Office of Consumer Protection Offers Scam Protection Tips

During National Consumer Protection Week, Attorney General Tim Fox urges Montanans to contact his Office of Consumer Protection if they think they are, or may be, victims of a scam.

In 2016, more than half of the callers who contacted the Office of Consumer Protection at the Montana Department of Justice were concerned about scams or potential scams. Elderly persons, and their friends and family members, especially need to be on the alert for these scammers because scammers target our senior citizens.

Attorney General Fox encourages all Montanans to keep learning about common scams, and offers these consumer protection tips:

1. Don't agree to deposit a check and wire money back. By law, banks have to make funds from deposited checks available within days, but uncovering a fake check can take weeks. You are responsible for the checks you deposit. If a check turns out to be a fake, you are responsible for paying back the bank. No matter how convincing the story, someone who overpays with a check is almost certainly a scam artist.

2. Don't send money to someone you do not know, including someone you have only met online and over the phone. While real relationships are increasingly being started through online dating sites and mobile apps, unfortunately it is extremely easy for scammers to set up a fake profile in order to connect with genuine users of the matchmaking services and then exploit the person's feelings for the fake profile.

If you think you have found a good deal, but you are not familiar with the company, check it out. Type the company or product name into your favorite search engine with terms like "review," "complaint," or "scam." See what comes up.

Never pay fees first for the promise of a big pay-off later --- whether it is for a loan, a job, a grant, or a so-called "prize."

3. Don't send money to a "government" agent who calls and threatens to arrest you. Thieves call taxpayers and claim to be IRS or law enforcement officials. They misrepresent that you owe taxes or other debts. They threaten to arrest you unless you immediately pay your "taxes" through a prepaid debit card or wire transfer. They often alter telephone caller ID to make it look like the IRS or a law enforcement agency is calling.

Remember that the IRS will not:

- Call you to demand immediate payment.
 - Call you if you owe taxes without first sending you a bill in the mail.
 - Demand that you pay taxes and not allow you to question or appeal the amount you owe.
 - Require that you pay your taxes a certain way. For instance, require that you pay with a prepaid debit card.
 - Ask for your credit or debit card numbers over the phone.
 - Threaten to bring in police or other agencies to arrest you for not paying.
4. Always read the fine print on a "free trial" offer for any product or service. Often if the sign-up process requires you to enter your credit or debit card information, the "free trial" may not be so free after all.
5. Read your monthly statements. Scammers steal account information and then run up charges or commit crimes in your name. Dishonest merchants bill you for monthly "membership fees" and other goods or services without your authorization. If you see charges you do not recognize or you did not make, contact

your bank, card issuer, or other creditor immediately.

6. Know that wiring money is like sending cash. Scammers often insist that people wire money, especially overseas, because it is nearly impossible to reverse the transaction or trace the money. Do not wire money to strangers, to sellers who insist on wire transfers for payment, or to anyone who claims to be a relative or friend in an emergency and wants to keep the request a secret.

7. Remember that there is no sure thing in investing. If someone contacts you with low-risk, high-return investment opportunities, just say no. When you hear pitches that insist you act now, that guarantee big profits, that promise little or no financial risk, or that demand that you send cash immediately, report them to the Office of Consumer Protection by calling 1-800-481-6896.

8. Don't reply to messages asking for personal or financial information. Con artists use emails, phone calls, text messages, and advertisements. Do not click on links or call phone numbers included in the messages.

9. Talk to your doctor before you buy health products or treatments. Ask about research that supports a product's claims. Ask about possible risks and side effects. In addition, buy prescription drugs only from licensed U.S. pharmacies.

10. In the aftermath of a disaster, give to an established charity, rather than one that has sprung up overnight. Pop-up charities probably do not have the infrastructure to get help to the affected areas or people, and they could be collecting the money to finance illegal activity.

To report an attempted scam, use OCP's convenient online reporting form here. You can also call to speak with an OCP investigator at (800) 481-6896 or (406) 444-4500, visit OCP's homepage at <https://dojmt.gov/consumer/>, or call your local law enforcement agency. To get updates on the latest scams and identity theft attempts affecting Montanans, sign up for Consumer Alerts through the Office of Consumer Protection.

Finally, OCP has developed a laminated flyer of helpful "Simple Tips to Avoid Scammers." This flier can be placed by your phone or computer as a convenient reminder of how to avoid getting scammed. If you would like to receive one of these flyers, call or email OCP.

Bill Draft #LC1084, tax increases on tobacco

The legislature is considering a \$1.50 per pack tax on cigarettes and other tobacco products, including electronic devices. I want to warn you that your government officials are likely to pass this outrageous Bill with the expectation of garnering a 31-million-dollar windfall at the expense of many hard-working Montanans. I encourage you to make your voices heard before it is too late.

