An evening of Sondheim

Beaverhead County High School choirs will present their annual Spring Concert and Musical Review on Wednesday, May 17, 2016 at 7:30 pm. Admission is FREE. The concert will be conducted by Mrs. Carolyn Van Slyke and accompanied by Mrs. Susie Steadman.

The choral ensembles have recently returned from successful District and State Music Festivals. Treble Chorus, Men's Chorus, Sweet Adeleines, Barbershop, Teen Tones, Men's Ensemble, Freshmen Ensemble and Women's Ensemble will perform some of their Music Festival selections. The second half of the concert will feature the combined choirs performing an evening of Stephen Sondheim with selections from West Side Story with lyrics by Stephen Sondheim and composed by Leonard Bernstein and selections from Sweeney Todd composed by Stephen Sondheim. The musicals will highlight the following seniors: Justin Anderson, Jaymee Allen, Mariah Amsbury, Brianne Coon, Madison Johnson, Mayson Jones, Maggie Magee, Sara Malesich, Ethan Myers, Christina Restani, Jazmin Rivera, Justin Schipman, and Katelyn Soliz.

We have had a great year and will celebrate the leadership of our students with a few End-of-the-Year awards. Please join us for an evening of excellence in music.

REGISTER FOR MENTAL HEALTH FIRST AID TRAINING * MAY 16-17

Registration for the "Mental Health First Aid" training ends May 8th. Call the Women's Resource/Community Support Center at 683-6106 or email Melainya@cscofswmt.org. The eight hour training, divided into two four-hour sessions on May 16 & 17th and will be in the Swysgood Great Room on the University of Montana Western campus. The training is free and open to the public. Professional CEUs are available.

Just as knowledge of CPR helps assist an individual having a heart attack: Mental Health First Aid training helps an individual assist someone experiencing a mental health or substance use-related crisis. The training takes the fear and hesitation out of starting conversations about mental health and substance use problems by improving understanding and awareness.

Five Little Seeds

Five little seeds,
Five little seeds,
Three will make flowers,
And two will make weeds.

Under the leaves,
And under the snow,
Five little seeds are
Waiting to grow.

Out comes the sun,
Down comes a shower.
And up come the three,
Pretty pink flowers.

Out comes the sun,
That every plant needs,
And up come two,
Funny old weeds.

Letter to the Editor

We Don't

We don't need to build a large wall on the southern border of the United States.

But we need to have a President who can say a complete sentence without lying.

We don't need to give big corporations more tax breaks because the majority of them pay no tax now.

But we need to give the middle class and the working poor tax breaks so they can survive.

We don't need to increase the military budget by \$54 billion dollars.

But we need to quit policing the world and bring our military men and women home.

We don't need to get rid of the Affordable Health Care Act.

But we need to fix the parts that do not work so they do work for everyone in the United States.

We don't need to change the rules so a few corporations can pollute and harm the environment.

But we need to breath clean air and we need to drink safe water for our selves, children, and grandchildren.

We don't need to spend \$100 million dollars to bomb a country that served no beneficial purpose.

But we need to spend that money fixing American and funding programs for children.

We don't need to send war ships around the world to unhinge dictators in other countries.

But we need to stay home and mind our own business and use the art of diplomacy.
