Mark James Simkins Jr. 1995 - 2017

A tragic accident took the life of Mark James (M.J.) Simkins Jr. of Dillon on May 30, a day after he turned 22. Born May 29, 1995 in Dillon, M.J. was passionate about his faith, family, football, community and education.

M.J.'s participation in athletics began on the corner of Bannack and California in Dillon, playing street football with his uncles and cousins. He further developed that competitive spirit participating in Little Guy Wrestling, Dillon Flag Football, Little League baseball, and Dillon Middle School basketball, wrestling and football. The competitive nature carried over to all aspects of his life.

As a young adult, M.J.'s maturation included developing personal philosophies on topics like politics and an intense desire to best prepare himself for his chosen career as an educator.

A 2014 graduate of Beaverhead County High School, M.J. helped the Beavers win State A football championship in 2011 and 2013, the later as a senior captain and all-state player.

M.J. continued his football career at Dillon's University of Montana Western. A secondary education major, M.J. earned Frontier Conference and National NAIA All-Academic honors.

M.J. played American Legion baseball seven years for the Dillon Cubs and earned all-conference and all-state honors. He has since his playing days given back to the sport as a little league and American Legion baseball umpire.

M.J. began working summers for Uncle Jimmy at age 16 on the grounds crew at Beaverhead Golf Course. M.J. loved working with his partners in crime Nathan, Marcus and Justin.

M.J. developed his sense of service to community helping his grandfather with the Dillon Elks Hide Drive and collecting donations for the Beaverhead Food Pantry. M.J. and his friend Donovan Hucke teamed as a volunteer coaching staff through their four years of high school, helping teach football basics in the DFL, a youth flag football league.

M.J. belonged to St. Rose of Lima Catholic Church and was a first degree member of Knights of Columbus Council #4069.

M.J. embraced a love of family and attended and participated in all formal and informal gatherings of his extended family. He regularly engaged in almost nightly political debates and

Letter to the Editor

City Election Filing Date

We are all tired of elections. But it is not over. The most important one is coming up soon our local election. The date to file is June 17, 2017 at the Clerk & Recorder at the County offices. Local government has a direct impact on our day to day lives in Dillon so it important to become involved.

This year is time for the election of 5 council seats and the Mayor. If you are interested in participating in an important role consider running.

For council seat you have to be over 18 and a resident of the Ward you are seeking. See the City Web Site to determine which Ward you are in.

Here are following that are open.

- Ward 1 one seat currently John Garry
- Ward 2 one seat currently Russ Schwandt
- Ward 3 one seat currently Bill Shafer
- Ward 4 two seats currently Jim McIsaac & Mandy Maas

Mayor Mike Klakken
 Judge Chrystal Thompson

Being Mayor or a Council member can be challenging. The more good people become involved the easier the job can become. No matter your education or experience each person has value to contribute so think about running.

Dillon is a great place to live but it is hard times for small cities. It will take hard work & determination to keep moving forward. Think about your life & find a few hours a week to participate in this important function.

June 17 will be here quickly. Register now before you miss the opportunity.

Visions and Values

By: MJ

Vision provides direction, sense of purpose and clear focus. Values provides a clear focus, belief, confidence, and outlines the appropriate behaviors needed for team work and ultimately successes.

What is VISION? A vision is a photograph of an organization at some point in the future. The vision provides direction and describes what you are trying to achieve in the future. A vision defines the strategic planning process.

Visions are: 1) A tool for recognizing a logical framework to set goals by. 2) Visions provide a way to understand the future environment within the area they operate. 3) Visions provide a common goal for which a team can build on and resolve conflicts. 4) A vision provides what is reality today and what will be reality in the future. 5) A vision will help organizations to simplify the decision making process. 6) A common vision will provides a platform that will prevent conflict that occur between different hierarchical levels... 7) A vision will empower people involved with many different teams.

It appears to me that many organizations and the city of Dillon lack a detailed vision plan. Yes, the city has a Charter, a CIP Plan, Zoning document, Growth Plan, hundreds of Ordinances, a Water/Sewer Department, Street and Alley department, Parks and Playgrounds department... City has everything they are required to have according to statutes.

The Vision Plan referenced above is a plan that takes the next step beyond those plans. A vision plan will provide the photograph that gives directions and details to work with that will move the community into the future. What the people have today is a city plan on what you won't do and are not allowed to do. A plan that gives incentive to reach for a thriving future or builds teamwork where people are inspired appears to be lacking... A vision plan would provide the glue for the individual community organizations and clubs to work toward an interconnected long term plan.

The community is fragmented. You have a small group of people doing their thing in one corner then another group in the opposite corner and so on. There is no cohesive plan for all these groups to work from that has a true detailed vision. If this plan existed then conflict would be taken out of the equation, knowledge would be gained and a unique approach to both transformation and empowerment would be evident.

Update on Regina

Most people know Regina from Womack's Printing as "The Photo Lady" or Taco Johns where she spends some weekends. Regina choked in January and during the scope test her esophagus was torn. She has been back to work, but today she went back to have the procedure done to find out why she chokes easily. We hope you will keep her in your prayers and we are looking forward to her being back to work tomorrow as the doctors think she should be able to do.

For her benefit last month, a gun and quilt were donated that the donors requested they be raffled in hopes that they would make her a little more money then at auction. There was only a week to do the tickets and sell them, so it was decided that the drawing would be in August on Regina's birthday. Those two items and a camera donated by Womack's are at this time being raffled. \$10 per ticket or 4 for \$20. Tickets are available at Womack's Printing, 126 N. Montana St.

The first person drawn gets the first choice of the prize they would like.

Thank you to all those who have donated and showed her love and support through this time of financial and emotional stress.
