James Lee Christensen 1942-2017

Jim Christensen was born in Dillon, Montana, on June 3, 1942, and passed away on June 11, 2017. He grew up in Grant Montana, going to grade school in Grant and high school in Lima. He worked as a cowboy, a miner, a fencer, and then finally found his career at the Forest Service as range technician. Jim married Sherry Thompson on November 21, 1970. He retired from the Beaverhead-Deerlodge National Forest Dillon District in 2001, and worked as a range manager for The Draggin Y Cattle Company until 2017.

Jim was preceded in death by his father Lee, mother Sarah, brother Reid and sister Judy. He is survived by his wife Sherry; sons Brad and Brett (Kathy); granddaughters Hannah (Bre) and Emma; brothers Jack and Keith; sisters Jessie, Jean, and Jaye.

Jim was an avid outdoorsman, always looking forward to the spring, and summer, and fall months and the different activities such as fishing, hunting and observing wildlife. His favorite place in the world was Selway Meadows in the spring when the wildflowers were blooming and the elk calves were being born.

There will be a private service at the Brundage Funeral Home. Please make any memorial contributions to the Dillon Humane Society. There is a guestbook available online at www.brundagefuneralhome.com

Letter to the Editor

Having grown up in Dillon, my wife and I returned about four years ago. Since then I have become involved in several organizations and boards including the City Planning Board (three-plus years) and, until recently, the Zoning Commission (two-plus years). Marge Jappe (a.k.a. MJ), who lives just outside the City limits, has provided entertainment with her musings in the Dillonite concerning the Zoning Commission and the Planning Board. While it has often been difficult to square Mrs. Jappe's claims with the facts, I will focus on insinuations made about me in her May 31 and June 1 pieces.

First, consider Mrs. Jappe's claim that as a member of the Planning Board and a developer I would have a conflict of interest when reviewing any subdivision application. While this claim would have some merit if I were an active developer, I am not; if I was, I would not serve on the Planning Board or the Zoning Commission. My wife and I did a minor (5 lot) subdivision over ten years ago in anticipation of our move back to Dillon. We have our house on one of the lots and only one is for sale, so the claim that I am in competition with Beaver Pride or any developer is also false. Finally, I was involved in the review of the Beaver Pride subdivision and at that time I publicly disclosed my potential for a conflict of interest as a neighbor to the development. I would have recused myself from voting if my vote would have resulted in personal gain or been at odds with the City's interests. I voted for approval of the preliminary plat and the first phase of the subdivision.

A second issue which may have motivated Mrs. Jappe's attack is the status of Beaver Pride's improvement agreements. These agreements, which were included in the approved final plat application, obligate the developer to complete sidewalks within three years of the final plat approval and public park landscape improvements (including a segment of walk-bike trail) within one year. The plat was approved on August 7 and recorded August 18, 2015. There seems to be some confusion regarding the location of the signed improvement agreements and/or the escrow security deposit. Regardless, having grown up in Dillon I still consider a handshake to be as good as a contract – a deal is a deal. I will continue to press for resolution of this issue as both a citizen and a member of the Planning Board.

In conclusion, Mrs. Jappe's negativity and personal attacks can be very destructive. I respect her views but call on her to up her game when commenting on the activities and members of the City's boards and commissions. More time spent verifying her facts and offering well-researched solutions to the City's problems would serve everyone better. Meeting minutes for all City boards, committees, etc. are available in the City Council meeting packets at www.dillonmt.org under Agendas and Minutes.

Montana Department of Justice Launches Webpage to Assist with Marsy's Law Compliance

The Montana Department of Justice announced a new webpage to assist local law enforcement and county prosecutors with Marsy's Law implementation and compliance, as well as provide victims and victim advocates with information and about the new law.

"Our Marsy's Law webpage is a one-stop shop for victims, victim advocates, law enforcement, prosecutors and anyone else interested in how the law works," said Montana Attorney General Tim Fox.

The webpage is one of multiple efforts by the attorney general's office to assist with compliance. Other efforts included facilitating legislative efforts (HB600), training at the Montana Law Enforcement Academy, and speaking engagements to educate and raise awareness.

In addition to assisting with Marsy's Law implementation, the new webpage also fulfills requirements that certain information be made available.

Article II Section 36 sub (1)

(r) to be informed of the above rights and to be informed that the victim may seek the advice and assistance of an attorney with respect to the above rights. This information must be made available to the general public and provided to all crime victims on what is referred to as a Marsy's card.

HB 600 (Rep. Frank Garner), directed the attorney general's office to develop a model "Marsy's Card," and make the card available to local law enforcement and prosecutors.

You can view the webpage at: https://dojmt.gov/marsys-law/ About Marsy's Law

Constitutional Initiative 116 (CI-116) also known as "Marsy's Law" was passed by Montana voters in 2016. The initiative amended Article II, Section 36 of Montana's Constitution to include nineteen constitutional rights that make up a "victims' bill of rights."

For more information about this program, you may call Jim Keef at 683-0062 or 660-0880.

THANK YOU

We would like to personally thank everyone that either gave food, their Time, or donations which made the fund-raiser buffet for Scott Saturday, June 3rd 2017, At Los Koritas a huge success!

It is wonderful to see how quickly and selflessly a community like Dillon can pull together when one of our fellow families is in need. Your donations will be rightfully used and are a HUGE blessing to our family.

We also want to thank all our friends and neighbors that made donations through the Go Fund Me page that was set up by one of our friends and the medical fund acct at Wells Fargo.

For anyone who has not gotten the chance to donate you can still do so online at www.gofundme.com by searching Scott Chagua! ***Thank you Dillon!!***

Sincerely,
Fortunato, Erika, Scott & Adalis Chagua
