Verizon Tower

By: MJ

Present: Chair Raymond Graham, Members; Doug Franks, Jackie Erfle, Tim Stoker, and Dan Nye. A robust discussion took place on the Verizon Tower to be placed at old Williams Feed store.

Certificate: Verizon Wireless Tower located at old William's feed building was a topic of discussion. Committee persons Nye and Garry expressed the want for a 3rd party to evaluate the Verizon's application submitted. Director of Operations reported he was having problems when trying to find another professional engineer to look at the contract.

The committee called and spoke with Paul, a Verizon representative via a phone call. **Questions** were asked by the committee members. **NOTE:** Paul's answers to questions are in italics.

Questions and Answers: (1) Can the tower be located in another area and why is tower 125 ft. high? *(Paul) The updates and to achieve objectives & capabilities the additional height is needed. It is important to stay close to vicinity now in order not to disrupt services. Important to duplicate coverage as it is now and not reduce it.* (2) What is cost to improve services in current location? *(Paul) Around \$200,000±.* (3) What concerns do we have with radiation? *(Paul) Microwave is very concentrated. Verizon has FCC license and they have strict guidelines. Verizon operates at low power. Power decreases rapidly as you move away from the tower.* (4) Can we get a decorative tower? *(Paul) Decorative towers are out there, like pine trees.* (5) What are they going to do with the existing grain bins? *Paul stated, "I understand they are going to remove them however I do not have conformation of that." The benefits of the new tower are, quicker data service, improve speeds and will move users to the latest and greatest service.* (6) There is a fiber optic cable close to the tower. Would this make a difference? *(Paul) A fiber optic cable makes it easier to build the site and may be able to illuminate one of microwaves.*

Chairman Graham reported he had spoken with the attorney and the indication was unless the city could prove there was a better place for the tower the city would have to allow it.

Stoker & Public Members: Reality is these things are coming and we should figure out how to embrace it. He suggested going around and talking to public members that will be impacted. Members in public stated that the way of doing business today is with a cell phones and to support those business and improve the economy we need to move forward with updated technology.

There will be a public hearing July 11th at City Hall on the tower. The committee is asking the Verizon representative to be present at that hearing to answer any question the public might have.

IRS Warns of New Phone Scam
Involving Bogus Certified Letters; Reminds People to
Remain Vigilant Against Scams, Schemes this Summer

The Internal Revenue Service warned people to beware of a new scam linked to the Electronic Federal Tax Payment System (EFTPS), where fraudsters call to demand an immediate tax payment through a prepaid debit card. This scam is being reported across the country, so taxpayers should be alert to the details.

In the latest twist, the scammer claims to be from the IRS and tells the victim about two certified letters purportedly sent to the taxpayer in the mail but returned as undeliverable. The scam artist then threatens arrest if a payment is not made through a prepaid debit card. The scammer also tells the victim that the card is linked to the EFTPS system when, in fact, it is entirely controlled by the scammer. The victim is also warned not to contact their tax preparer, an attorney or their local IRS office until after the tax payment is made.

"This is a new twist to an old scam," said IRS Commissioner John Koskinen.

EFTPS is an automated system for paying federal taxes electronically using the Internet or by phone using the EFTPS Voice Response System. EFTPS is offered free by the U.S. Department of Treasury and does not require the purchase of a prepaid debit card. Since EFTPS is an automated system, taxpayers won't receive a call from the IRS. In addition, taxpayers have several options for paying a real tax bill and are not required to use a specific one.

Tell Tale Signs of a Scam:

The IRS (and its authorized private collection agencies) will never:

Call to demand immediate payment using a specific payment method such as a prepaid debit card, gift card or wire transfer. Generally, the IRS will first mail a bill to any taxpayer who owes taxes. All tax payments should only be made payable to the U.S. Treasury and checks should never be made payable to third parties.

Threaten to immediately bring in local police or other law-enforcement groups to have the taxpayer arrested for not paying.

Demand that taxes be paid without giving the taxpayer the opportunity to question or appeal the amount owed.

Ask for credit or debit card numbers over the phone.

For anyone who doesn't owe taxes and has no reason to think they do:

Do not give out any information. Hang up immediately.

