Distinguished Service Award

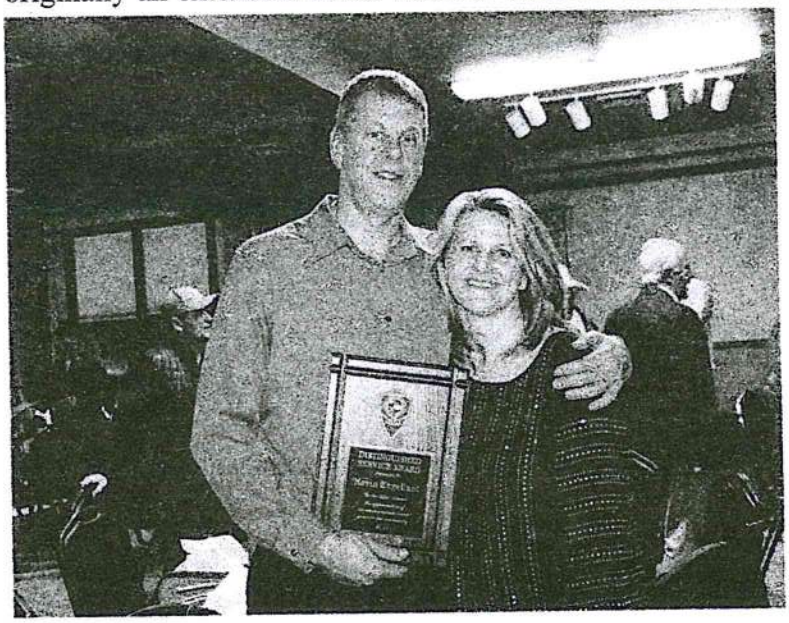

This Distinguished Gentleman has put his heart into the youth of this community for many years.

He has served as a volunteer coach for the Y Soccer Program, the DFL and Beaverhead Little League. His strong coaching background is evident even as he works with the youngest of athletes. He is patient, inspiring, kind, and fair with the kids, and each of his players has ended the season with a sense of accomplishment and having enjoyed their time in the sport.

In the summer of 2014 he brought the Kids Golf program to Dillon. This program provided kids with equipment and opportunities to develop skills which they have since continued to use on their own and with their families. This increased interest in the game will benefit our golf course as well as the high school golf teams for years to come. That year Dillon won "New site of the Year"

In 2015, he organized a third grade basketball team, coaching them weekly on the basics of basketball and organizing their participation in basketball tournaments in the area. He has continued to work with this group as fourth graders, The kids have learned about basketball, but also about themselves, how to work well with others, and the importance of being good sportsmen and citizens, lessons each of them rely upon as they age.

He has long been the organizer of Western Basketball League and the Beaver Shooting Camps, creating meaningful and fun learning experiences for hundreds of young basketball players each year. He has also served as the camp director for the Western Fall Classic, Western Classic, Dillon Classic, and Dawgfest basketball tournaments, which bring hundreds of visitors to the community each year. These programs were originally an extension of his work as the head coach of the

where he competed all over the state in livestock judging, agronomy and mechanics. In 1994 he left high school and received his GED and began working as a farm hand.

In 1997 he met the love of his life and was married in 1999. Shortly after his second child was born he decided to head back to school studying Diesel mechanics in Laramie Wyoming. In 2007 after his third child was born and working in Missoula Montana he move back to Dillon and began working at Barretts Minerals.

Feeling the itch to give back to the community he loved he decided to join the Dillon Jaycees in 2008. In the nine years he has been in the Jaycees he has held positions as President, Vice President, Chaplin as well as parliamentarian. He has chaired Fireworks, Demo Derby, Grounds several years, Little shooters and is currently chairing his second Rodeo.

He has also contributed countless hours to help with little skiers, Easter egg hunt, Wrestling tournament, Punt pass and kick, and pitch hit and run. He was a driving force in getting the Dillon Jaycees Gold Buckle club built and spent hundreds of hours rebuilding the southwest stands. In 2015 he took a leap of faith and started his own business with the idea of having more time to give back to the community.

In 2016 he joined the Beaverhead county fair board with the goal of establishing a better relationship between the Jaycees and Fair Board. He is the type of person that will give everything he has being money or time for the betterment of someone else.

Dr. Jane Helm Maddock Service Award dinner

The University of Montana Western will host the annual Dr. Jane Helm Maddock Service Award dinner Wednesday, April 12, 2017. The 2017 award winners are Brooke & Calvin Erb and Vana Taylor.

"We are honored to recognize this year's Jane Helm Maddock Service Award recipients. These individuals truly embody the generous spirit of the award's namesake and their devotion to this community and campus are remarkable" said UMW Foundation and Alumni Director Roxanne Engellant.

