Richard "Rick" Caizza, 69

Richard "Rick" Caizza, 69, of Darby went peacefully to join the Lord on June 21, 2017. Rick was surrounded by his loving family in his home. He passed on doing the one thing he never missed, watching his Seattle Mariners, who went on to win 7 - 5.

Rick was born December 31, 1947 to Philip and Isabelle Caizza in Hamilton, MT. He was raised in Darby by his mother after his father, Philip, passed away when Rick was

still a baby. He attended Darby High School and loved his community.

In 1968, Rick was drafted into the United States Army and sent to Vietnam where he proudly served his country. After returning home he met the woman he would spend the rest of his life loving and cherishing, his wife, Susan Caizza. They would eventually bring three beautiful daughters into the world, Stacey, Shawna and Samantha.

Throughout Rick's life he worked at various lumber mills as a saw filer. He loved his work and was devastated at the closure of Stoltz and Darby Lumber. These closures would eventually send him to Washington in 1999 where he worked at Reicherts Shake and Fence until retiring home to Darby in 2005.

Rick was preceded in death by his father, Philip Caizza; his mother, Isabelle Vaughn; and his dear sister, Norma Flammond. He is survived by his loving wife, Susie Caizza of Darby; 3 daughters, Stacey Luedecke and husband Mike of Coeur d'Alene, ID; Shawna Disterhaupt and husband Aaron of Coeur d'Alene, ID, and Samantha Caizza of Newport, OR; 3 brothers, Tom Caizza and wife Ginny, Sam Caizza and wife Jackie and Chuck Molenda and wife Susie; and his precious grandchildren and great-grandchildren.

Funeral services will be held on Saturday, July 1, 2017 at 11:00 am at the Church of Jesus Christ of Latter Day Saints in Darby (107 Tincup Rd, Darby) with graveside services with full military honors following at Lone Pine Cemetery in Darby. There will be a reception following the graveside services back at the church.

The family suggests that memorial be made in Rick's name to the charity of the donor's choice.

CONGRATULATIONS TO PAT CARRICK
Pat Carrick was elected to USA Board of Directors for Doctors without Borders. This is a well deserved honor for her years of service with the organization.
Pat has served unselfishly and traveled to many countries with Doctors without Borders and the knowledge and experience will serve the board well.

City Hall June 15 2

By: MJ

Present: Councilman Straugh, Hand & Councillady Maass.

Straus Contract: Mr. Neal Straus, the City Treasurer presented a letter that clarified questions ask at the previous City Hall meeting about his contract. He explained that he disagreed with the States way of calculating his retirement as a part time employee. He went onto explain that he wanted to be responsible for his own retirement plan. Montana Employees Retirement System (PERS) is optional for elected officials. Once you opt into the system it is difficult to opt out. An abundance of discussion between committee members, Mayor Klakken and Mr. Straus continued. *Motion was made and passed that the issues would be tabled for one month until committee can understand and have a clear view of the contract.*

Emergency Button: Director of Operations reported he is getting bids and should have them for the committee by the next meeting. City is looking at putting five (5) buttons in. There are several options of where the buttons are place, where the read out will show...

Rental Agreements for City Hall Use by outside entities: Two (2) agreements were presented to the committee. One was drafted by City Attorney and one was an example of what other cities have. Tabled for further information.

Beaverhead-Deerlodge NF Offers Abundance of July 4 Recreation Opportunities

As the July 4th holiday approaches, the Forest Service would like to remind those who are planning for the holiday weekend that there are great places throughout the Beaverhead-Deerlodge National Forest to visit. The forest has over 3,200 miles of trails, 76 campgrounds, picnic and recreation areas, as well as being home to the Anaconda Pintler Wilderness and the Lee Metcalf Wilderness.

Among the traditional camping, hiking and fishing activities, visitors are known to also enjoy wildflower viewing, photography, exploring the back country and a multitude of family activities. Additionally, there are 25 rustic cabins available throughout the forest for rent during the summer and fall hunting season. Go to www.recreation.gov to find out more and to reserve a cabin or a campsite.

Before you plan your trip, check for current road, trail and campground conditions by contacting the Forest Service, or go online to www.fs.usda.gov/bdnf, always check to see what the current weather conditions are and go prepared for changing conditions. Visitors are cautioned to stay on the road to avoid getting stuck or starting wildland fires and to pay attention to road closed signs.

Many trails may not be open at higher elevations due to snow, high water or trees that have fallen across trails. Please stay on the trail and do not create new trails to get around hazards. Trail users should expect many trails to be impassable from fallen trees.

Visitors are also asked to be careful when recreating in the forest due to the potential for trees to fall. Here are a couple of handy tips:

- Be aware of your surroundings and avoid dense patches of dead trees.
- Trees can fall without warning; place tents and park vehicles in areas where they will not be hit if a tree falls;
- Stay out of the forest when there are strong winds that could blow down trees, especially in areas where there has been fires or stands of trees that have been killed by bugs.
- If you are already in the forest when winds kick up, head to a clearing out of reach of any potential falling trees.

Bears, both black bears and grizzlies, are out and about. Keep your camp clean and store food out of reach of all animals. The Beaverhead-Deerlodge NF requires all food and other items that might attract bears to be stored where bears can't access them at night and during the daytime when food and attractants are

not attended. 'Attended' means that a person is physically present within 100 feet and in direct sight of the food or carcass. While attended, food and attractants do not have to be stored. To find out more about bear safety and links to certified bear resistant products go online to the Beaverhead-Deerlodge NF web page at www.fs.usda.gov/bdnf.

The Forest has a bear-resistant container loaner program to help forest visitors comply with food storage regulations. Forest visitors can check out a variety of bear-resistant containers such as horse panniers, backpacking "bear barrels" and the popular yet cost-prohibitive bear-resistant coolers for their planned outings. There is a limited supply of these containers, so contact your local Beaverhead-Deerlodge NF office for details.

Visitors are cautioned to be extremely careful with fire, fuels such as grass, shrubs and trees are beginning to dry out.

Fireworks are prohibited in National Forests. Fireworks and dry grass and trees are a bad combination. Never leave a campfire unattended. Make sure your campfire is extinguished completely and the coals are cool to the touch before you leave.

Human caused fires are one of the factors fire officials use to determine if fire restrictions are necessary. Currently, there are no fire restrictions in effect in SW Montana. However, weather and fuel conditions can change quickly. To stay up to date with fire restrictions go on-line to <http://firerestrictions.us>.

For more information, call the nearest Forest Service office to the area you wish to visit.
