ARMED ROBBERY

On the morning of 2/19/2017 Dillon Police Officers responded to the Safeway pharmacy on the report of an armed robbery. Officer Nikki Cowperthwait arrived and determined a witness alerted her husband, an off-duty officer, to the situation and he took action. The off duty Utah law enforcement officer had struggled with and subdued an armed suspect. The investigation shows a shot was fired from the suspects' gun during the struggle. Luckily, no injuries were sustained by anyone. Several Dillon Police Officers responded to the scene as well as a Deputy and Detention Officer. Customers and Safeway staff immediately evacuated the building.

The suspect Terry Watson was arrested for attempted deliberate homicide and will be facing several other charges. There are no other suspects and there is no remaining threat to the community. I cannot express in words the professionalism, dedication, and expertise shown by law enforcement in handling the situation.

I would like to express deep gratitude to the off duty officer who put his life on the line to save people he did not even know. He went to the store to get Tylenol, and ended up wrestling with an armed suspect. This is a shining example of what law enforcement does on a daily basis, even when not in their jurisdiction, or on the clock. Dillon thanks you!

Dillon Fiddle Contest

The 34th Annual Dillon Fiddle Contest held Feb. 18th and 19th brought in a record number of contestants and better than average audience participation. The 48 contenders were from Idaho and Montana. The contest, sponsored by the Dillon Junior Fiddlers and held at the Old Depot Theater, included a Saturday night concert/variety show. Morgan Kuntz, a Dillon Junior Fiddler alumnus, anchored the show. Other alumni made a surprise appearance at the show and included Dacon Scott, his mother, Debbie Scott, Amy Kadrmass and Hannah King, a champion Fiddler who also served as one of the

Council Meetings

By: MJ.

PARKING: Dillon Municipal Code (DMC) Ordinance: Amending Title 10 and Title 15 for Parking and other General Traffic/Vehicle issues. APPROVED with Councilman Hand voting Nay.

Councilman Hand asked following question; Does this include bicycles, will this be a nightmare for the Chief of Police, is this Dillon friendly, how are the officers going to keep track of all vehicles parked on the street, how is the officers going to know the vehicle has exceeded the time line allotted of 120 hours, who is going to pay for the insurance on impounded vehicles, is the city going with a private carrier...

Removal of Vehicles from Streets: The new ordinance passed by the City Council will be enforced starting with trailers that are parked on the streets. If a trailer has been parked in a residential area for longer than five (5) days in one spot the owner will be given a warning and they need to move the trailer to a different area. If the trailer is not moved then the owner will be fined and the trailer can be towed.

Downtown Area: A trailer can only be parked on the street in the downtown area for two days (2) before the new ordinance will be applied.

City Pays Loans Off: City Treasurer Mr. Neal Straus reported that out-standing interfund loans have been paid off. The money for the loans was borrowed from the "Water/Sewer" R & D accounts for the house on Atlantic Street the city bought to continue Walnut St., a fire truck, a police truck... The money has been repaid to those accounts.

Continued Education for City Employees: City Treasure Straus will be attending a work shop in Great Falls and Mr. Nick Hoem will be attending a paving seminar and receiving actual field training in Arizona.

Mayor/Council Report: 1) The mayor stated that the parking regulations passed by the council will now be enforced. 2) The city needs to appoint a person representing the city on the Beaverhead Conservation District board. The mayor sent a letter to the district asking them to submit three (3) names and he would appoint one of the three. 3) The mayor reported that the Audit was approved by the State of Montana. 4) The council approved the Transportation Coordination Plan (City Bus) whit modifications.

Public Speaks: Mayor Klakken was asked by a public member why he had not been ticketing trailers and cars parked on the streets of Dillon and enforcing the ordinance already on the books. I spoke with the mayor and he explained to me that there were some housekeeping issues that needed to be addressed in the old ordinance, like towing... **Thanks To City:** Mrs. Giles thank the city for sending men to help the museum personnel move items that were in an area where could have been water damage. She stated that in a very short time the danger had been alleviated by the men.

With respect to the State Parks aspect of FWP, we have seen a Bill (HB 324) wanting to remove the Parks from under the FWP and creating a separate Parks Division and Director. This week, we will hear a Bill (HB 454) which ties Parks in with the Department of Commerce. Regardless of the outcome of these two Bills and other Legislation forthcoming, many Legislators including myself are searching deeply for answers as to why the FWP has not expended the needed funds from those readily available for maintenance and weed abatement at our State Parks. It was publicly revealed this week FWP appears to be sitting on over \$10 million in funds previously earmarked for Parks. Funds to pay for the needed fire suppression system at Bannack State Park and the lighting update at Lewis and Clark Caravans are and have been available for some time at FWP. For some yet fully unexplained reasons, these dollars have not been released. Stay tuned!

One last FWP matter that I would call your attention to is the Aquatic Invasive Species issues. I would encourage you to take a periodic look at the FWP website for updates related to this issue.

I continue to get emails and phone messages from not only residents of southwest Montana but also from throughout Montana and the United States. Additionally, over the past few weeks, I have gotten to visit with many area residents during their visits to the Legislature. It is always nice to see and hear from you!

Please do continue to contact me at 406 444-4800 or via email at mt.gov.leg. Thanks you and have a great week!

Music of Edvard Grieg

Vinje songs, Op. 33

Norske folkeviser, Op. 66

Sunday, February 26, 2017 at 3:00 pm

Beaverhead County High School Auditorium

In this concert of Norwegian
music, soprano Laura Loge,
Dillon native and new Artistic
Director of the Mostly Nordic
Chamber Music Series in Seattle,
will be joined by Canadian/
Danish pianist Sandra Mogensen,
celebrated for her performances
and recordings of Edvard Grieg's
lyric pieces for piano as well as
collaborations with singers from the
Scandinavian countries. Together
they will bring to life Edvard
Grieg's Norwegian folkeviser, opus

66, a selection of folk tunes written for piano, and his poignant
Vinje songs, opus 33. From the poetry of A. O. Vinje written
in nynorsk and steeped with elements of the Telemark dialect,
the songs are full of emotional, dynamic, and intense contrasts
made richer by the beautiful rural dialect. The performers met

recently at the International Edvard
Grieg Society's convention and
song workshop in Bergen, Norway
where they studied with some of
the most knowledgeable performers
and scholars of Grieg's music.
The Dillon Concert Association is
presenting this program which is
sponsored Beverhøde Lodge 4-589
Sons of Norway, Dillon. Tickets
will be available at the door for
this concert on Sunday, February
26, 2017 at 3:00 pm at Beaverhead
County High School Auditorium.

MOST VALUABLE STUDENT SCHOLARSHIP

The Wednesday February 8, 2017 edition of the Butte Montana Standard had an article about the Deer Lodge student that was awarded a \$4,000.00 per year scholarship from the ELKS NATIONAL FOUNDATION.

While I was the Secretary of the Dillon Elks, each year the applications for this very Scholarship was made available to every Graduating Senior.

I was disappointed most years by the lack of applications. The applications for this very MOST VALUABLE STUDENT SCHOLARSHIP are made available the beginning of every school year. Every graduating senior is eligible to apply. You don't stand a chance of getting awarded a scholarship if you don't apply.

GARAGE DESTROYED BY FIRE

The Dillon Volunteer Fire Dept. was paged at 10:40am on Friday, February 17th, to a structure fire at 636 E. Center Street. When we arrived we found a garage burning. The fire was extinguished and the cause was found to be barbecuing food. We are working with the insurance company to determine building damage and personal property loss.