OPPOSE on grounds that LC1084:

- discriminates against Native Americans;
- discriminates against the elderly on fixed incomes;
- discriminates against blue-collar workers and those who struggle on low wages;
- forces Montanans to favor marijuana and illicit drugs;
- forces welfare recipients to sacrifice their children's needs to pay excessive taxes, like they already do;
- adds to a financial burden already aggravated by the gasoline tax increase; and
- burdens Montanans with political- and propaganda-based legislation of oppressed coastal city populations. Unlike New York City, we respect our citizens and trust them to make their own decisions.

The "last best place" will be the last state embracing American freedoms for all.

HOOK A KID ON GOLF FUNDRAISER AT BEAVERHEAD BREWERY & SPARKY'S GARAGE

The Beaverhead Brewery is hosting a two-day fundraiser in support of Hook-A-Kid-On-Golf. The Kiwanis Club of Dillon and the Dillon Jaycees sponsor the summer golf program locally.

The Brewery will donate \$1 per pint sold on Friday, Mar. 17 and Saturday, Mar. 18. Dennis Schurg of Edward Jones, Van's IGA and Pioneer Federal Savings & Loan will match the Brewery donations. Several area golfers will also contribute matching donations to the Brewery donations.

On Saturday, Mar. 18, Sparky's Garage Bar and Grill will donate one dollar for each entrée sold (lunch and dinner) to Hook-a-Kid-on-Golf.

CATS AND KITTENS

Can you imagine nearly 200 cats and kittens in one place. Well, you don't have to. Just stop by the Beaverhead Animal Shelter and you can see for yourself. These cats are bored. They need a job. They are good at being a companion or can keep your garage/barn/office free of mice. They are social and are willing to live inside with you or outside as long as they have some food/water and protection. If you want long hair, or short hair, they are there. Any color you might like. They have all been spayed/neutered and are up to date on shots. Right now they are have a special adoption fee of \$25. Yep, just \$25. The medical care alone has been more than that. Stop by and take home one or two or three. It will be a worthwhile investment.

**BUTTE SPRING HUNTER EDUCATION
 OPEN FOR REGISTRATION**

Montana Fish, Wildlife & Parks will hold its spring Butte hunter education class beginning April 24 at Highlands College (formerly Montana College of Technology - 25 Basin Creek Road). Online registration is required, and students under 18 years of age must have the consent of a parent or guardian.

Classes will run each night, Monday through Friday, Apr. 24 through Apr. 28 with a mandatory field exercise on Sunday, Apr. 30. Classes will begin at 5:45 p.m. each day except Sunday for which start times will be assigned in class. Parents are asked to stay for the first thirty minutes of class.

Online registration is required by going to FWP's website at fwp.mt.gov, clicking on Education, then "Hunter Education", then "Find a Class or Field Course." Students must print, sign and bring the Acknowledgement of Risk, Student Agreement Form and the Hunter Education Student Code of Ethics (found on the event registration page) the first night of class. Students are not allowed to bring firearms or ammunition to class.

Prior to the first class meeting, students are required to read the hunter education manual and complete all chapter quizzes. If not complete, students will not be admitted. Manuals can be picked up at Bugs and Bullets, Bob Wards, or Three Bears in Butte.

A student must be 10 years old to register for the course.

Do You Know the Truth... Does the blood of Jesus Christ cleanse from all sin?

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

The scriptures make it clear that our atonement, remission of sin, redemption, cleansing, justification and forgiveness are all provided by the shed blood of Jesus Christ.

Atonement is provided by the blood, "...it is the blood that makes an atonement for the soul," Leviticus 17:11. 1 John 4:10 states that Jesus Christ is the propitiation for our sins. Propitiation refers to an atoning victim, as typified by the blood sprinkled on the mercy seat on the Day of Atonement under the Law of Moses. All the blood sacrifices made by Israel in the Old Testament typified the blood that the Messiah would shed for our atonement.

Remission of sins is granted only by the blood, "...and without the shedding of blood there is no remission," Hebrews 9:22.

Redemption & forgiveness of sin is provided by the blood of Christ without rituals or actions by man, "In whom we have redemption through his blood, the forgiveness of sins, according to the riches of his grace," Ephesians 1:7. 1 Peter 1:18-19 states that we "...were not redeemed with corruptible things...received by tradition from your fathers; but with the precious blood of Christ..."

Justification is the result of His shed blood, "Much more then, being now justified by his blood, we shall be saved from wrath through him," Romans 5:9.

Cleansing from sin comes only by the blood of Christ. Revelation 1:5 says Jesus Christ is "...the faithful witness...the first begotten from the dead, and the prince of the kings of the earth. Unto him that loved us, and washed us from our sins in his own blood."

Conclusion: *If one believes the Bible he will recognize that no ritual or action on the part of man contributes to the cleansing of sin, but that cleansing is accomplished ONLY by the blood of Jesus Christ.*
