"Suicide in Montana:

Facts, Figures, and a Framework of Prevention"

Tuesday, May 16th from 7 - 9 p.m.

The Great Room at the Swysgood Technology Center
University of Montana Western Campus

You are invited to join us for a free community presentation by Karl Rosston, State of Montana Suicide Prevention Coordinator. He will provide information about suicide facts and information that pertains to Beaverhead County as it is one of the counties in Montana with the highest rate of suicide. **BONUS:** Attendees will have an opportunity to win a jacket generously donated by Patagonia, which will be drawn for on the evening of the event.

Zoning

By: MJ

My Way or the Highway: The idiom: "my way or the highway" defines the zoning meetings. **Note:** The saying "my way or the highway" is associated with narcissism and micro-management. The expression suggests an ultimatum which indicates the listener will either conform to the desires or teaching of the speaker or else be excluded. This explains clearly what materializes at some of the zoning committee meetings. *It looks as if some of the attendees at the zoning meetings are clearly saying "my way or the highway."*

Problem Solving: I believe that there is always a way to solve a problem. **Examples:** 1) *Take the time to actually listen to what others are saying.* 2) Talk to one another with respect and consideration.

Note: At the last meeting I attended Committeeman Stoker brought forth suggestions of why it was important for the committee to reach out and work with the people directly involved. He pointed out that everyone has their interpretations of what they read, hear, see... He explained the growth plan indicates there is no parking issue in downtown. He said the government should be there to encourage growth and do what is best for the city and businesses downtown. *There was no discussion. What he said seemed to fall on deaf ears both by the committee and the public attendees. This type of interaction can be dangerous.* Mooney contradicted by saying "standards" that are in the form of laws & regulations can encourage business.

3) *Seek middle ground where you can agree and build from there.*

5) Bring **facts and figures** to the table that supports your suggestions.

NOTE: When you build a house that you can live in or bake a cake that will rise, you use **factual** measurements. **Question:** It looks as if authentic genuine data that includes the entire community, is not important when managing the local municipality? Is it time people step down from their soap boxes and gather the supportive data needed to make fair and conclusive statements? Growth Plan says parking is not an issue.

CITY WORK CREWS

For the next month the City of Dillon will be doing street maintenance on Sebree Street between Arizona, Nelson and California Streets. Please use caution when in this area. Please do not hesitate to call the City at 683-4245 if you have any questions.

National Police Week begins

"As 2017 National Police Week begins, I want to express my appreciation for the men and women of Montana's city, county, and state law enforcement agencies, as well as the federal and tribal law enforcement officers who work across our state. These fine individuals have embraced the noble calling of public service and put themselves in harm's way daily to keep us safe. Sadly, since 1878, 128 officers have fallen in the line of duty in Montana. It's important for the families of those officers who paid the ultimate sacrifice to know their departed loved ones will not be forgotten. I urge all Montanans to reach out to law enforcement officers in your communities and thank them for all they do."

Pint Night Fundraiser to Benefit Local Community Based Services Program

One of Dillon's Pint Night Fundraisers will benefit Yellowstone Boys and Girls Ranch's (YBGR) Dillon Community Based Services (CBS) program. The June 2 event is free, open to the public and kid friendly.

Charise Lemelin, YBGR's Dillon Clinical Director, said she is ecstatic about receiving the "go-ahead" for the event. She said that they'd like to use the donations raised for underfunded needs affecting Dillon's services.

"Our biggest needs right now are office space and vehicles, and funds as we move forward with foster care," she said.

Event Details: June 2, from 4 - 10 p.m. The 200 block of South Montana Street will close to traffic. The event will begin at 4:30 p.m., with family-friendly games at Depot Park. At 6 p.m., guests can purchase food, drinks and hear live music inside Beaverhead Brewing Company. One dollar for every drink the brewery sells, as well as proceeds from the Branding Iron's barbecue sales, will be donated to YBGR Dillon's CBS program.

So, visit downtown Dillon, Friday evening, June 2, for a night to support the cause of helping kids and families!

