Bud Dawson

Former Jackson resident Bud Dawson, 41, passed on Monday, July 17 2017.

Bud was born May 7, 1976 in Texas to Tom and Delila Dawson.

Bud enjoyed the outdoors, skiing, traveling, amusement parks, casinos, old western, NASCAR and spending time with family and friends when he wasn't on the road. Bud is a US Army veteran of 123rd MSB

Battalion, 1st Armor Division serving stateside and overseas. Bud was a class of 1996 graduate of Beaverhead County High School.

Bud drove for JB Hunt for the last 9 years as a long haul driver and enjoyed the solitude that driving gave him. Before that he was an international driver.

Bud is survived by his wife Jennifer of Milton, Washington. Mother and father Tom and Delila Dawson of Jackson, MT; brothers, Troy Dawson of Jackson, Clyde (Jennifer) Dawson of Mansfield, Texas and Travis Dawson of Jackson, Sister Stacie Lindquest of Hibbling, MN, nephews and nieces, Dusty, Brock, Loghan, Jillian and Allora, Aunts, Uncles, Cousins, Coworkers, Battle buddies and so many friends that he considered family.

Bud was preceded in death by his Aunt Elizabeth Shaffer, Uncle Ray Dawson and Uncle Dale Thompson.

Bud was a gentle kind, caring and giving soul and he will be missed.

Family style pot luck will take place at Tom and Delila's house on Sunday, July 30th at 4 pm to honor Bud. The memorial service is scheduled for August 5th at Weeks' Funeral Home, Buckley, WA. Services will begin at 10 am.

Please send all condolences to PO Box 21, Jackson, MT 59736. The family would like to collect letters and photos from friends all over the world to compile a memory book for his family to enjoy for years to come.

"But now that I'm gone all that I can give are memories of me in your heart to live. So until we can be together again, leave room in your heart for another friend."

Jefferson Co. Sheriff Requests Division of Criminal Investigation Assistance in Death Investigation

On July 23, 2017 at approximately 6:30 a.m., the Jefferson County Sheriff's Office requested the investigative assistance of the Montana Department of Justice's Division of Criminal Investigation (DCI) to assist with the suspicious death of an adult female found roadside near Jefferson City.

A citizen discovered the body Sunday morning and alerted public safety officials. Local ambulance responded and contacted law enforcement after making initial assessments on scene that indicated the death was suspicious. Confirmation of identity and cause/manner of death is pending until an autopsy is performed, which is scheduled for later today. Based on the initial investigation, it has been determined that there is no immediate threat to the public.

The case is being investigated jointly by the Jefferson County Sheriff's Office and the Division of Criminal Investigation, with support from the Lewis and Clark County Sheriff's Office, Helena Police Department, Butte-Silver Bow Law Enforcement Department and the Montana Highway Patrol.

More information will be released when it becomes available.

Teen Vaccination Awareness

The 2017 MT TeenVax Challenge is part of a multi-year campaign that focuses on increasing awareness about the importance of teen vaccines. The Challenge is in partnership with the Montana Chapter of the American Academy of Pediatrics, the Montana Academy of Family Physicians & the Blue Cross Blue Shield of MT Care Van program.

This Challenge is an opportunity for parents/guardians of 11-17 year olds to enter their teen's name into a drawing for a \$50 Amazon gift card if they have received at least 1 Tdap, 1 MCV4, and 1 HPV vaccine (at any time). Only one entry per teen. At least one gift card per county will be given away. Parents/guardians can enter by going to the DPHHS website at www.immunization.mt.gov. On the MT TeenVax page, look for the blue "Click Here" icon.

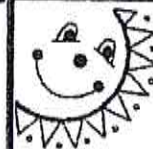

The deadline to enter is October 31, 2017. Winners will be announced in November 2017.

Beaverhead County Public Health works hard to improve coverage levels for adolescent vaccines in the county and hope this program will help improve levels even more. The MT Teen Vax campaign highlights the importance of adolescent vaccines statewide.

The recommended vaccines for teens are tetanus, diphtheria, pertussis (Tdap), the human papillomavirus (HPV) series, and the start of the meningococcal (MCV4). These vaccines are routinely administered at age 11-12 years and catch up for those age 13 years and older who missed vaccination. Influenza, "the flu" vaccine, is recommended every year. These vaccines are a safe and effective way to help teens start a healthy adulthood. The Tdap is a requirement for entry into 7th grade.

Sue Hansen RN, Public Health Director, states, "Public Health offers school vaccination clinics every October and will be offering these vaccines and more at that time. This is a convenient way to get students updated with all the recommended vaccines. However, immunizations are available any Wednesday from 9 am to 1 pm and 2 - 5 pm at the public health office."

Now is a great time to check your child's immunization record and see if they have received all the recommended vaccines," said Hansen. "If you have questions about any of the vaccines, please call Beaverhead County Public Health at 683-4771."

The Southwest Montana Veterans Memorial is in the process of obtaining a bronze plaque to be placed in the memorial on N. Montana Street to honor Joe Carroll for his memorable service and the sacrifices he made for the United States during World War II.

The plaque will be designed by Joe and his family to display what he wants it to say.

We hope to have it designed, cast and installed by the end of summer.

We will start fund-raising soon. We already have some donations.

Any businesses, ranches, service organizations or individuals wishing to donate to this worthy cause will be greatly appreciated. Send donations to:

Letter to the Editor

As Montanans, myself included, we tend to be skeptical where the federal government is concerned, and even more so, with their top down approach to land management. That being said, I support Interior Secretary Ryan Zinke's revisiting the national monuments to evaluate whether the monuments are truly meeting the requirements set forth in the Antiquities Act. I further support Secretary Zinke's recommendation to maintain the monument designation for the Upper Missouri River Breaks, here's why: Substantive changes to any monument designation will likely trigger litigation from the environmental community, which will only add costly delays to otherwise workable solutions, versus solving any real problems. Instead, our policy makers should focus on what is realistic. I prefer a local control solution, where local stakeholders, public officials and landowners are given deference in the management plan for national monuments, including the Upper Missouri River Breaks.

Having served with Secretary Zinke, during his time as a State Senator, I assure you that feels this is the path to the best and most realistic outcome for Montana. We as a State are very fortunate to have Secretary Zinke in his position to help lead this effort.
