### Clarice P. Colvin

Clarice Covin went to heaven May 30th, 2017. She died peacefully at her Dillon residence.

She was born in Lena, Wisconsin, February 16, 1926. She attended school there and later she met the love of her life Terrance Colvin and they were married Oct. 28, 1946. They moved to California where she worked for Wells Fargo Bank for 30 years. Upon retiring they moved to Dillon, Montana.

Clarice was a very loving, generous and beautiful soul. She volunteered her time and talents to many organizations in Dillon. She was a wonderful wife, aunt and friend to many. She was especially fond of her best friend Angelica who cared for her unconditionally. She will be greatly missed.

### Mark Simkins Jr.

May 29, 1995 - May 30, 2017

22-year-old Mark "MJ" Simkins Jr. passed away from smoke inhalation in a house fire.

MJ is the son of Kathy (Plutt) and Mark Simkins. He graduated from BCHS three years ago and was currently going to the U of M Western where he was playing football for the Bulldogs and studying education.

Fire Chief Darrin Morast said fire crews responded to Simkins' residence after a call from his roommate who arrived home to find that a portion of the house was on fire. When fire crews arrived, Morast said, the roommate had already dragged Simkins from the house and police were performing CPR. Simkins was later transferred by ambulance to Barrett Hospital and HealthCare, where he was pronounced dead.

MJ was apparently asleep in the back of the house when the fire started in a front bedroom.

The cause of the fire has not yet been determined and is being investigated said fire marshal Rick Later.

**CITY POLICE KEPT BUSY**  
**Five reports of separate burglaries**

On 05/24/17 a Dillon City Police Officer responded to five reports of separate burglaries, and a motor vehicle theft within the city limits. Officers who were on days off, or had worked until three AM the previous morning were called in to assist.

Officer Ian Ternes responded to a local bank where forced entry had been made. Evidence showed an unsuccessful attempt at gaining access to the vault. Banks are extremely difficult to access and ironically, it appeared the audible alarm was under maintenance at the time. This is a very unusual event and shows that the bank is an extremely secure facility as no theft was successful. Maintenance has been completed and the bank is back to its prior functionality.

While investigating the scene, several other businesses reported being burglarized. Officer Ternes responded while other officers were called out to assist. A vehicle and flatbed trailer were reported stolen as well. An investigation of all scenes and cooperation and assistance between Officers, witnesses, and victims, a suspect was quickly identified. Continued investigation and impressive police work by Officers Ian Ternes, and Ceth Haggard were crucial in locating the stolen vehicle and most of the stolen property from all burglaries.

The stolen vehicle and items were located near Pipestone by the Jefferson County Sheriff's Department after Dillon Officers requested their assistance. The vehicle and other several other stolen items were returned to their owners within 18 hours of the initial call. A suspect was arrested in Jefferson County on warrants prepared by the Dillon Police Department. There are still some items missing which Officers hope to locate in the next week.

Bryce Noctor (21 years of age) is being held in the Beaverhead County Jail on charges of burglary, with several other felony charges to be filed by the Beaverhead County Attorney's Office. There is no evidence to suggest there were any other individuals involved in these crimes.

I would like to personally thank all of the Officers, and their families who worked extra hours while sleep deprived to continue to make Dillon such a safe place to live and do business. Your continued efforts do not go without notice. I would also like to thank all individuals who were affected by these crimes for their assistance in the investigation. We truly live in a wonderful community who look out for one another.

A quick resolution, and arrest will certainly assist victims in dealing with the situation, however the feeling of mistrust will take some time. There are several people who are victims in this case including family members of victims, and the suspect as well. When individuals choose to make criminal decisions they very seldom stop to think that they also affect their own family.

Don Guiberson  
 Chief of Police

## Planning Board Committee

By: MJ

**Present:** Councilman Dan Nye (Chair), Russ Schwandt, Don Hand and Committee member Ed Mooney.

**Director of Operations Report:** Patti Monaco property on Ramshorn was discussed. The zoning commission sent her a questionnaire regarding the zoning of the area.

