### Barrett Hospital & HealthCare Welcomes Kymberly Tart, PA-C to the BHH Hospitalist Program

3rd in a series of public service  
announcements presented by Barrett  
Hospital & HealthCare Patient/  
Family Advisory Council

Barrett Hospital & HealthCare  
(BHH) and our Patient/Family  
Advisory Council wish to welcome  
Kymberly Tart, PA-C to our  
Hospitalist Program and to our  
Community.

Kymberly comes to BHH  
highly recommended by her  
colleagues. She has spent the last 13  
years' practicing in Georgia and  
now has recently made the move to  
Dillon. Barrett Hospital & HealthCare's Dr. Tom Murray stated,  
"I'm truly excited to have Ms. Tart join the inpatient medical team  
at Barrett Hospital. With Kym's 5 years of inpatient cardiology  
experience, and 8 years of inpatient ICU experience, and several  
of those years spent as a nocturnist - a hospitalist who specializes  
covering the hospital at night - Barrett Hospital has improved its  
ability to care for patients around the clock with experienced, well-  
rested providers."

The BHH Patient/ Family Advisory Council would also like  
to take this opportunity to review some of the many benefits of  
having Hospitalists care for patients in our hospital, including but  
not limited to:

- Greater availability for more timely admissions and discharges,  
as well as questions and concerns throughout the hospital stay
- Focus on inpatient medicine without the distraction of clinic;  
in turn the clinic physicians can focus on outpatient medicine  
without the distraction of the hospital - causing fewer delays and  
rescheduled appointments
- Better teamwork among all hospital staff with improved  
standardization of processes and systems

Please call 406-683-3036 for questions about this announcement  
or for information regarding the Patient/ Family Advisory Council.

## ICE MELT TICKET SALES

Rotary Ice Melt ticket sales will cease as of 5:00 p.m., February 28, for the 2017 season.

Ticket sales began on January 7, 2017, as the Ice Melt Clock was placed on Logan's Pond west of the I-15 Highway between the two Dillon interchanges.

Proceeds from the Ice Melt program assist funding of various local Rotary programs, including youth education (scholarships, thesaurus deliveries to students), medical programs, youth leadership (RYLA), and anything that might be of a community need/benefit/improvement. Additionally, on the International level, Rotary has assisted with the potential eradication of the polio disease, with such eradication becoming a reality as each day passes.

Thank you to all who have purchased Ice Melt Tickets to this point, as well as this year's local Ice Melt Sponsors.

Should you desire to purchase tickets today contact any Dillon Rotary member (Jim McIsaac 683-4013 or Craig Rehm 925-1993) or stop in Womack's Printing.

**Montana Legislative Report from Helena  
 on Monday, February 27, 2017**  
 The House of Representatives has three more days of work facing us before we take our scheduled Transmittal break. Last week many House Committees worked well into the evening as we worked to hear and take action on a wide variety of Bills.  
 Just under 1000 Bills have been introduced in this Montana's 65th Legislative session---this number of introduced Bills is the fewest in well over a decade! To date, the Governor has been sent approximately 50 Bills for his signature of which he has signed 23 and vetoed two so far.  
 I sponsored HB 26 which Revises Board of Housing loan servicing rules---this Bill passed both the House and Senate by wide margins and is awaiting the Governor's signature, which is fully expected. I have other Bills in various stages of the Legislative process.  
 Monday of this week, the House has 28 Bills scheduled to be heard, discussed and ultimately voted on during 2nd reading over the course of a long day. A similar number of Bills will likely be dealt with on Tuesday with the House finishing our workweek on Wednesday morning before heading home for a short break.  
 Next week, following our return to Helena, the House will begin Committee hearings on the remaining House Bills needing action as well as many of the Bills that have passed the Senate to date. We will also begin to learn more about and put into place the framework and specifics for the new biennium budget. Recall if you will, that the only thing that the House of Representatives is statutorily required to do is to pass a balanced budget when all is said and done. The House Appropriations Committee has laid the groundwork but constructing a meaningful balanced budget is no easy task in the best of times, let alone when we are in a tight budget situation. We have many challenges facing us.

As always, do not hesitate to call me at the Legislative switchboard at 406 444 4800 or via email at mt.gov.leg. with your questions or comments.  
 Have a fantastic and safe week!  
 Rep Tom Welch, House District 72

## Street and Ally Committee

By: MJ

The Street and Ally Committee met February 6, 2017 with many issues on the table.

