MONTANA WESTERN AND STOCKMAN BANK HOST "NIGHT OF STARS" HONORING EXCELLENCE IN EDUCATION

The University of Montana Western's education department and alumni office in partnership with Stockman Bank present the Sixth Annual Night of Stars, Saturday, April 22, 2017 at 6 p.m. in the Beier Auditorium.

This year's Night of Stars will induct six Montana Western alumni into the Education Hall of Fame in recognition of their exceptional contributions to education and will honor seven current education students as Outstanding Teacher Candidates.

Roxanne Engellant, foundation and alumni director, said, "We are extremely proud of our inductees and the impact they have had or are certain to have on generations of children."

Recognizing their long-time support of education, Dillon community members John Schuyler and JoAnn Juliano will receive the Friends of Education award.

Montana Western has also partnered with Stockman Bank to award a Take Stock in Education Scholarship for a current third-year student and a Stock your Classroom Award for one of the outstanding teacher candidates.

A social and silent auction will immediately follow the ceremony in the Lewis and Clark room of Mathews Hall. Proceeds benefit Montana Western's education department.

The 2017 Hall of Fame inductees include Amy Piazzola, Diane Rewerts, Terry Rosin, Linda Rosin, Fran Schisler and E. Otis Thompson. Outstanding Teacher Candidates to be honored are Anna Arndt, Dylan Conway, Delaney Hansen, Catherine Humphreys, Jaron Law, Erin Nicholes and Brandon Piazzola.

For additional information or to purchase tickets to Night of Stars, call 406-683-7306.

AMY PIAZZOLA

Amy Piazzola graduated from Montana Western in 1993 with a bachelor's degree in elementary education. She earned her master's in educational leadership in 2012. While at Montana Western, Piazzola was on the honor roll for all four years.

After graduation she taught in Nevada for seven years before moving to Noxon, Mont. where she taught kindergarten and first grade.

During her time in the classroom, Piazzola noticed how much her first graders struggled to learn their numbers. This inspired her to write a book which teaches young children about numbers.

While in Noxon, Piazzola served as local National Education Association chapter president and started the hot lunch program. She also received a grant to build a greenhouse which grows food for student lunches.

In 2012, Piazzola was named principal/superintendent of the Cayuse Prairie School in Kalispell, Mont.

Her son, Brandon Piazzola, is receiving the Outstanding Teacher Candidate Award at this year's ceremony. She is married to Brian Piazzola and has four children: Brandon, Tyler, Maggie and Morgan.

DIANE REWERTS

Diane Rewerts graduated from Montana Western in 1979 with a bachelor's degree in elementary education. In 2015, she received her master's in educational leadership from the University of Montana.

Rewerts began her career in Noxon, Mont. in 1979 teaching second grade. In 1981 she moved to Libby, Mont. and spent the next 32 years teaching various elementary grade levels and serving on numerous curriculum and leadership teams in the Libby Elementary and Middle School District.

She also received honorable mention as the Montana Elementary Science Teacher of the Year and National Science Foundation Better Elementary Science Teacher award.

In 2013, Rewerts was named principal at W.F. Morrison Elementary School in Troy, Mont.

She is married to Rik Rewerts (WMC '79) and has two children Shelly Stanton and Nik Rewerts (UMW '06).

TERRY AND LINDA ROSIN

Terry and Linda Rosin graduated from Western Montana College (WMC) in 1974, Terry with a bachelor's degree in biology and chemistry, and Linda with a bachelor's degree in K-12 music.

They began their teaching careers in Grass Range, Mont. and remained there for five years.

In 1979, they accepted teaching positions in Stevensville, Mont. In Stevensville, Linda taught band and choir for grades 7-12 for two years then started the elementary music program in 1981. In 1983, Linda started an elementary choir for fifth and sixth graders.

In addition to her teaching responsibilities, Linda was a member of Montana Federation of Teachers, the Music Educators National Conference, the Montana General Music Teachers Association and the Treasure State Orff Chapter.

Terry taught science for grades 7-8 and was Stevensville Science Fair director for 35 years. He helped bring the Biomedical Research After School Scholars program to Stevensville.

Throughout his teaching career, Terry coached boys and girls basketball and track, and served as an assistant athletic director. He has been a member of the Montana Coaches Association for 43 years and was a member of the Montana Officials Association for 17 years. In August 2013, Terry was recognized as Assistant Coach of the Year by the Montana Coaches Association.

FRAN SCHISLER

Fran Schisler graduated from Western Montana College in 1969 with a bachelor's degree in K-12 physical education and social sciences.

She spent her early years in education in Idaho before returning to Montana working as a substitute teacher for the Dillon Elementary School District. She returned to Montana Western to receive her bachelor's degree in elementary education in 1988.

Upon receiving her degree, Schisler taught at Grant School where she helped update the rural school curriculum guide under the direction of the county school superintendent.

Schisler was an adjunct instructor at Montana Western before returning to Polaris School where she received the Don and Clara Walters School Award. This award was presented by the Montana Retired Educators and it provided financial support for out of pockets expenses for schools supplies.