• **Beaver Pride Subdivision:** Director of Operations Todd Hazelbaker advised the committee that he was working with Clint Little regarding the improvement of Beaver Pride Subdivision. Todd believes Mr. Little has signed copies of the improvement agreement. There was discussion about an escrow for a bond. **Note:** Ed Mooney owns a subdivision in the same area of Beaver Pride. Mooney has lots for sale and does Beaver Pride. **Question:** Should Mooney have a vote or say on any action taken Planning Board on Beaver Pride as he is in direct competition and decisions made by him may or may not be a personal monetary gain for him and adverse to Beaver Pride?

• **Main Street Report:** Mrs. Lynn Giles reported they had a bread day fund raiser with Great Harvest and received \$8,600±. This has been set aside for a lamp post, a bench and waste paper basket. She also reported that she would like to see a sign on the highway that advertises "Historic Downtown Dillon." **Question:** *Is there some way we could beautify and make the Waste Pond area more appealing to people entering from Highway #43. If this area was beautified with trees and etc. it might encourage people to want to drive downtown and not just turn right at the interchange. If I was a tourist coming into Dillon for the first time from Twin Bridges I would not be interested in going downtown. Nothing tells me this is an inviting town or that people care. Yes, you do pass a nice golf course and several well landscaped homes but after that there is not a lot that says people have pride in their area. We need to remember that the downtown area is beyond the interstate interchange and we want people to continue through the red light, go past McDonalds and Safeway to get downtown to the historic district.*

### Attorney General Fox Seeks Input for Addressing Substance Abuse in Montana

Attorney General Tim Fox announced an effort through his office's Aid Montana initiative to gather input from Montanans regarding how best to address substance abuse.

"We want to hear from people across the state on how to effectively combat Montana's substance abuse problem," said Attorney General Fox. "Whether you're a healthcare professional, educator, social worker, or have experienced or work with the effects of substance abuse in your work, profession, or family, we want to hear your ideas for what needs to be done to fight this epidemic ripping through our state."

Aid Montana: Addressing the Impact of Drugs was launched by Attorney General Fox and the Montana Department of Justice in April 2017. Aid Montana will be a comprehensive approach to addressing Montana's substance abuse problem. Law enforcement, treatment, education and coordination efforts will be central components to the Aid Montana strategy.

"We need to know what works, what doesn't work, what's missing, what Montanans have found to be most effective through their experiences, and how our state's comprehensive approach to addressing substance abuse should operate in unison to combat this problem," Fox added.

Attorney General Fox highlighted four ways Montanans can send their ideas for addressing substance abuse directly to the attorney general's office.

- By visiting [www.dojmt.gov/aid-montana/](http://www.dojmt.gov/aid-montana/)
- By sending an email to: [AidMT@mt.gov](mailto:AidMT@mt.gov)
- By sending a message to the Aid Montana Facebook page
- By sending a letter to Aid Montana, Office of the Attorney General, 215 N. Sanders Street, Helena, MT 59601.

Over the summer, Attorney General Fox and the Montana Department of Justice will partner with the Montana Healthcare Foundation to hold six listening sessions across the state to hear real life experiences of individuals affected by substance abuse. The dates and locations for these listening sessions will be announced early next month.

The Department of Justice and the Montana Healthcare Foundation will hold a substance abuse and addiction summit

this fall to begin developing a comprehensive substance abuse prevention strategy built off of the input gathered from the listening sessions.

It's the goal of Aid Montana to have a strategic plan completed before the 2019 legislative session. Aid Montana will present a "roadmap" to lawmakers that outlines what needs to be done at the legislative level to efficiently and effectively combat this problem. Whether it be shifting resources to find where they are most effective, or changing laws to better reflect the reality of the problem, the Montana Department of Justice wants policymakers to have a clear understanding of what needs to be done.

## VOLUNTEERS NEEDED

There are never enough volunteers to keep up with the various chores at the Beaverhead Animal Shelter. They desperately need a volunteer to write the Thank You notes to all the wonderful individuals and businesses that donated items for their annual fund raiser ... can you believe, it has been a month already. They truly do appreciate each and every item donated, and need to let them know that. If you would like to help the Shelter, but cannot do any of the physical labor chores, please contact Susie at 406-683-8119 and offer to help. It can be done at your home. A list of those who donated items and the thank you notes will be provided.
