DEATH NOTICE

Word has been received of the passing of Shirley Davis.

Rodeo Banquet

The University of Montana Western's annual Community Rodeo Banquet is scheduled for Friday, March 31, 2017 in the Keltz Arena on the UMW campus.

This year's event will be the 49th Rodeo Banquet at Montana Western. Banquet proceeds provide rodeo student athletes with scholarships and partial travel expenses during the regular season and for the College National Finals at the academic year's end.

Bill and Judy Staudenmeyer will be the featured honorees at this year's event. The Staudenmeyer family have been long time supporters of Montana Western Rodeo.

"Montana Western rodeo is grateful for forty nine years of continued support from our community, friends and parents," said head rodeo coach Olie Else. "Our rodeo athletes have earned degrees and many have gone on to graduate school with their help and support."

The banquet is sponsored by the rodeo team and the rodeo club with the help of the Montana Western Foundation.

The event features a prime rib dinner, live and silent auctions and music by King Friday.

For ticket information or to make an auction donation, contact the UMW Foundation office at 406-683-7305.

A no-host cocktail bar will begin at 5:30 p.m. and the prime rib dinner starts at 6 p.m.

Happy 100th Birthday

My mother, Maxine Davis had her 100th birthday March 9th. She celebrated by traveling back to the ranch her and my father built at Townsend, MT. Mother and my father worked side by side to complete their dream and raise five children.

Mother was and loved her role as a surrogate mother to hundreds of baby calves that needed a little extra help to survive.

Last year she moved from her Town House into assistant living in Bozeman. Her life has changed from the active ranch style to enjoying and having time to pursue her love for art. She enjoys attending art classes, exercising her mind by putting together puzzles that take up entire tables and traveling with her daughter Betty.

Several years back you could find her on the golf course. She continues to have a sharp mind and loves her family and friends visiting. Outside of her hearing ability weakening and reduction in stature she is going strong. She continues to make adjustments and meet the challenges the Golden Years offer.

Wonderful to still have you with us mom.
Love MJ

BEAVERS REPEAT TITLE

The Beavers repeated their success of last year with winning the State Class A Basketball Championship over Billing Central 59-45. The win capped off an undefeated season at the Civic Center in Butte.

By the ribbon of red lights in front and white headlights behind while traveling home, a large percentage of Dillon residents went up to cheer on and support the team, coaches, band, and cheerleaders.

Dillon started out strong with their three point shots and played a strong defense. The seniors are experienced with the pressure of the championship games and have fought for this title all four years, coming up with the win the last two.

Tanner Haverfield had the team high 26 points, with help on the score board from brother Michael Haverfield with 9, Troy Andersen 9, Jamey Richardson, Kyson Wilson each 6 and Andrew Lemieux added 3.

Billings Central fell behind by 10 and with a time out got motivated before going on a 8-0 run to bring the game to with in 2 points 25-23.

After half time the Beavers came back to win and did that by pounding away at the basket inside and with that came fouls and the Beavers made those points from the stripe. The Beavers shot 51% for the night on the floor.

DILLON ROTARY ICE MELT CONTEST WINNERS ANNOUNCED

Local Rotary member
and Raymond Graham
retrieving the clock

With its beginning on January 7 of this year, the Rotary Ice Melt Contest came to a close on Saturday, March 4, as the metal weight attached to the Ice Melt apparatus/clock assembly fell through the ice, officially stopping the clock at 6:32:06 p.m. on the date of March 4.

With the help of Raymond Graham and several Dillon Rotarians, the clock/ice melt apparatus was placed on Logan's Pond, west of I-15, on Saturday, January 7, 2017. Tickets with appropriate "clock stoppage" guesses have been sold since January 7, with the contest ending during the p.m. of March 4 as the official clock stopped.

Winners for the 2017 Ice Melt Contest (closest guesses to clock stoppage) are:

\$500 - First Place Winner - Richard Brastrup

\$250 - Second Place Winner - Victoria Tomaryn

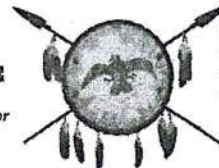

\$100 - Third Place Winner - Jim Keef

The Dillon Rotary exists and utilizes proceeds to assist in the international eradication of polio, along with contributing to a variety of local programs of a community benefit/need, including youth scholarships, medical programs, and youth leadership programs.

The Dillon Rotary is thankful to all sponsors of the Ice Melt Contest, as well as to all those purchasing tickets/guesses to this year's contest.

Letter to the Editor

Response to ABF Allan Lawson

I read your letter with interest. Thank you for the respect that you displayed in your letter to the readers and Editorial staff.

However, I tend to disagree with regulating the medical industry, for these reasons:

- Doctor's fees are in direct proportion to their liability insurance costs, overhead costs (building or rental fees; employees and their unemployment insurance, medical insurance, retirement, etc.; and any medical equipment on site; etc.)
- Most medical clinics are running at just above costs or are free to their cliental. (Not including those that are privately owned or are hospital affiliated.)
- Pharmacies also have their hands tied by governmental regulations, insurance reimbursement cost charts which differ by company and individual plans (including Medicare and Medicaid), and what the pharmaceutical companies are charging for the medicines that pharmacies buy to resell to customers. Their customers are being encouraged to buy on-line by many insurance companies this cutting into local pharmacy profits.

The groups that I'm not sure of how to handle in all this mix are:

- For-profit insurance companies which could be market tied if there is competition in the market by several companies instead of one or two controlling companies.
- Also for-profit hospitals, many of which say that they are not, but like many corporations have extravagant salaries and perks for their upper corporate officials. Often these hospitals also have extravagant furnishings.
- Pharmaceutical companies. When they are charging 200-1000% increase over the production of a drug, need I say more.

These are all items to be considered, which is why the Health care bills are so difficult to develop. Somehow they need to meet the needs of all of Americans, even you and I. May God inspire those in Washington to make good decisions covering this matter. Thank You

 Linda Blomquist
