Attorney General Fox Applauds Delay of Oil and Gas Rule

Montana Attorney General Tim Fox applauded Thursday's decision by a federal appeals court that effectively postpones any decision regarding the U.S. Environmental Protection Agency's overreaching oil and natural gas rule.

The U.S. Court of Appeals for the District of Columbia Circuit ordered that any final decision regarding the case be held in abeyance and requires periodic status reports from the EPA while the court and the parties involved determine the next steps.

"This is just one example where we've successfully fought federal overreach. My office will continue to represent Montana's interests in the days ahead," Attorney General Tim Fox said.

Fourteen states and state agencies challenged the oil and gas rule in August 2016. The coalition argued that the regulation imposed unnecessary and burdensome rules upon the oil and natural gas industry, while setting the stage for further limits on existing oil and gas operations.

States that signed onto the legal challenge were Alabama, Arizona, Kansas, Kentucky, Louisiana, Michigan, Montana, Ohio, Oklahoma, South Carolina, West Virginia and Wisconsin, along with the Kentucky Energy and Environment Cabinet and North Carolina Department of Environmental Quality.

Dillon is Mired in the Mud

By: MJ

With the parking requirements in the zoning document Dillon is at an impasse or deadlocked.

Get the government out of the pockets of the entrepreneurs willing to lay out hard cash. Let the developers, the people investing the money and the market be the major driving force behind parking issues. They are the ones with the greatest incentive.

Parking requirements that are way out of the box and not required at this time, raise the cost of development. Does the Council and committees have factual information on what the requirements of the community are today for parking, what type of businesses and what the parking requirements are for them in Dillon...? Where are the charts that show the actual parking requirements for downtown?

Believe and trust the capitalists to be the responsible party. If they do not provide enough parking they will not be successful.

With the existing parking requirements it is nearly impossible for a person or developer to build retail or residential buildings in the city of Dillon. This action is putting a noose around the necks of the existing businesses in downtown area

Your community needs your input. Call your council representative or a member of the zoning board and discuss this issue.

It is time to listen to the members of the zoning board who are saying the parking requirements are impossible for people to comply with.

BCHS SOFTBALL

The Senior Day @ the Beaverhead Motors Field behind the middle school. Hamilton (undefeated in conference) came to town bringing their fans, banners and very large bronco flag. Their presence or their record did not seem to phase the Lady Beavers who rose to the occasion and played tough and hung with the brons for five solid innings. The score was 2-7 going into the 6th when a 5 run inning put the game out of reach for the Lady Beavs. Adrianna Pittman did the lion's share of pitching throwing 4.1 innings, striking out 1, giving up 8 hits, 6 earned runs and walking 4. Sister, Kylee threw 1.2 innings, fanning 4, giving up 4 hits, 2 earned runs and walking 1. Hamilton is a very good team... I would put them in the top 3 in the state A. I thought our pitchers and catchers did a great job against a team who doesn't have a single weak spot in the lineup. Unfortunately our defense let down several times, which you can't do against a tough team like Hamilton. They will capitalize on those mistakes and make you pay... and they did just that in the 6th inning. Adrianna led the team offensively going 2 for 2 and scoring 1 run. Kylee Pittman went 1 for 2 with an RBI. And Bailey Berriochoa went 1 for 2 scoring 1 run. Berriochoa also played flawless defense on the day.

I am proud of the way the girls finished the season.. with so much intensity. It is extremely difficult to put into words the inner strength it takes to continue giving 100% at practices and games when you already know you are out of the running. This entire team did just that, which speaks volumes about their character. I feel blessed to have had a team like this one, and honestly believe that we are the best team not going to state this year. Our record of 10-10-1 is the best season record in Dillon Softball to date!

We will truly miss our 5 graduating players: Adrianna, Baylie, Erica Rude, Scout Voss and Shelby Hall. Each of them have been great leaders both on and off the field, and have made this year a special one. Erica Rude has verbally committed to playing softball at Dawson next school year.. so we are super excited that she will have the opportunity to continue to play the sport that she loves.

Camping Season Begins Memorial Day Weekend on the Beaverhead-Deerlodge NF

Memorial Day weekend marks the kickoff for outdoor summer recreation and camping season. The Beaverhead-Deerlodge covers over 3.3 million acres in seven counties of Southwest Montana and offers an abundance of recreational opportunities for people to enjoy. Even though Memorial Day Weekend arrives early this year, visitors will find campgrounds, trails, and cabins open and available.

