The Beaver Head Hunters Genealogical Society

The Beaver Head Hunters Genealogical Society will hold their monthly meeting on Tuesday, February 21, in the museum research room. This month, after our brief business meeting, we will be talking about artifacts and how they can put life into your family history. Do you have an artifact that by itself just makes you think it is something that should be thrown out? And then you learn the story behind it; which ancestor had it, what was important about it, why it was kept, etc.? Share with us by bringing your seemingly unimportant artifact and tell us what makes it an amazing artifact. As always, the public is invited to attend.

For the team:

Politics at any level seems to be win at all cost. The Presidential election showed us how low was it possible to get. On our local level we have our County Commissioner replacement that is certainly no exception. Four years ago when the district three election was held, the sitting County Commissioners knew that the third district incumbent candidate would not finish his term, he told them that. They convinced him that he should run, they wanted to keep their {team} together. It is hard to comprehend how self centered and selfish a person would have to be to convince someone to sacrifice the last four years of their life to keep the team together.

Currently the County Commissioners are pretending that they knew nothing of the failing health of their mentor and colleague. However while pretending to stay out of the selection process they have made calls to chosen candidates to help ensure that they can maintain their established {team}.

Lets look at Beaverhead Co for a minute, the majority of it's revenue is from agriculture. However no one on the selection committee makes their living from agriculture. That would be the same as Butte Silverbow selecting their chief executive using a commercial tuna fisherman, a concert pianist and a Persian rug maker on their selection panel.

Team Beaverhead has had some outstanding achievements in this team tenure. They have let two rainbow gatherings take place to the cost to the county of over one million dollars. They have established a 50000 head elk game farm that is a disaster for the land owners that have to feed them and especially the sportsmen who are charged license fees to manage them. There is a hospital that was constructed on their watch that has more administrators than doctors. The government operating in Beaverhead Co. has been buying land up that comes off our tax base. And recently, with the blessing of the Bullock appointed dept. of livestock, Beaverhead Co. has reinstated a disease that was erased in the 1960's. Brucellosis has cost Montana ranchers millions to eradicate and with the blessing of all involved, two infected BUFFALO bulls were allowed to waste millions spent for prevention as well as set our county back 50 years. Ranchers as well as taxpayers will forever shoulder the costs of this PREVENTABLE disaster.

I ran for the County Commissioner position four years ago. The sitting County Commissioners campaigned harder against me than the actual candidate. I definitely wasn't going to be part of their team, and then like now, they will choose their next {team} member, and all procedure smoke and mirrors aside, the third district county commissioner was chosen four years ago and I believe that agriculture, although being the counties biggest entity, was the farthest thing from the selection criteria.

The County Commissioner position was never supposed to be a lifetime position for individuals that failed in the private sector, wanted to pad their retirement, or had nothing else to do. It was supposed to be a COMMUNITY SERVICE.

KIWANIS CLUB OF DILLON SPONSORS PINK ZONE ACTIVITIES

Kiwanis Club of Dillon is teaming up with Beaverhead Brewery and Sparky's Garage for the 2017 Pink Zone.

The "Pink Zone", formerly known as "Think Pink", was started in 2007 by the Women's Basketball Coaches Association (WBCA) as an initiative to raise breast cancer awareness in campus communities and beyond.

On Friday, Feb. 17 and Saturday, Feb. 18 the Beaverhead Brewery in Dillon will donate one dollar for each pint sold. Dennis Schurg, Edward Jones; Pioneer Federal, UMW Chancellor Beth Weatherby and Steve Kramer, and Van's IGA will also make contributions for each pint sold.

Sparky's Garage in Dillon will donate one dollar for each entrée sold on Friday, Feb. 17 and Saturday, Feb. 18.

Since its inception, Pink Zone fundraising events have raised over \$43,000 in Beaverhead County. All monies raised are donated to the Southwest Montana Mammography Program (SMM) at Barrett Hospital in Dillon, Mont.

The Kiwanis meets the first three Wednesdays of each month at 12 p.m. at the Beaverhead Brewery, 218 South Montana Street in downtown Dillon. Visitors are welcome. Our speaker gifts are provided by Sportswear and Design.

The Kiwanis Club of Dillon has been serving our community since 1940.

Terry Clark's Home Business

I attended the Dillon City Council hearing of February 1st for
a matter other than the one I am writing about.

At this meeting, Mr. Clark requested the city councils blessing
to start his business.

While sitting at the hearing and listening to people protesting
Mr. Clark's starting his business in his garage, it took me back
52 years to when my father started his dragline business from
our garage, I recall the neighbor's having similar complaints.
I'm sure this all took place before zoning regulations and all the
paperwork it takes today to work out of you home.

I hope and pray that the Dillon City Council see their way
to approve Mr. Clark's request. We are losing business in our
community faster than we can start new ones.

We should welcome individuals that want to live and create
business opportunities in our community.
