### Tight Line to Celebrate Merc Grand Opening

Justin + Sarah Hartman with their team at Tight Line Adventures and Brian Johansson of Montana Candleworks are proud to announce the newly renamed Atlantic Street Mercantile!

Formerly known as the Old Bullpen Plaza, "The Merc" at 435 S. Atlantic Street in the heart of Dillon, Montana still currently features Brian's exceptional cafe, espresso, ice cream, and gift shop. The new Tight Line Adventures Fly Shop will hold its Grand Opening May 20, 2017.

When Brian approached Justin this winter about renting a retail space in his building, Justin was excited about the potential. "We bring our family to Brian's place for hot dogs and ice cream all the time. It just seemed natural to have our recreational gear here, too, where fishermen can grab a hot cup of coffee, a breakfast sandwich, and all they need for a day on the river," says Hartman.

The Merc Fly Shop will specialize in shuttles, up-to-date fishing reports, the latest fly selections, and gear from Winston Rods, Scott Rods, Bauer Reels, Hatch Reels, Patagonia, Simms, and Yeti to have you ready to hit the waters of Southwest Montana.

GRAND OPENING of the TLA Merc Fly Shop: Saturday, May 20, 2017 (OPENING DAY of the General Fishing Season) 7am - 7pm at 435 S. Atlantic Street, Dillon MT

Complimentary refreshments and coffee, \$20 shuttles all day Saturday, and the opportunity to win some incredible giveaways: YETI soft-sided cooler, Patagonia Goodie Basket, 9 foot 6 weight Winston Nexus Fly Rod, and a TLA Goodie Basket.

In the meantime, head down and see Brian at The Atlantic Street Cafe for some of the best home cooked comfort food you'll find in our area. He's open Monday-Friday 8am-6pm (full menu served until 3pm; ice cream, coffee, snacks available until 6pm) Saturdays 9am-2pm, and closed Sundays. Watch for his Summer schedule coming soon.

For more information contact Brian Johansson at 683-2629 or Justin Hartman at 925-1684.

### Upcoming Beaverhead Chapter of Joining Community Forces Meeting

The Beaverhead Chapter of Joining Community Forces (JCF) will meet at noon, Tuesday, May 16, at the Dillon BLM Office, 1005 Selway Drive. JCF meets the third Tuesday every other month. We welcome public participation.

JCF is a national initiative dedicated to helping all active duty service members, veterans and their families. Free lunch is provided. For more information, call Jodie Jolly at 925-3563.

**Wine and Craft Beer Festival**  
Tickets are available for the 2nd annual Southwest Montana Wine and Craft Beer Festival on Friday, May 19, 2017 from 6 p.m. to 9 p.m.

"The University of Montana Western Foundation is excited to bring the second annual Wine and Craft Beer Festival to southwestern Montana. We have partnered with Summit Beverage again and five local artists to create a wonderful evening for the community to enjoy," foundation director Roxanne Engellant said. "The festival will showcase our featured artists, wine and craft beer for the benefit of our students, faculty and programs at Montana Western."

Scheduled in the Keltz Arena on the Montana Western campus, the festival will include wines from Montana Winery, Trinchero Family Estates, Eagle Vino, Precept Wine and Shed Horn Cellars. If you aren't a wine lover, we will also be featuring craft beers from KettleHouse, Philipsburg Brewing, Draught Works, Bozeman Brewing and Dillon's very own Beaverhead Brewing Company. In addition to the local wine and craft brews, hors d'oeuvres will be served between tastings.

Local artists Cory Birkenbuel, Cody Mitchell, James Wigen, Charlotte Quist and Ross Miller will have their work on display. All the featured artwork will be available for purchase during the festival.

Tickets are \$40 for individuals and \$70 for couples. Call 406-683-7303 for tickets and more information. You can also register online at the University of Montana Western Alumni Facebook page.

## Attorney General Fox Asks for Federal Policy Change to Expand Medicaid Fraud Authority

Attorney General Tim Fox announced that Montana joined 36 other states and the District of Columbia in a letter to U.S. Department of Health and Human Services Secretary Tom Price urging the expansion of Medicaid fraud authority to address more resident abuse and neglect cases.

Medicaid is a joint federal-state program that provides free or low-cost medical benefits to millions of Americans. More than 6.4 million people enrolled in the Medicaid program are aged 65 or older.

The Montana Department of Justice's Medicaid Fraud Control Unit (MFCU) resides within its Division of Criminal Investigation. The MFCU investigates and prosecutes state Medicaid provider fraud and resident abuse complaints in Medicaid-funded health care facilities. The MFCU has the option to review abuse and neglect complaints of those residing in board and care facilities. According to the Centers for Disease Control and Prevention, 1 in 10 persons age 65 and older who live at home will become a victim of abuse.

"Home healthcare helps address a huge portion of Montanans' healthcare needs. But the current federal policy limits our Medicaid Fraud Control Unit's ability to investigate reports of abuse and neglect that occur in the home healthcare setting," Attorney General Tim Fox said. He added, "Abuse and neglect in the home takes many forms, including physical abuse, sexual abuse, and drug diversion. Abuse and neglect is perpetrated by family, friends, and caregivers alike. The requested change in policy would allow our MFCU to investigate reports of the abuse and neglect of Medicaid beneficiaries as Congress intended, regardless of where they reside, whether that's at home or in a healthcare facility."

