Montana Highway Patrol Commissions Twelve New Troopers

The Montana Highway Patrol commissioned twelve new troopers at the 61st Advanced Academy Graduation ceremony. Attorney General Tim Fox addressed the graduates at the event, which took place at the Radisson Colonial Hotel in Helena.

In his remarks, Attorney General Fox emphasized the importance of integrity for those who serve the public. "Integrity is one of the most important characteristics that any individual can possess. You'll face some of the greatest challenges of your life while wearing this uniform. But no matter what life throws at you, face it with integrity, as that is a true sign of leadership," Attorney General Tim Fox said.

Re: Report of Commission Vacancy Screening Committee

Dear Commissioners:

I am writing to provide you with the results of the Commission Vacancy Screening Committee. Per your resolution, our Committee formed, made up of the following persons: Mr. John Schwyler, Mr. LaVon Brillhart, Sheriff Frank Kluesner, Clerk of District Court Carly Anderson, Justice of the Peace Candy Hoerning, Treasurer Cathy Hueke, Superintendent of Schools Linda Marsh, Clerk and Recorder Deb Scott, and myself. I was selected as chairperson of the Committee at our initial meeting on February 6, 2017, and Ms. Carly Anderson was named as vice-chair. At that meeting we reviewed the applicants and set an interview schedule, as follows: Thursday, February 16, 2017, Danny Devers, Lola Else, Jay Hahnkamp, John Jackson, and Alan Jenne; and on Friday, February 17, 2017, Maris Love, Michael Probst, and Russel Sigman. Initially, we determined to interview all nine applicants, however, Mr. Larry Link withdrew his name prior to the interviews.

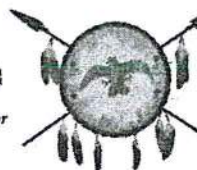

At the conclusion of the interview process, the Committee voted by secret ballot, and selected the three applicants to advance to the Commission, presented in alphabetical order, per the Resolution. They are as follows:

John Jackson
 Maris Love
 Mike Probst

I feel that I speak on behalf of the entire Committee, when I say that it was an honor to be involved in this process, and we were encouraged by the quality and willingness to serve of the entire pool of applicants. It was a very difficult decision, but we believe that the Commission now has three good applicants from which to choose.

Sincerely,

 Jed C. Fitch
 Chairperson, Commission Vacancy Screening Committee

Bulldogs Fall to No. 4 Warriors, 77-56

The No. 20 Montana Western Bulldogs (20-6, 9-9) ran into a
freight train Thursday night at the Straugh Gymnasium. Losing to
the fourth ranked Lewis-Clark State College Warriors 77-56.

The Bulldogs played a close 1st quarter, matching shots and
playing tough defensively, trailing only by 3 heading into the 2nd.

But it was a close as they would get, as they couldn't keep up
with the Warriors, who shot 57 percent in the half and 48 percent
for the game.

The Warriors played a tough in your face style of zone defense
that the Bulldogs couldn't crack. Unable to set up their offense,
the Bulldogs were not able to keep pace with the high flying
Warriors. The shots the Bulldogs were able to take, wouldn't fall,
while the Warriors on the other hand, knocked down shot after
shot to put the game away and cruise to a 20 point victory.

The Bulldogs got no help in scoring from the bench, as only
the starters ended up in the scoring column. The Bulldogs were
led by seniors Kaye Bignell and Aniese Palmore with 16 points
apiece. Cierra Lamey scored 10 and Britt Cooper scored eight
points and grabbed 10 rebounds.

Bulldogs Get Statement Win Over Lewis-Clark

The No.13 Montana Western Bulldogs (21-6, 11-4) made a
late season statement throttling Lewis-Clark State College 95-66
Saturday night at the Straugh Gymnasium.

In a tale of two halves, the Bulldogs pulled away in the second
half, and trampled the Warriors.

The Bulldogs were able to build a couple of double digit leads
in a chippy first half. But the Warriors kept bringing it back to a
single possession game, as they shot 44 percent in the half. The
Bulldogs managed to take a nine point lead heading into halftime.

The Warriors had no answer for the Bulldogs in the second
half. As the Bulldogs shot 63 percent from the field, while the
Warriors went cold in the second, shooting just 28 percent as the
Bulldogs stormed away with a 29 point victory.

The Bulldogs got great games from Shyke Smalls who had
22 points four rebounds and two steals. Kooper Kidgell 21 points
and four assists and three rebounds. Dom Robinson 19 points,
four assists, and Zaccheus Darko-Kelly 15 points, three rebounds,
and 2 assists.

Western Bulldogs Game Notes:

Head Coach Steve Keller won his 200th Career game with the Bulldogs.

Shyke Smalls added two more steals and continues to lead the nation with 67.

Casey Ryter and Sage Fadness scored their first career collegiate points.

A crazy sequence of events late in the first half resulted in three technical fouls being called. Dom Robinson dove for a loose ball, and in the process tripped Ty Higbie, who fell to the ground. Higbie's fall caused Shyke Smalls to fall and as Smalls was trying to get up, Higbie started to shove Smalls. Higbie was called for a technical as the teams gathered together and stated to talk and yell, and push. Smalls was then given a technical foul for talking back to Higbie. In the scrum and all the talk Doug McDaniel was hit with a technical for touching an official.

Late in the second half, Kooper Kidgell had a fast break dunk taken away. After the dunk, and as the ball was falling through the net, Kidgell let go of the rim, causing the ball to bounce back out of the rim. The ball was clearly through the cylinder, however after a lengthy discussion, the officials waived off the basket. In the end it didn't matter as Shyke Smalls grabbed the rebound and was fouled, and he made both free throw attempts.

The Beaver Head Hunters Genealogical Society

The Beaver Head Hunters Genealogical Society will hold their monthly meeting on Tuesday, February 21, in the museum research room. This month, after our brief business meeting, we will be talking about artifacts and how they can put life into your family history. Do you have an artifact that by itself just makes you think it is something that should be thrown out? And then you learn the story behind it; which ancestor had it, what was important about it, why it was kept, etc.? Share with us by bringing your seemingly unimportant artifact and tell us what makes it an amazing artifact. As always, the public is invited to attend.