In 2000, Schisler was chosen as the first Rural School Teacher of the Year for Montana.

Although retired, she continued to teach music at Grant, Jackson and Wisdom schools. She received the statewide Volunteer of the Year award from the Montana Retired Educators in 2015.

Fran and her husband, George, have been married 49 years and have four children.

E. OTIS THOMPSON

E. Otis Thompson graduated from Western Montana College in 1966 with a bachelor's degree in secondary education. He later received his master's and doctorate degrees from Montana State University.

As a student at WMC, Thompson received numerous academic awards including the Rush Jordan Scholarship Cup for highest ranking male academic student at graduation.

Thompson began his career at Flathead Valley Community College teaching mathematics. In 1979, he applied for and received a professorship in mathematics at Montana Western and spent the next 25 years at WMC.

During his time at the college, Thompson served as secretary and president of the Montana Council of Teachers of Math and president of Montana Council for Computers and Technology in Education.

Thompson said the "capstone" to his career was his involvement with WMC's Fulbright grant to train math and science teachers in South Africa. He served as lead U.S. math trainer and as the principal investigator for the project.

Retiring in 2004, Thompson remembers his instructors at WMC as an excellent and caring faculty. He said his years both as a student and faculty member will always be cherished.

Otis and his wife Jo now reside in Ennis, Mont. They have two grown children, David and Shelley.

Attorney General Tim Fox Announces Workers' Compensation Fraud Conviction

Montana Attorney General Tim Fox announced Thursday the conviction of a Montana man charged with fraudulently collecting nearly two years' worth of workers' compensation benefits from the Montana State Fund.

David Howke, 45, of Bigfork pleaded guilty in Montana District Court Wednesday to a criminal theft charge related to fraudulently collecting over \$27,000 in workers' compensation benefits from the Montana State Fund between April 2013 and March 2015.

Howke filed a claim with the State Fund in December 2012 for a work-related injury. The State Fund accepted the claim and paid medical benefits, continuing bi-weekly temporary total disability (TTD) benefits of \$822 based on information that Howke could not return to work due to the injury.

In November 2014, Montana State Fund received a confidential fraud tip that Howke was working "under the counter," was playing golf all the time, bragging that he played up to 36 holes of golf daily. Under Montana law, a person who knowingly or purposely earns wages while also collecting TTD wage-loss benefits is guilty of theft.

In January 2015, the State Fund referred an allegation of theft to the Montana Department of Justice Division of Criminal Investigation. The Division of Criminal Investigation found that Howke failed to disclose to State Fund that he was capable of working and/or, in fact, was working and earning money while also receiving approximately \$27,478.23 in temporary total disability benefits from State Fund.

Howke pleaded guilty in Montana District Court Wednesday to the theft charge, was given a five-year suspended sentence to the Montana Department of Corrections, and is ordered to pay back \$27,478 in fraudulently collected benefits to the State Fund.

"Workers' compensation fraud is a drain on Montana businesses, and anytime we can mitigate this deceitful behavior, we're reducing upward pressure on the costs shouldered by businesses in our state," said Attorney General Tim Fox. "I congratulate my staff at the Department of Justice for a job well done. They should be proud of their work to help Montana businesses."

Bulldog Football Easter Egg Hunt

The University of Montana Western football team has
scheduled it's second spring scrimmage for Saturday, April 15.
Following the intra-squad clash, the third annual Bulldog Football
Easter Egg Hunt will be held for kids of all ages.

The scrimmage is set to start at 11 a.m. at Vigilante Stadium.
The community is invited to watch the full contact matchup
between the Bulldog offensive and defensive squads.

The Bulldog Football Easter Egg Hunt will begin at
approximately 12:30 p.m. at the conclusion of the scrimmage. All
children will have the opportunity to hunt for eggs with members
of the Bulldog football team.

Worn Wear Evening

The Patagonia Outlet will be hosting a Worn Wear Evening on April 20th, 2017 at 6 - 8:30 pm. Bring in your broken Patagonia items and we will help fix them. PLUS, purchase a slightly flawed brand new Patagonia jacket for only \$20, and mend on site. ALL proceeds will be donated to the Beaverhead Trails Coalition (BTC). Light refreshments will also be served.

2017 Summer Kickoff Concert and Red, White, and Blue Golf Scramble

The Dillon Jaycees present a summer kickoff concert and a golf scramble June 3rd. The golf scramble will take place at the Beaverhead Golf Course with a Shotgun start at 9:00 am. They are 4 person teams with a \$30 entry fee per player and \$50 for non members.

Opening Act: Copper Mountain Band

Main Act: Drew Baldrige

The concert will be at the Beaverhead Co. Fair Grounds on the Jaycee stage used for Labor Day Concert.

