November Elections

By: MJ

Our lives are always on the "Potter's Wheel." We are always meeting challenges or being challenged. In November 2017 council persons and mayor will be up for re-election and possibly meeting a challenger.

There was an article in the paper a while back making people aware of the coming election. It appeared that the person writing the article might be disgruntled with the current administration.

Humans are never a finished project. We are not without fault or defects. No one wants to be wrong, belittled, or ridiculed for their viewpoints and beliefs however that is part of our life. The city leaders have had their moral courage tested during their terms with several issues that were challenging and disconcerting. **Examples:** Home businesses in certain neighborhoods, changing identification of zone areas, following the laws, downtown parking, cars/trailers continually parked on streets, holding people accountable via fines or closure of businesses when ordinances are not complied with, making zoning document more palatable for the city of Dillon…

NOTE: It is rare that the public hears about all the good done. **Examples:** overhauling of water bills to allow equal treatment of all users, changing outstanding bond configurations allowing the city to save a million +/- dollars, answering the question of why the water well meters are saying the city is not getting paid for all the water that is being distributed to users…

I agree that it is never too early to think about who you want to represent your community. *It takes time and effort on your part to look for a qualified person. Often that person will not be your best friend or even someone you like.* Take the time to ask the hard questions; does your choice have the education for the job, do they believe government should grow faster than the private sector, do they believe in taxing you more rather than cutting spending where it can be cut, do they make decision after they have looked at the whole picture or do they shoot from the hip, do they treat all equal and fair or do they give latitude to special ones…

When you look at the now seated representatives ask yourself if you are judging them fairly or are you just upset because they did not do or are not doing what you what, are they following the laws, are they representing the entire community fairly...

FOUND KEYS

A set of keys has been found in Jaycee Park. The remote car key is a Honda. Call or come into Womack's Printing Place, 126 N. Montana Street, 683-4903 to identify the rest of the set and claim your keys.

THANK YOU

We would like to thank the many people who provided care for our mother, Phyllis Burwell,including the staff of Barrett Hospital and Healthcare, Dr. Moore and Dr. Weed, and Dr. Ron Loge for his many years of kind and compassionate care. We would also like to thank the Reverend Sue Eades and the members of St. James Episcopal Church for the beautiful service and reception. We are also indebted for the excellent care that she received as a resident of the Legacy from many kind and caring people. Julie and Ron Briggs of Brundage Funeral Home were professional and considerate. We also appreciate our many friends and neighbors who sent cards, flowers, and donations to honor our mother.

How It Works... Thought for the day!!

I told my son, "You will marry the girl I choose,"He said, "no."
I told him, "She is Bill Gates' daughter, "He said, "Okay."
I called Bill Gates and said, "I want your daughter to marry my son.
"He said, "No Way."
I told him, "My son is the C.E.O. of World Bank. "He said, "Okay."
I called the president of World Bank and asked him to make my son C.E.O.
He said, "Like hell I will."
I told him, "My son is Bill Gates' son-in-law. "He said, in that case, "Okay."
And that, my friends, is exactly how our political system works!

Regina's Story

Most people know Regina from Womack's Printing as "The Photo Lady" or Taco Johns where she spends most weekends. Regina choked and during the following test her esophagus was torn. She remained on a ventilator and feeding tubes for a couple weeks in ICU. During surgery to repair her throat she quit breathing. Since then she has had blood clots and vertigo.

She is now back to work, however expenses have added up after a couple months so we would like to help with this benefit dinner and auction.

A Regina Adams Medical Account has been set up at The Bank of Commerce. If you would like to help or donate to the auction please call Brenda or Rachel at Womack's Printing 683-4903 or Wendy at 683-2800

"Buddy Poppy" program

In support of the Buddy Poppy program, the VFW is joining the U.S. World War I Centennial Commission in announcing the launch of a great new grassroots awareness and fundraising program, called the WWI Poppy Program. The goal is to spark awareness and conversation about the WWI Centennial as it honors the legacy of the 4.7 million American veterans and the sacrifices made by those served during WWI.

The Poppy seeds are being sold to raise funds on behalf of the needy and disabled Veterans, and the Widow and Orphans of deceased Veterans.

