Legislative Report for the week of February 13, 2017 *from Rep Tom Welch*

Last week I briefly discussed the House Taxation Committee so this week, I will touch on another of my Committees—that being House Human Services. The House Human Services Committee meets on Monday, Wednesday, and Friday afternoon following the House floor sessions. Most recently, our Committee meetings have run 3 hours or more each day. By the latter part of February, Human Services will have heard and taken action on over 50 Bills.

The three topics on which the majority of the Bills heard to date in the Human Services Committee have focused include:

---suicide prevention
---addressing mental health issues
---working with the Department of Health and Human Services (DPHHS) to improve its services and efficiencies for both existing and new programs

Among other Bills heard include those dealing with Allowing for Anesthesiologist Assistants, revising laws related to service dogs, fingerprinting for licensed medical providers, authorizing an interstate Health Care compact, revising Medical Examiner laws, establishing a Montana Caregiver Act, providing protection for vulnerable persons from financial exploitation, requiring housing needs to be part of a person's discharge plans from the Warm Springs State Hospital facility, and immunization record keeping.

I also want to touch quickly on the State budget. I will remind you that revenue remains tight. You will begin to hear more and more about the State budget in coming weeks. Remember please that as of this point in time, nothing has been finalized on the new 2 year Budget whether it be tax increases or program cuts. Much work remains to be done with new information coming in weekly. By late March, the picture will begin to come into clearer perspective so stay tuned.

As always, please do not hesitate to contact me at mt.gov. leg or via phone at 406 444 4800 with your questions or thoughts. Have a great week!

Here's the Dillon Middle School news for the week of February 13th, through 17th, 2017

The lunch menu for the week is as follows: On Tuesday a sub sandwich will be served, and on Wednesday, we will have a BBQ Pork patty on a school made bun. Thursday, we will enjoy corn dogs served with baked beans, fruit and veggies. And on Friday, we will have chicken noodle soup with school made bread and served with peanut butter, honey, applesauce and fresh veggies.

8th graders, you should have done your online registration for your freshman year and turned in your pink sheet to the BCHS office. If you have not yet done so, please get it done as soon as possible. If you need any help with the online portion, see Mrs. Williams at school. This Wednesday, any 8th grader hoping to enroll in honors English or take Biology as a Freshman next year, must attend the testing held at 6:00 pm at the high school. Please check in before 6 pm at the BCHS office.

Next Monday and Tuesday, February 20 and 21st… we will be having parent teacher conferences at the middle school. These will be held from 4-7 pm each night. No appointment is necessary. Come meet with your student's teachers and enjoy some treats baked by the FCS students.

Congratulations to Daniel Martin. He was the second place winner in the county spelling bee. He won $25 for his effort. Great job to all the students who participated. Thank you, Mrs. Miller for giving us this opportunity.

In girls' basketball last week, the final home games were against Deer Lodge and Butte East . Deer Lodge, of course, got to feel the heat of our "black out"….thanks to all the fans who came and cheered on the girls. Both teams won handily against Deer Lodge. The games against Butte East were a little rougher. Only the 7A team could pull off a win. Both 8th grade teams narrowly lost, and all the girls played hard and have improved with each game. This was the last game for the B teams.

This week in wrestling, the team will travel to Butte on Tuesday, February 14th, for the Butte East Mixer held at the Butte East Middle School. The bus will leave at 2:30 and the meet will begin at 4:00 pm. Good luck wrestlers. Then on Saturday, the wrestlers will again travel to Butte to compete in the Butte East Tournament to be held at the Civic Center. The tournament will begin at 10 am, and the bus will leave at 7:30 am. Don't be late.

The math counts team will compete in Butte this Wednesday, February 15th. Good luck math counts members. Science fair is coming up. Seventh grade science fair is Wednesday, March 8t, and eighth grade science fair is Thursday, March 9th. The science fair displays will be open to the public from 4-7 pm each of those days. The Academic Olympics teams are working hard to prepare for their upcoming competition in Bozeman, March 14th.

HELENA -

This past week a couple of notable things to share with you are: Democratic Gov. Steve Bullock's $200 million-plus, infrastructure package, HB 14, cleared its first legislative hurdle Thursday, winning endorsement from a Republican-controlled, long range building budget panel, which i'm one of the four Republicans on the six member panel.
House Bill 14 won't face final action for many weeks – and could well be melded with other proposals once it gets considered by the House.

Changes are OK – as long as we stay committed to the whole of the majority of these projects. The Joint Appropriations Subcommittee on Long-Range Planning voted 5-1 to now advance the measure to the full House Appropriations Committee, which probably won't act on the bill for a few weeks yet. I feel that most Montanans are waiting for the Legislature to pass an infrastructure bill that will finance a broad spectrum of public-works and building projects. It's time to put Montanans to work on building up our communities and our economy. Infrastructure funding is one of the big issues of the 2017 Legislature, as leaders of both parties and Governor Bullock have vowed to pass a wide-ranging plan and avoid the failure of the 2015 session, when a major infrastructure bill failed on the final day.

HB14 contains funding for about 150 specific water, sewer, school and bridge projects, a new $50 million account for grants and loans to local governments for additional projects, and another $85 million to finance several large state building and maintenance projects – including a new Montana Historical Society museum, remodeling of Romney Hall on the Montana State University campus in Bozeman, and much needed and much anticipated veterans' nursing home here in southwest Montana.

Now onto something thing I've heard a fair amount from County Clerks and Commissioners, is the high cost of conducting the upcoming special congressional election, as a result of Congressman Zinke making his anticipated departure to be our next Sec. of Interior. To that end, there is a proposal still in the works, that would be introduced by Rep. Geri Custer, a Forsyth Republican, to allow for an all mail ballot. This is an idea that County Clerks support, and as the ones that run elections, would understand if there are security, or voter fraud concerns, and they agree in a resounding agreement that all mail elections, are the better way to go, and especially in this instance. I understand that Speaker of the House Austin Knudsen, Republican Party Chairman Jeff Essmann and the state's highest election official Secretary

of State Corey Stapleton, oppose an all mail ballot. I won't question their motivation here, or speculate why they oppose, but it's a fact that what type of election is ran, has a direct relationship on voter turnout. All mail elections typically have about a 50 percent voter turnout, vs. an election that is a combination of polling place and mail balloting, which usually has about 30 to 35 percent turnout. It's also less expensive to run an all mail ballot, and due to better technology, less staff requirements, and according to elections officials, are more accurate.

Most of the folks I've visited with are also looking at a 30-50 percent cost savings to county governments, and that in itself, should earn the support of a measure like this. When I was visiting with Rep. Custer about this proposal, she told me that "she'd rather get beat in an election with good voter turnout, than win an election with low turnout." I must agree.

Have a great week.
