Dillon Public Library Nonfiction Reading Group to discuss *The Big Short* and view feature film based on the book

The Dillon Public Library Nonfiction Reading Group will convene on Tuesday, April 11th at 7:00 pm for our monthly discussion of a book of nonfiction. The next two meetings of the Nonfiction Group will include movie tie-ins with the book being discussed. The meeting on April 11th will be to discuss Michael Lewis's book *The Big Short*. The following evening, Wednesday, April 12th, at 7:00 pm the movie "The Big Short" will be shown in the Library's basement programming room, and a discussion of the movie will take place after the film is shown. The May meeting of the Nonfiction Reading Group will be another book with movie tie-in. On Tuesday, May 9th at 7:00 pm the group will meet to discuss *The Railway Man* by Eric Lomax. The following evening, Wednesday, May 10th, the feature film "The Railway Man" will be shown at 7:00 pm with a discussion of the movie and book immediately following the viewing.

Steven Pearlstein of the Washington Post in his review of *The Big Short* wrote, "If you read only one book about the causes of the 2007-2009 financial crisis, let it be Michael Lewis's, *The Big Short*. Pearlstein also says of the book, "What's so delightful about Lewis's writing is how deftly he explains and demystifies how things really work on Wall Street, even while creating a compelling narrative and introducing us to a cast of fascinating, all-too-human characters." discussion of this book is open to the public and there are copies of the book available for check out at the Library. In the feature film *The Big Short*, starring Christian Bale, Steve Carell, and Ryan Gosling, we witness four denizens in the world of high-finance predict the credit and housing bubble collapse of the mid-2000s, and decide to take on the big banks for their greed and lack of foresight. The film's script writers, Charles Randolph and Adam McKay, won an Oscar Award in 2016 for Best Writing, Adapted Screen Play. We look forward to a lively discussion and comparison of the book and the movie, *The Big Short*.

BCHS SOFTBALL

The Dillon Beavers opened their season Thursday in Hamilton. It was a cold, windy and rainy day that did not go in the Lady Beav's favor. The Beavers fell 16-5.

Pitchers Adrianna Pittman (senior), Kylee Pittman (freshman), and Bailey Berriochoa (senior) shared time on the mound, and we are expecting great things from them this year.

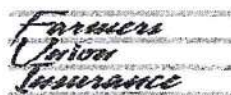

The Lady Beavs were down 8-2 in the bottom of the 4th with 2 outs when the wheels sort of fell off. The Broncs scored 8 runs to go up 16-2. The Beavs began to battle back in the 5th inning when Scout Voss got to base on a hit-by-pitch. Berriochoa then showed her athleticism by beating out a throw to first for a single, moving Voss to 2nd. Adrianna (who earlier in the game hit a line drive dinger over the left field fence) then knocked Voss in with a single. Kylee showed her muscles at the plate next, with a long fly to center which would have gone over had it not been for the wind. Her double scored Berriochoa and her sister, Adrianna. The Beavs were then shut down, and their 3 runs weren't enough to push forward another inning.

Here's the Dillon Middle School news for the week of April 3rd through 7th, 2017

The lunch menu for the week is as follows: On Monday, we will enjoy soft shell chicken tacos. On Tuesday, sloppy joes will be served with cabbage salad. Wednesday, we will have a local beef hamburger on a school made bun with trimmings. Thursday we will enjoy ham with scalloped potatoes and a dinner roll, and on Friday, chicken noodle soup will be served with school made bread, peanut butter, honey, applesauce and fresh veggies.

This Friday, April 7th, is picture day! The track team will be having their team and individual pictures taken during practice after school. Picture packets will be sent home this week. Also, 8th graders will have their pictures taken for 8th grade graduation. Each student will receive a picture in their graduation folder. Additional pictures are available for purchase, but purchase is NOT mandatory. Eighth grade graduation pictures will not need to be ordered until after you see them.

We just completed another great season of indoor intramural soccer at the Dillon Middle School. 7th and 8th grade girls and boys hit the gym floors for three weeks of drill work and scrimmaging, putting their rainbow kicks, tornados, and shooting skills to the test against one another. It was a fun season that ended with a last day playing outside under warm 50 degree weather and sunshine! Good work this season soccer players! A big thank you to Mrs. Miller and the high school players for helping us out.

This week in our cancer fundraising, students will have several fun opportunities. On Tuesday, 7th graders can "Smash Out Cancer" by paying a buck to play dodgeball. On Thursday, 8th graders can win goodies at the "Cake Walk for a Cure", and on Friday, all students can "Cream Out Cancer" by buying an ice cream cone for \$1. So, come have some fun and support cancer research.