In their letter to Secretary Price, which was sent by the National Association of Attorneys General (NAAG), the attorneys general say "...the current strict federal limitations on states' ability to use MFCU assets to investigate abuse and neglect are outdated, arbitrarily restrict our ability to protect Medicaid beneficiaries from abuse and neglect as Congress intended, and should be replaced or eliminated." NAAG offered two recommendations:

- Allow MFCU federal funds to be used to investigate and prosecute abuse and neglect of Medicaid beneficiaries in non-institutional settings (i.e. home health care).
- Allow use of MFCU federal funds to freely screen or review

any and all complaints or reports of whatever type, in whatever setting.

Debrah Fosket, MFCU Director at the Montana Department of Justice, said, "Our aging population is increasing. Most likely that increase will result in the elderly opting to stay at home for care, rather than receive institutionalized care in a nursing home or assisted living setting. That could potentially increase a target population for caregivers so inclined to abuse the trust of their patients who have given them full access to their medications and personal assets, both financial and real, among other things."

### CITY WORK CREWS

For the next month the City of Dillon will be doing street maintenance on Sebree Street between Arizona, Nelson and California Streets. Please use caution when in this area. The streets are open to local traffic only. Also, the City will be doing maintenance on the sewer system during the next couple of months. They will be hydro flushing the sewer lines.

Please do not hesitate to call the City at 683-4245 if you have any questions.

### Attorney General Fox Announces Sale of Student Assistance Foundation Building to St. Peter's Hospital

Attorney General Tim Fox's office issued a letter allowing Student Assistance Foundation (SAF) in Helena to move forward with its plan to sell its office building to neighboring St. Peter's Hospital. Attorney General Fox received a letter from SAF last Friday providing notification of the planned sale. The sale price of \$8.1 million includes the building and some office equipment.

Under Mont. Code Ann. 35-2-617(7)(a), the Attorney General has 20 days to review a sale of a nonprofit corporation's assets when it is outside the ordinary course of business. In reviewing the transaction, the Attorney General makes sure that the nonprofit receives a fair value for the assets it sells. The review also ensures that there were no conflicts of interest between the parties involved in the transaction. The proceeds, after any expenses are paid, must be used to support SAF's charitable mission.

## Pint Night Fundraiser to Benefit Local Community Based Services Program

One of Dillon's Pint Night Fundraisers will benefit Yellowstone Boys and Girls Ranch's (YBGR) Dillon Community Based Services (CBS) program. The June 2 event is free, open to the public and kid friendly.

Charise Lemelin, YBGR's Dillon Clinical Director, said she is ecstatic about receiving the "go-ahead" for the event. She said that they'd like to use the donations raised for underfunded needs affecting Dillon's services.

"Our biggest needs right now are office space and vehicles, and funds as we move forward with foster care," she said.

Event Details: June 2, from 4-10 p.m. The 200 block of South Montana Street will close to traffic. The event will begin at 4:30 p.m., with family-friendly games at Depot Park. At 6 p.m., guests can purchase food, drinks and hear live music inside Beaverhead Brewing Company. One dollar for every drink the brewery sells, as well as proceeds from the Branding Iron's barbeque sales, will be donated to YBGR Dillon's CBS program.

So, visit downtown Dillon, Friday evening, June 2, for a night to support the cause of helping kids and families!

Yellowstone Boys and Girls Ranch, a nonprofit organization marking its 60th year, is a national leader in mental health care for children and their families. YBGR has helped more than 10,000 individuals since 1957 through Residential Services and the Yellowstone Academy in Billings and Community Based Services throughout Montana, including centers in Billings, Dillon, Lewistown, and Livingston.

### Do You Know the Truth... What the Bible states about when life begins (part 2)

(#41)

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

In presenting a Biblical view of when a baby becomes a human the following scriptures are given.

In the New Testament the words "babe, infant, and child" refer to both unborn and newly born children. Each of these words is translated from the Greek word *brephos*, meaning "unborn, newborn, or young child."

In Luke 1:41 it states, "...when Elisabeth heard the salutation of Mary, the *BABE* leaped in her womb."

In telling Mary of this event Elisabeth stated, "...the *BABE* leaped in my womb for joy," Luke 1:44.

The same word...*brephos*...is translated infants in Luke 18:15, "And they brought unto him also *INFANTS*, that he would touch them."

In 2 Timothy 3:15 the same word is translated *CHILD*, "And that from a *CHILD* thou hast known the holy scriptures...."

In two of these scriptures an unborn human being is being spoken of, but in the other two the reference is of two who had been born. In all four cases those referred to were equal in terms of being a human being.

The same principle is seen in the Old Testament where 'child' is used of both the born and the unborn.

Exodus 21:22 states, "If men strive, and hurt a woman with child, so that her *FRUIT* depart from her...."

The word *FRUIT* is translated from the Hebrew word *yeled*, which means *CHILD*. The same word is translated *CHILD* in numerous Old Testament scriptures. This is illustrated in Genesis 21:8, "And the *CHILD* (*yeled*) grew...." & Genesis 21:16, "...Let me not see the death of the *CHILD*...."

**Conclusion:** God's word is clear...our humanity begins at the point of conception. This being the case, those who support abortion on the basis that the child is not a person until a certain stage of pregnancy do so without any Biblical support!!
