Spring Concert and Awards

The Beaverhead County High School Band will present its Spring Concert and Awards on Tuesday, May 23 in the BW Lodge Gymnasium. The program will feature the BCHS Symphonic Band, Jazz Band, and multiple ensembles that performed at the recent District & State Music Festivals. The concert will begin at 7:30 p.m. and the public is invited to attend this free evening of music.

The concert will begin with the Festival Ensembles. First will be the Brass Choir performing Three Pieces by German composer Johann Pezel. The Clarinet Choir, Brass Quintet, Percussion Ensemble, and Woodwind Ensemble will also perform.

The middle portion of the program will feature the Jazz Band. They will perform arrangements of two Latin inspired tunes. The first, Smooth, is originally performed by Rob Thomas and Carlos Santana. The second is an arrangement of Gloria Estefan's Go Away.

The final section of the concert will feather the Symphonic Band. They will start with a musical rendering of a drive down Germany's Autobahn, composed by Ryan George. Next will be Larry Daehn's As Summer Was Just Beginning, composed in memory of the actor James Dean. In addition, the band will perform the pieces the Symphonic Band used at the recent District Music Festival.

Besides the usual musical offerings, the concert will feature awards earned through the year. It will also be a time to recognize the outgoing seniors—Justin Anderson, Ransom Bowman, Tristen Ellis, Patrick Griffin, James Kramer, Nathaniel Lemieux, Jonathan Leonardson, Justin Schipman, and Kathleen Tatarka.

The instrumental music program at BCHS is under the direction of Mr. Christopher Kloker.

Zoning Committee

By MJ

Nagging/Badgering: The zoning meetings are resembling some marriages. Men say that their wives have memories like elephants and they continue to bring up subjects (nagging) until they get their way. That is what attending a zoning meeting is like. Continual badgering and disruption from 4-6 people in audience that appears to be causing deadlock for the committee when trying to make decisions on the issues like building permits.

Documents: *Documents are made to be updated when occasions arise necessitating a need for a change.* **Question:** Is it for the betterment of a community to create a document, a plan that cannot bend or accommodate community? The zoning document seems to be one of those type documents. You decide.

Assets: Dillon has many assets available that are waiting to be taken advantage of via development and are being ignored. Instead hours of discussion are spent on parking issues that brings everything to a grinding halt. *Why is it that the public and committee/board members cannot work together for the betterment of the economy, make changes to fit the needs of the people today, plan for and capitalize on the assets available to Dillon...?*

No One Benefits: No one benefits from not talking and listening to each other. No one benefits when there is personal judgement and no respect amongst involved parties. No one benefits when decisions are made from opinions and emotions without facts, figures and documentation. No one benefits when anger and self-interest is involved.

Broadwater Co. Sheriff's Deputy Killed, Suspects in Custody

A Broadwater County Sheriff's Deputy was shot and killed early Tuesday morning in an attempt to conduct a traffic stop.

At approximately 3:00 AM Tuesday morning, a Broadwater Co. Sheriff's deputy called in to dispatch a traffic stop near Three Forks. After the deputy failed to respond to dispatch, a Gallatin County Sheriff's deputy responded to the scene to find the Broadwater County Deputy shot and killed.

A statewide BOLO alert was issued and Montana Highway Patrol troopers spotted the suspects' vehicle heading west on I-90 near Anaconda. Spike strips were deployed near Powell County, but were unsuccessful in stopping the vehicle. The two suspects, a father, age 61, and son, age 38, were later apprehended around 4:30 am by the Butte-Silver Bow Sheriff's Office near Rock Creek. The father is in custody in Missoula County and the son is hospitalized in Missoula.

The Montana Department of Justice's Division of Criminal Investigation is leading the investigation into the incident. A total of four crime scenes are being evaluated, stretching from Butte to Rock Creek. Others assisting in response to the incident and the crime scene investigations include the Montana Highway Patrol, the Broadwater County Sheriff's Office, the Butte-Silver Bow Sheriff's Office, the Anaconda Police Department, the Gallatin County Sheriff's Office, the Missoula County Sheriff's Office, and the Granite County Sheriff's Office.

"This is a tremendously sad day for all of us here in Broadwater County," said Broadwater County Sheriff Wynn Meehan. "It's difficult to adequately describe how devastating it feels to lose one of our own in the line of duty. Our deputy died protecting the citizens of our county and displayed remarkable courage until the very end. His actions will never be forgotten."

Details on the investigations will be released as they become available.

BCHS Grad to Sign Books

Leigh Lincoln, the daughter of Jim and Marge Lincoln, and a 1988 graduate of Beaverhead County High School will be signing books at The Bookstore on Wednesday, May 17th. She is an author, activist, single mom and proud of her Montana upbringing. For the past 30 years she has spent much of her time involved in homeless and poverty advocacy. To learn more about this Dillon native and her work stop by The Bookstore on Wednesday from 5:00-7:00. Please call 683-6807 if you have any questions or would like to reserve your autographed copy of Road Home.

Emergency Closure of Portion of Pioneer Mountain Scenic Byway

Due to the Federal Government's failure to fund the Secured Rural Schools (SRS), which is a large portion of the Beaverhead County Road Department budget, Beaverhead County will not plow the Pioneer Mountain Scenic Byway at this time. Please standby for updates.

The Beaverhead County Commission has enacted an emergency temporary closure of the road from the posted signs, approximately 12 miles up from both the Hwy 278 and Hwy 43 junctions.

The Beaverhead County Road Department has placed "road closed" signs approximately 12 miles ahead, near Hwy 278 and Hwy 43 junctions. Please observe these closures. The road will be opened when the snow melts naturally.

If you have questions or concerns about this matter, please contact your Senator or Representative at the following phone numbers:

a. Senator Tester 406-449-5401
b. Senator Daines 406-587-3446

Sincerely,
C. Thomas Rice, Chairman