Remember students and parents, most of the month of April, students will participate in smarter balance testing. These tests are all taken on the computer which makes the testing window over a longer period of time. Please try to AVOID taking your students out of school during this important testing time. When this window closes, there is no more opportunity to make up this testing.

Students, please remember to take good care of yourselves – get plenty of rest, keep yourselves well hydrated, and eat wisely, so that you are able to do your best on these tests. We want your scores to reflect your true ability. If you will need to be gone, and you know ahead of time, please contact Mrs. Williams, our DMS counselor.

Mussel Alert and Local Boater Program Talks Set for Townsend, Bozeman and Butte

The Joint Mussel Response Implementation Team will host open
houses next week in Townsend, Bozeman and Butte to discuss the
upcoming watercraft inspection season, new regulations, and local
boater program certification.

The events will focus on Montana's plan to detect, contain, and
prevent the spread of invasive mussels and other aquatic invasive species.

The open houses will run from 6-8 p.m., with a Joint Mussel
Response Team presentation set for 6:15 p.m. Local boaters can be
certified after the presentation.

Preregistration is not required. Here are the dates and locations:

- **April 4** – Townsend, Broadwater School Multipurpose Room,
201 North Spruce St.
- **April 5** – Bozeman, C'Mon Inn, 6139 E. Valley Center Rd.
- **April 6** – Butte, Quality Inn, 2100 Cornell Ave.

Boaters who recreate primarily on Tiber and Canyon Ferry
reservoirs may be eligible to participate in a local boater program to
bypass recurring inspections at designated mussel containment zones
at Tiber and Canyon Ferry reservoirs.

While local boaters won't be required decontaminate their vessels
with hot water each time they leave Tiber or Canyon Ferry – they'll still be
required to stop at an inspection station where they'll be expedited through
after a brief interview. The program is designed to decrease volume at
decontamination stations and allow a focus on boats traveling elsewhere.

Prospective local boaters can get certified by attending an open
house presentation.

Motorized and non-motorized vessels like canoes, kayaks and
paddleboards can participate in the local boater program. To complete
the local boater program application, boat owners will need the boat
number, trailer plate number and the make, model and description of
each boat they want to register. For nonmotorized watercraft, the make,
model and description will suffice.

An online boaters' training application will be available in April.

Additional open-house events are being planned for April in other

communities and will be announced when dates and locations are secured.

By getting into the do-it-yourself "Clean, Drain and Dry" habit,
Montana boaters and anglers can help prevent the risk of spreading
destructive mussels and other aquatic invasive species.

When boaters Clean, Drain and Dry their boat and equipment after
every outing on the water, they guarantee they're not transporting AIS.

For more information visit Montana Mussel Response on Facebook.

Fox Sends Letter to Senator Tester

Urging Support for Confirmation of Judge Neil Gorsuch to the U.S. Supreme Court

Montana Attorney General Tim Fox sent a letter Thursday to U.S. Senator Jon Tester, urging him to support the confirmation of Judge Neil Gorsuch as the next Justice of the U.S. Supreme Court. In his letter, General Fox, an adopted member of the Crow Tribal Nation, cites Judge Gorsuch's expertise in Federal Indian Law, and broad support from tribal leaders in Montana, as well as his exemplary qualifications, which have been regularly demonstrated throughout the confirmation process.

"Judge Gorsuch's demonstrated knowledge and thoughtful application of Federal Indian Law and tribal sovereignty is refreshing and important to Montana tribal nations and indigenous people, so much so that his confirmation is a once-in-a-lifetime opportunity that cannot be lost," said Attorney General Fox. "With my 30 years of Montana and national experience as an attorney, and with hundreds of appearances before judges in local, state and federal courts, including federal circuit court and Supreme Court advocacy, I find Judge Gorsuch to be extremely well qualified, mainstream, and worthy of confirmation."

In his letter, General Fox also offered his counsel to Senator Tester if he remains undecided, writing:

"I urge you to vote to confirm Judge Gorsuch, and I stand ready to assist you in concluding your decision-making process so that you can be confident in a vote for confirmation. Please do not hesitate to call me if I can be service to you on this important matter."

Judge Gorsuch completed his confirmation hearing before the U.S. Senate Judiciary Committee last week, and the committee is expected to vote on Gorsuch's confirmation early next week.

Regina's Story

Most people know Regina from
Womack's Printing as "The Photo
Lady" or Taco Johns where she
spends most weekends. Regina
choked and during the following
test her esophagus was torn. She
remained on a ventilator and feeding
tubes for a couple weeks in ICU.
During surgery to repair her throat
she quit breathing. Since then she
has had blood clots and vertigo.

She is able to make it to work for a
few hours but is not up to her old self
yet. Expenses are adding up after a
couple months so we would like to
help with this benefit dinner
