Sexual Assault Awareness Dillon, Montana April 26-27, 2017

In 2009, President Obama built on the efforts that started in the 1980's and officially designated April as Sexual Assault Awareness Month (SAAM). Every year the Women's Resource Center (WRC) participates in SAAM. This year we are collaborating with the UMW Rape Prevention Task Force to bring Denim Day and the Clothesline Project to the Dillon Community and the University Campus.

Denim Day

On Wednesday April 26th, we invite the entire community to wear denim with a purpose. Designated Denim Day after an Italian Supreme Court ruled that a man could not rape a woman who was wearing very tight jeans because she would have had to help remove her pants therefore implying consent. We wear denim on this day to bring awareness to the effects of sexual assault on survivors and to show our support for those who have experience such traumatic events. We ask that you wear either denim jeans or a denim ribbon (can be picked up at the Women's Resource Center) and make a small donation to WRC's sexual assault education and advocacy efforts. You can get your entire business/employees/employers involved to maximize your impact. 1 in 5 women will experience sexual violence while in college and 1 in 6 women will experience sexual violence in her life time. These numbers are too high and awareness is key to prevention. Please consider participating this year to show your support.

The Clothesline Project

The Clothesline Project is a visual display that bears witness to violence against women. This year the Women's Resource Center and the UMW Survivors' Support Group invite you to decorate a t-shirt to represent your particular story or the story of a loved one. We would also like to take this opportunity to invite men to tell their story. 1 in 33 men have experienced sexual violence at some point in his life time and 10% of all rape victims are men. We will not forget that men are also survivors and we will support male victims. Please consider sharing your story (anonymously) so others will know and understand the impact. T-shirts will be on display at the UMW campus on Wednesday, April 26, and in Jaycee Park in downtown Dillon Thursday, April 27th. Stop by the Women's Resource Center to pick up a t-shirt and/or design one there in the privacy of our conference room.

Dillon Public Library Nonfiction Reading Group to discuss The Railway Man and view feature film

The Dillon Public Library Nonfiction Reading Group will convene on Tuesday, May 9th at 7:00 pm for our monthly discussion of a book of nonfiction. The meeting on May 9th will be to discuss Eric Lomax's book *The Railway Man*. The following evening, Wednesday, May 10th, at 7:00 pm the movie "The Railway Man" will be shown in the Library's basement programming room and a discussion of the movie will take place after the film is shown.

Published in 1996, *The Railway Man* is the autobiography written by Eric Lomax about the horrors he endured in a Japanese prisoner of war camp during the Second World War. Lomax was forced to work on the notorious Burma-Siam Railway and was tortured by the Japanese for making a crude radio. Left emotionally scarred and unable to form normal relationships, Lomax suffered for years until, with the help of his wife Patti and the Medical Foundation for the Care of Victims of Torture, he came to terms with what had happened. Fifty years after the terrible events, he was able to meet one of his tormentors. *The Railway Man* is an incredible story of innocence betrayed and of survival and courage in the face of horrendous treatment and torture.

Copies of the book are available at the library in hard copy and downloadable electronic and audio formats. We look forward to a lively discussion and comparison of the book and the movie, *The Railway Man*. We hope you can join us!

On Tuesday, June 20th the Nonfiction Reading Group will meet to discuss *The Case Against Sugar* by Gary Taubes. Dr. John Madany will attend the session to lead the discussion. Copies of that book are also available in the Library.

After the June discussion, the Library's Nonfiction Reading Group will take a 3 month break, and will reconvene next fall to determine titles to be read next year. If you have any questions, please call the Library at 683-4544.

Senator Welborn 's Weekly Report.

HELENA:

This past week, as we returned from our Easter break, found us having several different discussions, on different matters of importance to all Montanans. I'll briefly share a handful still in play, as the session winds down.

The Montana Senate confirmed a new commissioner of political practices less than 24 hours after Gov. Steve Bullock appointed him. He will replace Commissioner Jonathan Motl overseeing the state's campaign, lobbying and ethics laws. The new Commissioner Jeff Mangan, is a former Democratic legislator from Great Falls. The full Senate voted 48-1 to confirm him less than an hour after his confirmation hearing.

House Bill 324, by Democrat, Rep. Bradley Hamlett of Cascade, was an effort to substantially reduce the Department of Fish, Wildlife and Parks' authority over the state's 55-unit park system, won broad Republican support in the House and Senate, was vetoed by the Governor. It had earlier passed the two chambers by votes of 67-32 and 33-15, respectively. In addition to allowing the parks division to move forward with better managed state parks, some common sense, off road trail systems, and enhanced camping and day use opportunities for all Montanans. The measure would have kept the parks division within the Department of Fish, Wildlife and Parks, but given authority to hire and fire the division director, along with jurisdiction over the park properties and, final authority on budget decisions to a Board of Parks and Recreation.