BEAVERS SOFTBALL

The Lady Beaver Softball team went 2-0 at the Laverne Combo Tournament in Butte this weekend, improving their record to 9-9-1. Friday morning, they went up against Miles City who were 11-3 and a top team representing the Eastern A Conference. Custer County took an early 2-0 lead in the first inning, but a huge 7 run 2nd inning gave the Lady Beavs the advantage and they held on for the 9-8 win. Shelby Hall started the inning off with a hard single to left. Scout Voss followed suit with the same moving Hall to 2nd. Jessalyn Zimmerman then grounded into a fielder's choice leaving Voss on 2nd and Zimmerman on 1st. With two outs, Bailey Berriochoa stepped up to the plate and hit a 3-run homer over center field. Berrichoa started hitting left handed this year to ease the strain on a nagging knee injury, and she has been having lots of fun doing it. From the left side she has shown she can slap hit, drag bunt, and apparently hit for power whenever she wants. It was pretty darn cool! Anyway, the home plate umpire first ruled the hit a ground rule double thinking the ball bounced over the fence. He later apologized for the mistake (as the center fielder from Miles City concurred), and we have made the appropriate edits in stats in the book. Adrianna Pittman then drew a walk, and it was Erica Rude's turn to get a hit.. another line drive single to left. Kylee Pittman then stepped up and ripped a double, just shy of a home run off the center field fence scoring sister, Adrianna. Kierra Tippets kept the two out rally going, and knocked in Rude and K. Pittman, which brought up Shelby Hall once again. She too kept the hitting streak going hitting

another single, moving Tippets to 3rd before Taylor Westfall flew out to end the inning. The Beavers got 2 more runs in the top of the 4th, and held on for the 9-8 win. Erica Rude and Shelby Hall each went 2 for 3, Tippets had 2 RBI's and Berrichoa had 3 RBI's. Kylee Pittman got the win for the Lady Beavs striking out 6, walking 3 and giving up 8 hits. Adrianna Pittman caught for her sister and did an excellent job behind the plate, while everyone contributed on defense against the good hitting Miles City team.

In their 2nd game of the day the Lady Beav's defeated Columbus 7-5 in a back and forth affair. The Beavs were down 3-2 going into the 3rd inning, when the Beavs had another huge inning earning 5 runs, taking the lead 7-3. Kylee started off the inning with a stand up double to left. Tippets got to 1st safely on a dropped 3rd strike, and Hall loaded up the bases with a walk. Zimmerman singled, bringing in 1 run, and Scout Voss was then hit by a pitch bringing in 1 more. Berrichoa drew a walk, Adrianna singled, and Rude singled bringing in 3 more runs. We missed some prime opportunities to bring in even more runs by leaving runners on base. Twice we ended innings with bases loaded. Adrianna Pittman got the win on the mound striking out 2, walking 2 and giving up 7 hits. Offensively, A. Pittman, Rude, Zimmerman, Berrichoa and Westfall all contributed with RBI's. Berrichoa was the rock on defense at short making the hard plays look easy, as did the rest of the infield with Westfall at 1st, Tippets at 2nd, and Hall at 3rd.

On Saturday, all tournament games were cancelled due to weather.

BCHS Grad to Sign Books

Leigh Lincoln, the daughter of Jim and Marge Lincoln, and a 1988 graduate of Beaverhead County High School will be signing books at The Bookstore on Wednesday, May 17th. She is an author, activist, single mom and proud of her Montana upbringing. For the past 30 years she has spent much of her time involved in homeless and poverty advocacy. Her first novel, Road Home, was born out of this work. She wanted to make people think about their lives and how they live. But most importantly she wanted them to think about how they treated others and how they wanted to be treated. What began as a small project created a conversation. Others are discussing issues they never have.

She gives credit to her Montana values for shaping her life and work. To learn more about this Dillon native and her work stop by The Bookstore on Wednesday from 5:00-7:00. Please call 683-6807 if you have any questions or would like to reserve your autographed copy of Road Home.

An evening of Sondheim

Beaverhead County High School choirs will present their annual Spring Concert and Musical Review on Wednesday, May 17, 2016 at 7:30 pm. Admission is FREE. The concert will be conducted by Mrs. Carolyn Van Slyke and accompanied by Mrs. Susie Steadman.

The Bands will perform their Spring Concert on Tuesday, May 23rd at 7:30 pm in the BW Lodge.
