturday, January 28th, the Beaverhead County Search and Rescue sponsored its annual Stan Shafer Memorial Fish Derby at Clark Canyon Reservoir. It turned out to be a very nice day on the ice with a light breeze blowing throughout the day. There were an estimated 350-400 fisherpersons participating in the day's events. Fishing started at 7:00 am and concluded with the final weigh in for the day at 4:00 pm. Results of derby ticket sales showed there were just under 800 total tickets sold with 170 of those sold the day of the derby. The Beaverhead Search and Rescue would like to thank everyone who purchased derby tickets and all businesses that sold tickets and/or provided merchandise for the door prize drawings. There were 121 door prizes drawn that day as well. The was also a 50/50 raffle going on during the day. Total ticket sales amounted to $840 of which $420.00 went to Matt

FROZEN PIPES

With more cold weather predicted, the City of Dillon would like to remind homeowners to take measures to prevent their pipes from freezing. Here are several tips: (1) allow a small trickle of water from your cold water faucet to run to keep pipes from freezing. The cost of the extra water is low compared to the cost to repair a broken pipe; (2) keep garage doors closed if there are water supply lines in the garage; (3) open kitchen and bathroom cabinets to allow warmer air circulation around the plumbing and also remember to move any harmful cleaners and household chemicals out of reach of children; (4) If you will be going away during the cold weather, leave the heat on in your home, set to a temperature no lower than 55 degrees Fahrenheit.

The City would prefer to make adjustments for running water to prevent frozen lines than to have customers inconvenienced with frozen water lines which could prove to be very costly.

Who we are and what we do

With a blanket of snow on the ground, our thoughts are with the families who seek our help to keep their homes warm. Many in our community struggle with limited means, and keeping warm can become a crisis as the temperatures drop to freezing and below. The Beaverhead Community Wood Bank Ministry exists to minister to the heating needs of these households.

Our mission is to help others keep warm. It starts with the free gift of the sun's energy, captured by trees and stored in wood. Our volunteers, the wood chucks and chicks, contribute their time and talents, and with support of many others, they turn the wood into fuel for heat and cooking stoves. The firewood is given to community members who need help warming their homes.

The Beaverhead Community Wood Bank Ministry Inc. is an independent charity formed one year ago to continue the ministry of retired priest Father Harry Neeley and Saint James Episcopal Church. You can contact the wood bank by telephone, mail, or email, and find us on Facebook.

Why is this ministry?

There is an old saying that firewood warms twice. Firewood warms you physically, as you work to cut, split, load, and deliver it. It also warms physically when it is burned to heat a home or a cook stove to prepare a meal. However, there is a third kind of warmth produced by firewood at the wood bank, and that is *spiritual.* This kind of warmth comes from giving and receiving, from sharing and connecting with, and caring for others. It is this spirit that makes the wood bank a ministry.

Where does the Wood come from?

Wood comes to the wood bank from many sources. In 2016, much of it came from the Nygren Sawmill. We also received wood from the Human Resources Council that was produced by prison labor. The Mooney Ranch, Tyler Tash, the Dillon Jaycees, Graden Greenslade, Mel Rice, RE Miller, Erik Kalsta, and Kelly Bockting also provided wood. Sometimes the wood chucks go out to pick up wood; sometimes it is donated at the wood lot in lengths or blocks. The best wood is Douglas fir; second-best is lodgepole pine. We also accept spruce and solid ash. Most cottonwood is not suitable.

Who gets the firewood?

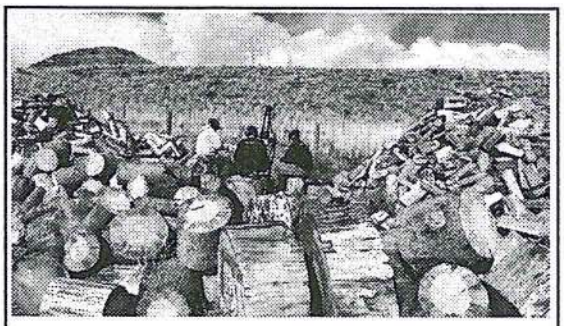

The Beaverhead Community Wood Bank Ministry received 40 applications, with a total of 68 individuals from Lima to Glen and Dillon to Dewey. Almost half are seniors (age 60+). Many are disabled. Seven households include children. The average monthly income for these households is less than $1,200. For many, their wood stove is the only source of heat, or wood is an important supplement to gas or electric heat that helps them make limited ends meet. We ask people to complete an application including income details in order to ensure our wood is distributed appropriately. This information is held in confidence, and eligibility is determined by the Board of Directors. In 2016 we distributed 120.5 cords of wood among 40 households.

Our firewood isn't free..it's priceless!

Our wood is valuable because of the volunteer labor of our wood chucks and wood chicks. In 2016, these dedicated folks contributed over 1,400 volunteer hours. That is equal to thirty five 40-hour weeks for a single person, but many hands make light work. Our 2016 wood chucks and chicks included Bob and Katie Bump, David Hooks, Dan Ehrenfried, Jerry Meacham, Steve Morehouse, Ed Mooney, Ray Patterson, Roger Pelletier, Lynn Stonelake, Monte Elliot, Gary Berger, Dorothy DeHart, Kathryn Hatch, Sue Eades+, Rick and Patsy Hartz, Buck Seals, Kelly Bockting, Geoff and Kay Roach, Dave and Carol Ingram, Toni Sullivan, Bob and Sarah Pfister, Ed Leavitt, Graden Greenslade, Wade Hansen, Valerie Coulter, and 70 cadets from the Montana Youth Challenge program.

Ever wonder how much wood our wood chucks chuck? Last year, 120.5 cords, a pile 4' high x 4' wide x 964' long.

The 120 cords of wood we provided in 2016, at an electric power rate of $0.10/KWH, would have an estimated electric heat value of $31,812. Due to the volunteer labor of the wood chucks and chicks, and the fact our equipment is paid-for, our operating expenses were about $12,000. In 2016 The Wood Bank received substantial cash contributions from the Hagenbarth Ranch Charity, United Way, the Beaverhead Foundation, Saint James Episcopal Church, the Cox-Kennedy Foundation, Dillon Jaycees, and from many private individuals. That paid-for equipment we mentioned is aging, and repair costs are mounting. We have established a "truck replacement fund" with a goal of raising $25,000 over three years.

Special thanks to all our supporters!

In addition to our wood chucks and chicks, our financial contributors, and wood donors, we want to recognize some other folks who have been essential to the wood bank. Bob and Katie Bump have hosted the wood bank on their property since 2008. Greg and Robin Winden have stored wood from the Human Resources Council at Beaverhead Home Center, and helped us load it for distribution. Our service and supply team in Dillon includes Rocky Mountain Supply, Pete's Small Engine Repair, Murdoch's, Shepard's Garage, Performance Auto, Mad Dog Towing, Dairy Queen, and others. You have all have played important roles in the wood bank. Without all of our volunteers, donors, friends, and community we could not continue the work we do. Thank you from the bottom of our hearts.