The Senate narrowly revived a charter schools bill last Thursday, one that would sidestep the authority of school boards by establishing a new statewide commission to oversee a system of nontraditional schools. Democratic Rep. Jonathan Windy Boy of Box Elder has introduced the bill as a way to give communities, particularly those on tribal lands, more flexibility and choice in education. But, many legislators, Republicans and Democrats alike, including myself, share concerns that a possible proliferation of charter schools would siphon money from the public school system, but more importantly would lack the same standards and accountability required of campuses under the oversight of local school board. If signed into law by the governor, the measure would also establish a new seven-member commission mostly independent of elected school boards. This costly measure, coupled with losing local control of school boards over site on public education, while actually growing government, is simply something I can't support.

HB 434 Rep. Kelly Flynn's proposal to better control weeds on public lands, by utilizing Pittman Robertson dollars, while both protect wildlife

habitat and helping public land managers protect the private property of neighboring land owners. This measure hit a snag in the Senate when some un-workable amendments were added due to politics getting in the way of otherwise good policy, causing a workable plan to become the target of a Governor's veto. Weed control with utilizing sportsman dollars, is something we've been trying to accomplish for my entire legislative career, it has also been difficult at best bringing all stakeholders together, so it's very important we are able to keep it on track now. I'm happy to report that we were able to put the proposal back in pretty much its original form in a conference committee, which I was a member, and that also had support from agriculture, sportsman and conservation groups. This measure is now poised to become law.

Next week, I'll recap the final budget picture, infrastructure funding status, and a few of the bills that became law in which I had the good fortune of sponsoring this session. Have a great week

Pickleball Popular Life Sport

Pickleball is becoming a popular life sport for all ages and skill levels. Many people have heard "pickleball" but are not familiar with the game. It combines many elements of tennis, badminton and ping-pong. A badminton-sized court similar to a tennis court is needed. Pickleball is played with a paddle and a plastic ball with holes and can be played as doubles or singles. It can be played as a leisurely fun game or competitively.

Pickleball is being introduced to kids in teenagers in physical education classes in middle and high schools. According to the Sports & Fitness Industry Association's (SFIA) 2016 Participant Report, there are more than 2.5 million pickleball participants in the United States.

If you are interested in learning to play, playing, and/or seeing some courts provided in Dillon, please call Gayle Begin at 683-3464.

Healthy Kid's Day is a National YMCA movement to encourage parents to get out and be active with their children. We will host a 1 mile or 5K fun run/walk/bike. Participants can do the event then sign up and save on summer programs and swim lessons. Limited number of shirts available for participants. This is a collaboration with Barrett Hospital's Health Fair on April 29, 2017.

Swim Lessons

Summer swim session #1 starts June 5th, get your children signed up now for this and other future swim lessons.

New Family Center

A Capital Campaign is now underway for Phase 2 of the YMCA which will include a gymnasium, running track, child watch area, group fitness area and more. Please call or stop by for more construction details and how you can help us realize the dream!

Strong Family Campaign

The purpose of this campaign is to generate funds to support programs, activities, scholarships and services for all members of our community regardless of age or ability to pay. Our 2017 campaign goal is \$113,000. Thanks for your continued support of the YMCA!

The Southwestern Montana Family YMCA is a non-profit, tax-exempt organization; therefore your donation may qualify as a tax-deductible in-kind donation.

• It's still Flamingo Flocking time!! Various Flocking packages available until the end of the month (including Insurance against flocking). Surprise your friends and neighbors as you support our annual fundraiser for Sexual Assault Awareness Month (SAAM). Contact Brylee at 683-6106 or brylee@cscfswmt.org for more information.

• This year, the SAAM campaign is "Engaging New Voices". The focus is on involving coaches, faith leaders, parents, Greek Life, and bystanders with preventing sexual assault. Many groups know about sexual assault and believe it is a problem, but they don't know how they can help. Contact WRC for information on advocacy and prevention.

• Wear jeans with a purpose on April 26th for National Denim Day. WRC, in collaboration with the UMW Rape Prevention Task Force is bringing Denim day to Dillon. Your business or organization can support the effort of the WRC by encouraging your employees to wear denim on Wednesday for a small suggested donation of \$5. Your business can go the extra mile by matching your employee's donation and double your impact. Please contact Valerie at WRC for more information at 683-6106.
