Pot Holes

By: MJ

Todd Hazebaker Director of Operations reported to the council that the durapatcher will be here at the end of the month. The Street and Alley Department will then begin filling potholes left over from winter. Mayor Klakken reported the potholes that were repaired last year with the durapatcher appeared to be holding well.

A Dillon citizen wrote an article in the paper about the current city leaders and mayor not doing enough repairing street damage (potholes) left over from the wintertime. **Question:** If you are a person that has complaints about the potholes you should document where pothole is located and when or if it was ever repaired. This would give the faultfinder factual information to present to the council, thus notifying council & mayor of the problems while working together for a improved community.

Before we express our opinions in the form of negative judgments we might try walking a mile in the other person or person's shoes in order to understand the experiences, challenges, thought processes... In effect, it is a reminder to practice respect... Remember: You are not the only dissatisfied public member. Question; why is it easy for humans to highlight negatives and neglect the positives.

Meetings Attended: In the last several years I have attended the majority of city meetings. It was clear that the mayor, council, committees and city personnel are working collectively together for the betterment of the community. I don't always agree with their decisions however the decisions are made from the results of; 1) research done, 2) following the laws and 3) knowledgeable discussions.

Excavator: Councilman Hand asked what the city will do for an excavator this year. Mayor Klakken explained that leasing an excavator was budgeted for. A bigger machine will be leased from TriState Equipment in Belgrade for a lower price than the one leased last year from Frontline Agriculture.

BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, April 18, 2017 from 12:00 to 6:00 PM at the Elks Lodge. Please note the earlier start time. This drive is facilitated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling (406) 683-3696, or log on to www.bloodhero.com and use the sponsor code "Dillon".

There is no substitute for blood. It cannot be manufactured. It is the "gift of life" that only human beings can give to one another.

To donate blood, volunteers must be at least 17 years old, weigh at least 110 pounds, and be in good health. A donor must not have donated blood within the last eight weeks.

Please bring your United Blood Services Donor card or photo identification. Walk-ins are welcome, but those having appointments receive priority.

Spring into action, donate blood, and save a life!

Montana Department of Justice Announces Winner of Montana's Missing Children's 2017 Poster Contest

In Great Falls, Bryan Lockerby, Administrator of the Division of Criminal Investigation at the Montana Department of Justice, presented Michael Faccenda, a fifth-grader in Ms. Dige's class at Lincoln Elementary School in Great Falls, with the 2017 award for the Montana Bring Our Missing Children Home poster contest.

Poster artwork was judged on originality, creativity, use of color and materials, and reflection of the contest's theme. Written poster applications were judged on the level of understanding of the subject, clarity, and grammar. Michael's poster reflects a brightly colored playroom full of toys, but there is no child playing with them. Instead, there is an outline of a missing child, symbolizing his absence. Michael received a \$100 cash prize and his poster will be submitted to the national contest.

"This program allows Montana fifth-graders to compete in state and national poster contests while giving schools the opportunity to teach students about personal safety," said Jennifer Viets, Montana's Missing Persons Clearinghouse Manager. "It is an honor to submit Michael's poster to the national Missing Children's Day Poster contest. His poster reminds us that a child can go missing anywhere." There are currently 71 missing school-aged children in Montana.

This is the ninth time Montana has participated in the annual national Bring Our Missing Children Home poster contest. Michael's winning poster is available below and on Montana Department of Justice Missing Persons website at www.doj.mt.gov/missing-persons. This website also provides

information on Montana's AMBER Alert and Missing Persons programs, which are operated by the Division of Criminal Investigation at the Montana Department of Justice.

Wildflower Reflections: Families, Legacies, and Challenging Decisions

On April 18th at 6:30 Beaverhead County MSU Extension in conjunction with the Beverhode Sons of Norway Lodge will be sponsoring an estate planning workshop with MSU Extension Family Economics Specialist, Marsha Goetting. Estate planning is often an overwhelming topic that people prefer to put in the "do tomorrow" pile. It can be a scary process to initiate and a daunting task to complete. Marsha Goetting is known for her lively, friendly presentations that make estate planning fun while still emphasizing its importance.

Goetting's presentation combines her love of wildflowers with her knowledge and understanding of estate planning. She will discuss where property goes without a will, how to avoid probate and whether a will or trust is a more appropriate option for your situation. So if long term financial planning has been circling in your "to do" list, please join us for a free "Wildflower Reflections: Families, Legacies, and Challenging Decisions, April 18th at 6:00 at The Legacy.

Although the girls don't have a full team, they are getting a lot of extra hitting in playing exhibition matches. It helps them put the ball in different positions on the court and helps make quick decisions when playing doubles. Vivka is an exchange student from Russia and will only be here to play for one year, so playing singles gets more hitting in for her.

The boys doubles team of Todd Nordahl and Kyson Wilson are working off of their success from last season and have high hopes of finishing this season strong.

Regina's Story

Most people know Regina from Womack's Printing as "The Photo Lady" or Taco Johns where she spends most weekends. Regina choked and during the following test her esophagus was torn. She remained on a ventilator and feeding tubes for a couple weeks in ICU. During surgery to repair her throat she quit breathing. Since then she has had blood clots and vertigo.

She is able to make it to work for a few hours but is not up to her old self yet. Expenses are adding up after a couple months so we would like to help with this benefit dinner.

If you would like to help or donate to the auction please call Brenda or Rachel at Womack's Printing 683-4903 or Wendy at 683-2840

VFW Take Part in the "Buddy Poppy" program "In Flanders Fields The Poppies Blow.."

These opening words of Col. John McCrae's immortal poem are known to every child in the United States. Dedicated to the memory of the men who fought and died in France during World War I, the Poppies of which he wrote have become the true symbol of all those who have given their lives in our nation's wars.

The United States entered World War I in April 1917. Over 4.7 million men and women served in the regular U.S. forces, national guard units, and draft units. There were 53,402 killed in action, 63,114 deaths from disease and other causes, and about 205,000 wounded.

The red poppy is an internationally recognized symbol of veteran sacrifice and since 1922 the VFW has honored the memory of veterans who paid the ultimate price for our freedom with the VFW "Buddy Poppy".

In support of the Buddy Poppy program, the VFW is joining the U.S. World War I Centennial Commission in announcing the launch of a great new grassroots awareness and fundraising program, called the WWI Poppy Program. The goal is to spark awareness and conversation about the WWI Centennial as it honors the legacy of the 4.7 million American veterans and the sacrifices made by those served during WWI.

The Poppy seeds are being sold to raise funds for charitable programs on behalf of the needy and disabled Veterans, and the Widow and Orphans of deceased Veterans.

The seeds are available from
Womack's Printing,
126 N Montana St,
