"Chinese in Montana: Our Forgotten Pioneers"

Ellen Baumler of the Montana Historical Society will present her wonderful discourse on the early Chinese in Montana on Sunday, May 21st at the Depot Theater at 2 p.m.

This presentation is free and open to the public and is made possible by grants from the National Endowment for the Humanities, Montana's Cultural Trust and private donations.

The Chinese pioneers have been neglected in Montana's written record even though in 1870, they comprised 10 percent of the population. By the 1950's very few remained. Chinese homes and businesses fell victim to urban renewal programs. Time erased their remote mining and railroad camps. Traces of their culture disappeared, and their stories have become obscured in myth and legend. What happened to these pioneers and where did they go? Baumler explores Montana's urban and remote Chinese settlements through archaeological sites, artifacts, and rare remaining landmarks. These recall the contributions of Montana's Chinese and the cultural footprints they left behind.

Ellen Baumler earned her Ph.D from the University of Kansas in English, classics, and history. She has been the Montana Historical Society's interpretive historian since 1992 and is the author of numerous books and dozens of articles on diverse topics.

Dillon Masonic Lodge No. 16, AF&AM awards two scholarships to Graduating seniors in Beaverhead County

Dillon Masonic Lodge No. 16, AF & AM had twelve extremely qualified seniors from Beaverhead County High Schools apply for the two $500.00 scholarships given yearly by the Lodge. This year's recipients are Katelynn Sutton of Lima High School and Tessa Sawyer from Beaverhead County High School. Both young ladies intend to pursue studies in the medical field. Thanks to all who applied. Our biggest regret in this year's scholarship process, is that we wish we could have awarded scholarships to all twelve applicants as each and every one was outstanding.

Dillon Masonic Lodge No. 16 gives out two scholarships per year, and all interested seniors please contact your school counselor for more details.

Parking Saga continues

By: MJ

The way the council, zoning committee, zoning document and some public members have the parking context famed there is no way to solve the issue without changing a document. You would think Dillon is dealing with the U. S. Constitution and not just a document that can be changed with the needs of a Podunk struggling town.

Parking: Some say parking requirements are out of line too strict, some think that non-requirement passes should be given out to people in some locations, some say businesses that don't comply should be shut down and others argue that **existing** zoning laws are the best thing since sliced bread. You decide and contact your representative on the Council with your ideas and suggestions.

The zoning committee recognizes the need to work with people and that no one piece of land is identical with the same measurements, same locations, same streets, same water tables, same neighbors… *There are people applying for permits, wanting to invest in the community, would provide jobs and improve economy along with the tax base but are having a difficult time compiling with the City Council laws.* Zoning is required however the question is how much at any given time?

Note: When people bring their permits to the table it appears that there has been a great deal of discussion between the council members and a few public members prior to the zoning committee meeting. **Question:** What coffee shop or community event are these issues being discussed before the public meeting? Public information is just that and not be hid behind from the public.

THANK YOU

Your work each year is much appreciated. The cemetery is a very important part of our community.

BCHS SOFTBALL

The Lady Beav's kept their win streak alive with a 19-11 win over Corvallis this evening. Kierra Tippets led the team at the plate going 3 for 4 including a double and 4 RBI's. Erica Rude went 2 for 3 with a double and 1 RBI, Kylee Pittman went 2 for 3 with 2 RBI's, and Scout Voss went 2 for 4 with 2 RBI's. The Beavs could have scored closer to 30 if they wouldn't have left so many runners on base, but we still got a big win. That is a goal (to not strand so many runners in scoring position) we will set for our last game which is on Saturday at home against Hamilton. Adrianna got the win on the mound going 3 2/3 innings, while sister Kylee gets the save going 3 1/3 innings. Both did an outstanding job today fanning 2 and 4 respectively. Dillon's record is now 10-9-1.