The seeds are available from Womack's Printing, 126 N Montana St, the 3D Store, 130 S Montana St, VFW members or by calling PJ 683-3590. They are $3 each or 4 packs for $10.00.

Do You Know the Truth...Which version of the Bible is true? (Pt. 3)

----We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

This final segment of a 3 part series regarding which version of the Bible is true reveals some blatant opposites between the KJV and some of the modern versions. The opposites are italicized.

1. Speaking of the wicked in Psalm 10:4-5: KJV – His ways are always *grievous*; NIV – His ways are always *prosperous*; NKJV – His ways are always *prospering*.
2. Also referring to the wicked in Ecclesiastes 8:10: KJV – the wicked were *forgotten*; NIV – the wicked *receive praise*; ESV – the wicked *were praised*.
3. Comparison of Colossian 2:18: KJV – things which he has *not* seen; NIV – what he *has* seen; NASB – visions he *has* seen.
4. Hosea 10:1 describes backslidden Israel's condition. Note again the opposite terms used: KJV – Israel is an *empty* vine; NASB & ESV– Israel is a *luxuriant* vine; NIV – Israel was a *spreading* vine.

Omitting certain words from the context of any writings can drastically change the meaning. The gospel as recorded in God's Holy Word speaks often of the need to believe in the person of Jesus Christ in order to obtain eternal life. One such scripture is John 6:47 in which Jesus states, "He that believeth on me hath everlasting life." Numerous older translations such as Wycliffe, Tyndale/Coverdale, Geneva, and Bishops all include the phrase "believeth on me," "believeth in me," or "put his trust in me" in their translations. Many of the modern versions, however, omit those two all-important words "on me". Those doing so are the NIV, TNIV, NKJV, NASB, RSV, & NEW WORLD versions.

This omission could lead the reader to errantly conclude that believing in religion, God, church, the Bible, or any number of things can result in everlasting life.

Conclusion: Remember...THINGS THAT ARE DIFFERENT (including different versions of the Bible) ARE NOT THE SAME!

VFW Take Part in the "Buddy Poppy" program

"In Flanders Fields
The Poppies Blow .."

These opening words of Col. John McCrae's immortal poem are known to every child in the United States. Dedicated to the memory of the men who fought and died in France during World War I, the Poppies of which he wrote have become the true symbol of all those who have given their lives in our nation's wars.

The United States entered World War I in April 1917. Over 4.7 million men and women served in the regular U.S. forces, national guard units, and draft units. There were 53,402 killed in action, 63,114 deaths from disease and other causes, and about 205,000 wounded.

The red poppy is an internationally recognized symbol of veteran sacrifice and since 1922 the VFW has honored the memory of veterans who paid the ultimate price for our freedom with the VFW "Buddy Poppy".

In support of the Buddy Poppy program, the VFW is joining the U.S. World War I Centennial Commission in announcing the launch of a great new grassroots awareness and fundraising program, called the WWI Poppy Program. The goal is to spark awareness and conversation about the WWI Centennial as it honors the legacy of the 4.7 million American veterans and the sacrifices made by those served during WWI.

The Poppy seeds are being sold to raise funds for charitable programs on behalf of the needy and disabled Veterans, and the Widow and Orphans of deceased Veterans.

The seeds are available from Womack's Printing, 126 N Montana St, the 3D Store 130 S Montana St, VFW members or by calling PJ 683-3590. They are $3 each or 4 packs for $10.00.

Regina's Story

Most people know Regina from Womack's Printing as "The Photo Lady" or Taco Johns where she spends most weekends. Regina choked and during the following test her esophagus was torn. She remained on a ventilator and feeding tubes for a couple weeks in ICU. During surgery to repair her throat she quit breathing. Since then she has had blood clots and vertigo.

She is able to make it to work for a few hours but is not up to her old self yet. Expenses are adding up after a couple months so we would like to help with this benefit dinner

Regina Adams Medical Account is set up at The Bank of Commerce

If you would like to help or donate to the auction please call Brenda or Rachel at Womack's Printing 683-4903 or Wendy at 683-2800