Tickets are \$20 and are on Sale at:

Resolution of Intent to Impose an Increase/Decrease in Levies

As an essential part of its budgeting process, the Grant School Board of Trustees is authorized by law to impose levies to support its budget. The Grant School Board of Trustees estimates the following increases/decreases in revenues and mills for the funds noted below for the next school fiscal year beginning July 1, 2017, using certified taxable valuations from the current school fiscal year as provided to the district:

Fund Supported	Estimated Change in Revenues	Estimated Change in Mills	Estimated Impact Home of \$100,000	Estimated Impact Home of \$200,000
Transportation	\$2,888.31 decrease	1.7 decrease	\$2.31 decrease	\$4.60 decrease
Building Reserve	\$3,652.00 increase	2.16 increase	\$2.91 increase	\$5.82 increase

Regarding the increase in the building reserve levy referenced above, the following are school facility maintenance projects anticipated to be completed at this time:

1. Install metal fascia on bus barn
2. Repaint bus barn garage doors
3. Paint front door and back addition/door, patch shed & window trim
4. Install gutters at sidewalk locations
5. Install steel prefinished fascia on main building

Dillon Jaycees

Volume 1

Quarterly Newsletter

March 31, 2017

The Dillon Jaycees and Jaycee Auxiliary have had a wonderful first quarter in 2017! Here is a recap of what we have been busy doing so far:

In January, we started off the year with our annual Installation Banquet at the Lion's Den. 2016 President, Jack Bergeson, recognized fellow members with awards for their work and dedication to the Jaycees throughout the year. He also swore in our 2017 President, Matt Allen. Matt then welcome our newest members to the group by swearing them, and our board of directors, into their new roles for 2017. Charis Harrison was named 2017 President of the Jaycee Auxiliary.

JM Peck and Kelly Graham got our Little Skiers program off to a great start. This year we had over 160 kids participate in the program (a record for us) and purchased more equipment. Every Saturday through mid-February, two school busses and our enclosed trailer headed to Maverick Mountain for a fun day on the hill. Mother Nature provided lots of great snow and comfortable temperatures, and we ended the season with plenty of powder still on the hills. Participants who rented equipment from the Dillon Jaycees got to keep it for the ski season, but will need to return it to the Jaycee building on Wednesday, April 5 starting at 6pm.

Also in January, Will Hampton started our Little Shooters program, two evenings each week in the basement of City Hall. We had a great group of kids join, 37 in all. We updated our scoring cards to a computerized scoring program and purchased new guns. The kids have shown great enthusiasm and improved their shot through the program. One team of Little Shooters will be going to the state competition in Laurel, MT April 8-9.

February started off with the Pink Zone Bras for a Cause Dinner and Auction hosted by the women of our Dillon Jaycee Auxiliary at the Beaverhead Golf Course. For the third year in a row, members of the Jaycees participated in the chilly Polar Plunge to benefit Youth Connections. We also established two scholarships that are available to students who graduate from high school within Beaverhead County and who are enrolled into an accredited university, college, or trade school. Little Skiers ended and Little Shooters continued into March.

We started March off with a very successful 38th Annual Middle School Wrestling Tournament, where we hosted over 200 wrestlers from across the state. Later in the month, we recognized two men within our community at our Distinguished Service and Outstanding Young Man Banquet on March 24 at the University of Montana Western. Tye Ellis was named the 2017 Outstanding Young Man, and Kevin Engellant received the 2017 Distinguished Service Award for their commitment to various activities within the Dillon community. Finally, we wrapped up March by sending our rodeo board members to support the 49th Rodeo Banquet at University of Montana Western.

Upcoming Events

- April 5:** Little Skiers equipment check-in @ 6:00pm, Jaycee Building
- April 8:** Easter Egg Hunt @ 9:00am (sharp!), Vigilante Park

Do You Know the Truth... What the Bible teaches about marriage

----We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

God created man in His likeness and Image, Genesis 1:27. God knew it was not good for man to be alone, so created woman for him, Genesis 2:18 & 21-24. He then presented her to Adam, thus authorizing and placing His blessing on the union of a **man** and a **woman** in marriage.

From these scriptures we see God's rules regarding marriage.

1. Marriage is designed to provide companionship between a **man** and a **woman**, "Therefore shall a **man** leave his father and his mother, and shall cleave unto his **wife**: and they shall be one flesh," Genesis 2:24.
2. Marriage is designed to produce children, "So God created man in his own image, in the image of God he created him; male and female he created them. And God blessed them, and God said to them, Be fruitful, and multiply, and replenish the earth..." Genesis 1:27-28a.
3. The **woman** was the **man's** companion and helper, "And the Lord said, It is not good that man should be alone; I will make an help meet for him," Genesis 2:18. (This is a position similar to the position Jesus put Himself in on behalf of mankind, "For in that he himself has suffered being tempted, he is able to succor them that are tempted, Hebrews 2:18. "Succor" means to aid, assist, or help man with his needs.)
4. God is opposed to divorce. Jesus confirms this principle in Matthew 19:5-6, "...for this cause shall a **man** leave father and mother, and shall cleave to his **wife**: they two shall be one flesh. Wherefore they are no more two, but one flesh. What therefore God has joined together, let not man put asunder."

Conclusion: Society, religion, & man may change their beliefs & practices, but God's rules regarding marriage have not changed.