Contact the Treasury Inspector General for Tax Administration to report the

NOW THEREFORE BE IT PROCLAIMED, by the Beaverhead County Mental Health Local Advisory Council, under the auspices of the Beaverhead County Commissioners, that Howard will be honored not only today but every year by the creation of the annual Howard Gaines Behavioral Health Community Service Award. This award shall be presented each fall at the annual MHLAC conference, the Big Sky Behavioral Health Summit, to a community member who has exemplified, as did Howard Gaines, exceptional dedication to the improvement of behavioral health services in our beloved county.

Passed on this 8th day of May, 2017

Beaverhead County Mental Health Local Advisory Council Beaverhead County Commissioners

The Proclamation was accepted by Howard's wife of many years, Mrs. Kay Gaines. Their daughter Krista Malesich, son-in-law, Mark Malesich, and four of their twelve grandchildren, Marshal, Bryce, Jackson, and Hailey from Belgrade, Montana were also present.

Do You Know the Truth... What brings blessings and happiness to a nation?

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---
Two scriptures come to mind when considering this subject.

#1. Psalm 33:12 states, "Blessed is the nation whose God is the Lord; and the people whom he has chosen for his own inheritance."

#2. Psalm 144:15 echoes the same thought. "Happy is that people, that is in such a case: yea, happy is that people, whose God is the Lord."

The terms 'blessed' & 'happy' are synonymous. Definitions of these words are: "blissfully happy or contented, pleased, delighted, and favored by fortune."

Most people would like to be happy, content, pleased, and favored by fortune. Loyal Americans would like our nation to be happy, content, and favored by fortune. We often see the slogan "God bless America" on bumper stickers. But will God bless a people that have openly rejected Him and the commands He has given us to live by in the Scriptures? The answer to this question is an emphatic **NO, HE WILL NOT!**

God stated a law which all have seen in action, but many live as if they don't believe this law will have any effect on them. This law, sometimes referred to as "the law of the harvest," is stated in Galatian 6:7, "Be not deceived; God is not mocked; for whatsoever a man soweth, that shall he also reap."

America was established by God-fearing people who believed and practiced the principles written within the Bible. We were blessed greatly by God because of this.

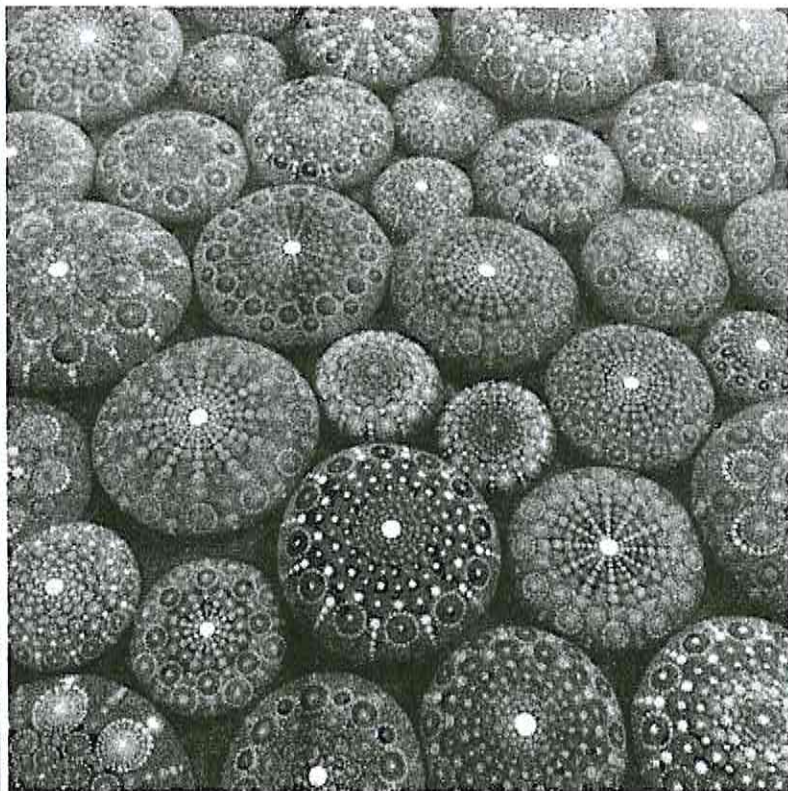

The 'law of the harvest,' however, is at work in our nation as many Americans have chosen to get rid of God, the Bible, prayer, and God's principles for living.

We'll continue considering this subject next week. Some quotes by Abraham Lincoln, one of the greatest presidents in our nation's history, will be included.

Conclusion: Want happiness? Make God...Jesus Christ...your Lord.