Brooke Erb came to Beaverhead County in 1973 when her parents purchased Beaverhead Livestock Auction. Brooke began her professional career at Southwest Montana Clinic in 1992 and remained with the clinic until 2000. In 2002 she assumed the role of Office Manager for the Associated Students at The University of Montana Western. Brooke worked directly with the students at Montana Western until 2016. She was the director of the UMW Safe Ride program and as a result of her involvement with Safe Ride, she became an active participant in the DUI Task Force, eventually serving as co-chair. She has been involved with the Youth Connections Mentoring Program, Dillon Rotary Club, the Montana Environmental Quality Council and Barrett Hospital & Healthcare Patient & Family Advisory Council. Brooke currently serves as the Executive Director of the Barrett Hospital Foundation.

Calvin Erb came to Beaverhead County in 1980 and opened his private law practice in 1984. During this time Cal and Brooke purchased a piece of property and began to build an agricultural business, E Bar Cattle. Cal has served on the Board of Directors for the Bank of Commerce since 1998 and currently serves as chairman of the board. He has also been a member of the Montana Center for Horsemanship board of directors since its inception and currently serves as the Board President. Cal began the candidate conservation program with Fish Wildlife & Parks for the fluvial arctic grayling and due to the success of this program he was awarded the 2010 Montana Neighbor Award.

Cal and Brooke have played an instrumental role in the UMW Natural Horsemanship program as donors for our colt start class. They have hired numerous UMW students over the years

to assist with their cow/calf/yearling operation and have provided support to many students in achieving their dreams of obtaining a college degree.

Cal and Brooke are parents to Bethany, Collin and Brynn.

Vana Taylor was raised in Twin Bridges, Mont. on the Mule Shoe Ranch. She graduated from Ricks College in 1974 with an associate's degree in Business Management. Vana has been an active member of the Dillon community for many years. While raising her four children, Vana has been involved in several service organizations. She has served on board of directors for 4-H, CASA, Dillon Downtown Historical Group, Beaverhead County Planning Board and the DUI Task Force. Additionally, she is a constant presence at BCHS and Montana Western functions and fundraisers. One would be hard pressed to identify a community member who is more devoted to Dillon and the Montana Western campus.

Vana has spent the last twenty one years in the real estate business in Beaverhead County and has hired numerous UMW students to assist with the completion of their coursework through internships. Vana and her husband, Larry, currently own and operate Taylor Realty in downtown Dillon. In addition to raising four children, they are grandparents to eleven grandchildren.

The University of Montana Western is extremely proud to honor these deserving and generous individuals. The Service Award dinner is from 5:30 – 7:30 p.m. on Wednesday, April 12, 2017. The cost to attend the service award dinner is $15 for faculty, staff and community and $7 for students. Please contact the UMW Alumni Office at 406-683-7306 to purchase tickets.

Do You Know the Truth...Which version of the Bible is true? (Pt. 2)

----We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

The Bible was written over a 1500 year period by about 40 different writers. God has preserved this Bible through the Levites, priests, the followers of Christ and the witness of the Holy Spirit. It was written in Hebrew & Greek with a small portion in Aramaic.

In the 4th century Jerome translated the Bible into Latin. In the 1500's Erasmus printed the Bible in the Greek text. This translation is referred to as the "Textus Receptus" (received text). It is the Textus Receptus that the Baptists & churches of the Reformation adamantly believed to be the inerrant & infallible word of God. The Kings James Version of the Bible was translated from this manuscript.

The modern versions are translated from two other manuscripts, the Vaticanus and the Siniaticus, which were both published about 350 AD. They are used by the translators of the modern versions because they are older than the Textus Receptus. Older, however, does not mean they are more reliable. They disagree with each other over 3,000 times in just the four gospels.

The Vaticanus omits portions of Genesis, Psalms, Matthew, Paul's epistles, Hebrews, and Revelation. It also contains books not found in the other manuscripts.

The Siniaticus does not include some parts of, and adds other books to, the New Testament. On many occasions 10 to 40 words are missing. Some things are written twice or started and cancelled.

Observation: Some modern versions omit certain scriptures and state in the footnotes that "Some of the oldest mss. do not contain vs. 37" or "Some late manuscripts (and fill in the missing verse)." The oldest manuscripts referenced are the Siniaticus or Vaticanus, the late manuscript is the Textus Receptus. Sadly, many have accepted the theory that older is better.

Regina's Story

Most people know Regina from Womack's Printing as "The Photo Lady" or Taco Johns where she spends most weekends. Regina choked and during the following test her esophagus was torn. She remained on a ventilator and feeding tubes for a couple weeks in ICU. During surgery to repair her throat she quit breathing. Since then she has had blood clots and vertigo.

She is able to make it to work for a few hours but is not up to her old self yet. Expenses are adding up after a couple months so we would like to help with this benefit dinner

If you would like to help or donate to the auction please call Brenda or Rachel at Womack's Printing 683-4903 or Wendy at 683-2800
