SEVENTH ANNUAL CEMETERY WALK

The Beaver Head Hunters Genealogical Society will host the seventh annual Cemetery Walk on Friday, July 28. We will begin at 6:00 pm in the Mountain View Cemetery—follow the arrows and balloons to the starting point. You are encouraged to bring a folding chair and water for your comfort during the presentations.

This year we will be highlighting three women from the Dillon area. First we will learn about Clara Griffith, a more recent Dillon resident who is the ancestor of presenter Charlene Macioroski. Early day resident Emily Conger, the wife of Judge Everton J. Conger, will be presented by Lynn Giles. The last presentation by Jean James will be of Blanche Lamont who was propelled to national prominence by her death.

DILLON CUBS HEAD HOME

The Dillon Cubs have been in Butte since Thursday for the Southern District A Tournament where they won their opening game against the Bozeman Bucks. Saturday the Cubs had to play the Bucks again in a rematch. Jace Fitzgerald pitched for the Cubs and stopped the Bucks offense taking the win for the Cubs 14-4 moving them into the consolation championship Sunday against Gallatin Valley.

The Cubs had gotten into a must win two game situation and took care of both of them. The Saturday morning game saw Jamey Richardson pitching for the Cubs against the Livingston Braves. The 10-0 win advanced the Cubs and sent the Braves home at the end of their season. R.J. Fitzgerald led the team with two RBI's while six other Cubs each sent one run in.

In the Bozeman game, the Cubs got off to a 3-0 lead in the first inning but the Bucks came back and tied it at their first time up. Hunter Wenworth had several great hits and after his double came R.J. who hit down the third base line and send Wentworth home to score. Nick Huber had a single advancing R.J. and he scored after a balk. The Bucks had a couple errors that scored Huber bringing the lead to 6-3 for the Cubs. Later in the game Jace Fitzgerald was hit by a pitch to load the bases. Jade Morast hit a double down the third base line sending all three Cubs over the plate. Morast led the Cubs with four RBIs and Wentworth had a triple added to his two doubles for the day.

The young Cubs team played better as the weekend went bringing them to the Sunday 10 am game against Gallatin Valley.

The Cubs played hard leading most of the game. Going into the 6th inning they lead 4-2. The bottom of the 6th was not good for the Cubs as Gallatin Valley got their hot bats going and went through their line up scoring seven runs. The Cubs came out in the 7th but couldn't come up with the runs needed to get the win.

NEW BUS STANDARDS

The Montana Office of Public Instruction has new bus standards when it comes to the 2017 school year. The Board of Public Education has approved the changes.

Updated bus standards for school districts include clarified video monitoring policies for drivers as well as increased training hours.

The new standards will be in effect as of Oct. 13, and school transportation directors will be in charge of understanding and complying with the changes.

Drivers must now have at least 15 hours of training, as opposed to the 10 hours they were required to have in prior years. If there are not enough cameras to monitor student and driver behavior, they must be rotated among the different bus routes.

School bus evacuations must be conducted at least twice per school year and must include all students whether they ride to and from school or not.

The standards also now include the requirements set by the Every Student Succeeds Act, which requires certain rules be put in place to provide transportation to students who are homeless as well as those in foster care.

Bus standards are at the Office of Public Instruction website under the programs tab. Click school programs, then pupil transportation.

THE BOBBY JOE TURNEY
MEMORIAL SCHOLARSHIP FUND

The winner of the Bobby Joe Turney Memorial Scholarship Fund for 2017 in the amount of \$500 is Skielar Magar. Skielar's plans are to attend University of Montana-Western to pursue her dream of becoming an elementary Educator.

The fund was established in Bobby's name by his family to memorialize Bobby in an honorable manner. Bobby was a positive influence and mentor in the community. He dedicated his entire life to his family and friends. He believed in working hard to achieve the success of owning and operating his family businesses. He also had a passion for fun. We want to ensure Bob's name lives on and everyone remembers his bighearted love for life. The scholarship fund is a way to let his legacy to live on.

These young people were chosen by submitting a personal essay describing FAMILY values, future goals, past or present community involvement and ways that this scholarship will assist in attaining their goals. In addition candidates must submit two letters of recommendations that address the candidate's personal and academic accomplishments.

"Dreams and dedication are a powerful combination." -William Longood

The fire did not have a lot of movement to the east and was relatively quiet Saturday. A good fuel break and handline is in place for the residences around Moose Lake.

The temporary flight restriction (TFR) has been enlarged significantly to encompass the area for both fire. For more information on the TFR go to <http://tfr.faa.gov/>. Please respect the airspace and do not fly drones in this area.