### ASSESSMENTS FOR LIGHTING & SPRINKLING DISTRICTS:

Mayor Klakken provided information for a possible formula and gave examples for the committee to discuss. **NOTE:** It is up to the committee to recommend to the council there findings and decisions. The committee did not come to any conclusion and the issue was tabled.

**NEVADA & ORR ST - Pete Wakeman & Dan Block:** Mayor Klakken reported that the appraisals and surveys are done and have been referred to the City Attorney regarding issues with access for Tulley Springs. Tabled by committee for more information on Tulley egress & ingress issue.

**STOP SIGN PETITION:** Citizen's submitted a petition to have the stop signs reinstated at Reeder and Pacific St. Matt Ulberg, engineer for city suggested yellow stripping to show center line & white lines alongside to indicate parking. Mayor Klakken reported that Reeder St is a feeder street and has more traffic than other streets. **Correction:** *The petition incorrectly states that the Mayor told the originator if she obtained 50 signatures the stop signs would be reinstated. The petition originator was informed by the mayor that if she acquired 50 signatures the petition would be referred to the Street/Ally Committee.* **NOTE:** The committees must refer their findings to council. The Council is the governing body that makes the final decisions. Any decision made for the city must adhere to and follow the procedure of the law.

**STREET SIGNS** Director of Operations reported the city's plan for installation of new street signs is going to be done over a 3 year process. The three year period will allow the city to budget for money each year to pay for the signs & installation. Cost of signs will be between 100± and 200± dollars. There are 250 intersections in Dillon needing signs. 250 @ \$150 = \$37,500. This year the city has set aside \$15,000±. *If there are no changes the project will start with the east side of Dillon receiving signs first.*

**NELSON ST. BY DILLON CANAL** Jim Hagenbarth would like to purchase the portion of So. Nelson St that borders property he owns. The area is not capable of being used as a city street because of canal location. After a lengthy discussion involving walk/bike trail, Tulley Springs, Dillon Canal and more, the issue was tabled for further information.

**Bulldogs Rout the Argos 108-63**  
 The 13th ranked Montana Western Bulldogs (24-6, 14-4) trampled all over the University of Great Falls Argos (12-17, 4-14) 108-63 Saturday night at the McLaughlin Center.  
 The Bulldogs were unconscious from beyond the arc Saturday night, shooting 63 percent and making 19 three's en route to a 45 point blowout.  
 On the Argos first possession of the game they knocked down a triple to give them a brief 3-2 lead. It took the Argos five minutes to score again, and by that time the Bulldogs already had a double digit lead. That was the closest the Argos would get as shots kept falling for the Bulldogs, who shot 63 percent from the field and made 40 field goals.  
 Dom Robinson continued his hot hand connecting on 6 of 8 shots from downtown, and scored 22 points in just 23 minutes of play, as he sat most of the second half.  
 Zaccheus Darko-Kelly Derek Durocher and Riley King each scored career highs, with 22, 16, and 15 points respectfully. Darko-Kelly and Durocher were each 4-5 from downtown. Kooper Kidgell added 13 points.  
 The Bulldogs will host a second round playoff game on Saturday March 4, at 7:00 p.m.

**Bulldogs Win Big Over Great Falls**  
 The 20th ranked Montana Western Bulldogs (22-7, 11-7) cruised to an easy victory over the University of Great Falls Argos (12-17, 1-17) 72-48 Saturday night at the McLaughlin Center.  
 The Bulldogs started out hot, hitting their first three shots from downtown and never looked back. The Argos tied to keep things close, cutting the Bulldog lead to two a couple of times. But the Bulldogs wouldn't allow them to get any closer, and coasted to the big victory.  
 The Bulldogs hit 11 long distance shots for 44 percent and shot 40 percent from the field for the game. As the Bulldogs got production from nearly everyone.  
 Aniese Palmore and Kaye Bignell each had 17 points in limited playing time. Cierra Lamey scored nine points. And Alexa Welch scored a career high eight points. Jill Jacobs and Taylor Howlett.  
 The Bulldogs will host Rocky Mountain College on Tuesday Feb. 28 at 7:00 p.m. in the first round of the Frontier Conference Playoffs.

## Museum Open House

The staff and volunteers of the Beaverhead county Museum have been busily doing three new exhibits for 2017 and preparing for an open house on February 28th. The open house will be held between 5 and 7 p.m. so that area residents can see the new displays. Refreshments will be furnished and served by United Way volunteers and admission charges will be waived. In addition, the museum store will be hosting a \$5 book sale and providing chances on a gift basket to be raffled that evening.

Just to add a bit more fun to the occasion, some of the staff and volunteers will be dressed in period reproduction clothing and will be prepared to discuss the new and older exhibits.
