Attorney General Fox to Testify in Support of SB 29, Changing Definition of "Consent" for Sexual Assault Prosecution

What: Senate Bill 29 Hearing in House Judiciary Committee

When: Friday, March 24, 2017, 8:00 AM

Where: Room 137, Montana State Capitol Building, Helena, MT

Montana Attorney General Tim Fox will testify in support of Senate Bill 29 Friday morning in a hearing before the House Judiciary Committee. SB 29, sponsored by Senator Diane Sands, D-Missoula, would change the definition of consent in Montana for the purposes of prosecuting sexual assault crimes.

Attorney General Fox, and his Prosecution Services Bureau (PSB) within the Montana Department of Justice, worked with the legislative Law and Justice Interim Committee following the 2015 legislative session to draft SB 29. Addressing sexual assault in Montana has been a top priority of Attorney General Fox since taking office, and SB 29 is recognized by prosecutors, victim advocates, victims, and legislators as critical to eliminating barriers that impede prosecuting sexual assault crimes in Montana.

If passed, SB 29 would change the definition of consent in Montana for the purposes of prosecuting crimes of sexual assault to: "Consent means words or overt actions indicating a freely given agreement to have sexual intercourse or sexual contact."

SB 29 passed unanimously out of the Senate on January 19, 2017.

Citizens of Dillon,

After several years of working through the process, the City Council has revised the City laws regarding several parking issues including vehicles not being moved within a specific period and not moving trailers of all kinds. This letter is to communicate to everyone that by City Charter, my duty is to enforce all laws passed by the City Council. Effective immediately, all trailers not moved within five days, and two days in downtown business district, will be ticketed or towed.

The procedure will be as follows:

- 1) The City will communicate with ALL citizens through newspaper and radio to inform them of this change for the next couple of weeks within the ability of this office.
- 2) Again, the time frame is two days for trailers in the central business district and five days for all other areas in the city.
- 3) If your trailer is tagged and is not moved within 2 days, the trailer will then be ticketed. The fine will depend on how often the offense occurs. Fines could range from \$25 to \$500 after the ticket is issued.
- 4) If the trailer is not moved, then it is subject to towing which may substantially increase the costs.

Finally, please do not believe that you will not get a warning/ticket/towed if you park your vehicle illegally. If citizen complaints are logged for ANY vehicle, then that vehicle will be subject to a warning/ticket/towed, as appropriate. The City requests citizen understanding for the implementation of the new parking ordinances, and the understanding that we must enforce the laws of the City of Dillon.

New Rules Approved for Boats

New Rules Approved for Boats at Tiber and Canyon Ferry Reservoirs. Montana's Fish and Wildlife Commission, in a special teleconference meeting this week, approved new rules for boaters at Canyon Ferry and Tiber reservoirs.

The rules are part of Montana's response to the discovery of invasive mussel larvae last fall in Tiber Reservoir and a suspected sample from Canyon Ferry Reservoir. Approved on March 22, the rules require boaters to launch and exit Tiber and Canyon Ferry reservoirs at designated boat ramps, unless they are officially certified as local boaters by Montana Fish, Wildlife and Parks.

"This will ensure that watercraft not in the local boater program will depart from the reservoirs at points where inspection and decontamination stations are located," said Eileen Ryce, chief of Fisheries for FWP.

The local boater program will allow watercraft owners to complete educational training on aquatic invasive species and sign an agreement with FWP pledging to only use the boat at either Tiber or Canyon Ferry reservoir.

Local boaters would not be required to decontaminate their boat each time they leave Tiber or Canyon Ferry but they still must stop at inspection stations where they will be expedited through after a brief interview.

Should a certified local boater want to use the watercraft at another waterbody, as part of the pledge, the boat owner would be required to get the watercraft decontaminated.

Do You Know the Truth... Which version of the Bible is true? (Pt. 1)

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---
In the above statement we testify of our belief that the Bible was given by inspiration of God. The Bible we refer to is the King James Version, *NOT* any of the modern translations that have become so popular in recent years.

Many state that they use a modern translation because they don't understand some of the wording in the KJV. But people understood the wording of the KJV for 350 years with no problem. Since we are more educated now than ever how can we possibly have less understanding of the old English used in the KJV??

Here are some reasons why we believe the KJV is the only translation that is trustworthy.

First of all, we believe that God inspired the writing of His word as stated by Paul in 2 Timothy 3:16, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness." This means that the message in the Bible is infallible.

Second, we believe that God preserved His word perfect in the translation of the KJV of the Bible.

To claim that all translations say the same thing but say it in modern English is an incorrect claim. Depending on what version you may be looking at, there are between 5,000 & 36,000 changes. Here are two examples: (#1) 2 Corinthians 2:17a, KJV, "For we are not as many which *corrupt* the word of God;" NIV, "Unlike so many, we do not *peddle* the word of God for profit."

(#2) Colossians 2:18, KJV, "...those things which he has *not* seen; NIV, "...detail about what he *has* seen."

Things that are different are *NOT* the same. This includes modern translations claiming they present the same message recorded in the KJV of the Bible.