In the Butte-Whitehall Area, Beaverdam, Lowland, Delmoe Lake, Whitehouse, Pigeon Creek, and Toll Mountain Campgrounds will be open. Water will be available at Beaverdam, Lowland, Delmoe Lake and Whitehouse. Homestake and Elkhorn picnic areas will be open as well with water available at Homestake.

Thompson Park is open daily from 8 a.m. until 9 p.m. daily. There are three picnic areas and two trailheads that access 25 miles of non-motorized trails, including the Milwaukee Road.

Sheepshead Recreation Area, north of Butte, offers fishing and picnicking for groups and will open June 10. The pavilions at Sheepshead and Freedom Point can be reserved for weddings, picnics, and other types of day-use activities. Call the Butte Ranger District for reservations.

Most trailheads are open; however trail access may be minimal at higher elevations due to high snow levels. Contact the Butte Ranger District to find out trail conditions or to report blocked trails. Forest Service crews will begin clearing the Continental Divide National Scenic Trail in June.

For updates on access to recreation sites and trails, contact the Forest Service office in Butte at (406) 494-2147, or visit 1820 Meadowlark Lane.

For the Georgetown Lake, Philipsburg and Deer Lodge Valley: Philipsburg Bay and Lodgepole, Flint Creek, Racetrack, and Piney Campgrounds are open. Spring Hill, East Fork, Copper, Spillway, and Cable Campgrounds will open by Memorial Day weekend. Orofino should be open by early June. Certain sites within these campgrounds may be closed as hazard tree removal continues, visitors are asked to respect those closures.

Echo Lake picnic area may not be accessible due to snow conditions, but should be open by early June. Most trailheads are open; however trail access may be minimal at higher elevations due to high snow levels and a high number of downed trees at low and mid elevations. Trail

Some of the Anaconda-Pintler Wilderness trailheads are accessible at this point, but not all. Visitors will likely encounter snow and downed trees within a couple miles of trailheads, but most lakes are still snow covered. Check with Forest Service offices in Wise River, Philipsburg, Sula or Wisdom for details as you plan your wilderness trip.

In the Big Hole area, most campgrounds will be available for use with limited services. Some roads and sites will still be under snow and inaccessible.

The Pioneer Mountains Scenic Byway, between Wise River and the Grasshopper Valley remains closed due to heavy snow conditions. Most campgrounds along the Scenic Byway will be available for use with limited services. Roads adjacent to the Scenic Byway may still be blocked with snow and downed trees. Travelers may reach the historic Canyon Creek charcoal kilns west of Melrose; however, Vipond Park is not fully accessible.

Call our Forest Service Offices either in Wisdom at (406) 689-3243, or Wise River at (406) 832-3178 for more information before heading out for your trip.

Other Forest roads blocked by snow include the upper end of Thief Creek road, above the Birch Creek Center, and Upper Willow Creek. Travel may not be possible up-drainage to Gorge or Tendoy Lakes until mid-June.

All major access roads into the Lima Peaks, Tendoys, and Bloody Dick Range are open. Access to Reservoir Lake is open; however travel over the Big Hole Divide is closed. Lemhi Pass and the Sacajawea Memorial Camp are open. Browns Lake, out of Glen, along Interstate 90, on Rock Creek is open, but access further up the drainage is not possible or is limited. Be aware that creek and river levels can change significantly with warmer temperatures. Caution should be used when playing and hiking around main tributaries. Contact the Dillon Ranger District at (406) 683-3900.

In Madison County, Potosi, Mill Creek campgrounds are currently open and water is available. The Branham Lake Campground in upper Mill Creek is not yet accessible. The Ruby River Campgrounds are open, Elk Lake in the Centennial is open; water is not available at these sites. Several campgrounds

in Madison County are operated by a concessionaire, under supervision of the Forest Service. They lie near the Madison River and include West Fork, Riverview, Madison River, Wade Lake, Cliff Point, and Hill Top. Visitors are encouraged to call the concessionaires, Dave or Laurie Schmidt, at (406) 682-7560 for the latest information on camping opportunities at these campgrounds.

Many roads in the Gravelly Range won't be open until July 1. This allows roads to dry before they get traffic. For more information, call the Forest Service in Sheridan, at (406) 842-5432, or Ennis, at (406) 682-4253.
