William Franklin Reynolds Sr., 76

William Franklin (Bill) Reynolds Sr. passed away on July 27, 2017; he was 76. Born October 8, 1940, in Butte Montana, he was the seventh born in a family of 15 brothers and sisters to Wallace and Wilberetta Reynolds. Bill was raised in Melrose, MT and graduated from Beaverhead County High School in Dillon in 1958. Following graduation, Bill enlisted in the Navy, serving two years in Vietnam and 10 years total active duty. Bill went on to work for the Naval Civil Service in Long Beach, California for the next twenty-three years. Bill accumulated a total of thirty-three years of service before retiring in 1994 as Project Superintendent at Long Beach Naval Shipyard.

Bill met and married his love, Rose Romero, on July 21, 1962, which they had four children, Mary Rose, William (Bill) Jr., Denise Michele, and Robert Alan. Unfortunately, Bill and Rose later divorced in 1990. Bill always said he was going to move back to Montana one day. Upon his retirement, Bill returned to Montana in 1994 and resided in Dillon until his death. Bill was an avid hunter, fisherman, golfer, and friend. He loved being outdoors with friends and family. He enjoyed going for rides in the mountains in his truck, razor, or 4-wheeler. Bill loved playing cards downtown and cribbage games with family.

Bill was preceded in death by his parents, sisters Geraldine and Linda, brother Duane, and both daughters, Mary Rose and Denise Michele.

Bill is survived by his two sons and their wives, Bill Jr. (Tracy) of Cascade, Robert (Michelle) of Dillon. He is also survived by four grandchildren, Bill Reynolds 3rd, Scottie Durnell, Kaitlynn and Kara Reynolds; and great-grandchildren Rory Aldon Reynolds, and soon to be Oriskan James Curlee; siblings include Tom (Shirley) Reynolds, Donna Umland, Mae (Bert) Robinson, Diane (Curly) Martin, Jim (Barbara) Reynolds, Joyce Larson, Larry (Cheri) Reynolds, Terry Reynolds, Patsy (Ron) Elings, Lyle (Bernadette) Reynolds, and Kristie (Joe) Piazzola and numerous nieces and nephews.

A celebration of Bill's life will be held on Saturday, August 5, 2017, at 11 o'clock at the Mountain View Cemetery. A reception will follow at St. Rose of Lima Parish in Dillon. A guestbook is available at www.brindagefuneralhome.com

Patriot Guard

By: MJ

You might have seen the flags flying at Mr. Salvo's services on 7/29/2017. It was a sight that warms a heart to see the respect, honor and commitment shown to a veteran that fought for the FREEDOM of America.

The Patriot Guard stood outside the services holding flags upright. At the end of the service they then mounted their motorcycles with flags flying and escorted the veteran to the final resting place. They also meet the planes of returning vets and much more.

The Patriot Guard is a group of riders that has an unwavering respect for those who risk their lives for America's freedom and security.

MEYERS AND WHETSTONE RIDGE FIRES

Both the Meyers and Whetstone Ridge fires were discovered the middle of July and are South West of Philipburgs. The Meyers fire has burned about 1082 acres and the Whetstone Ridge is at 2245 acres with both at 0% containment.

Fire crews are continuing to make good progress on the fire line and shaded fuel break construction. For both fires current total length of the fire break is 1 mile of hand line, 5 miles of dozer line and 9 miles of shaded fuel break. This is 31% of the planned fire break. The structure group has triaged / prepared 82 structures nearest the fires. This is a long duration event and the objective is to use indirect suppression strategies to guide the fire into natural and manmade barriers.

Letter to the Editor

While the free-market system is adequate for delivering most goods and services to consumers, it's not so good at delivering health care to patients. This is because for-profit medicine and health insurance, despite what their advertising declares, have as their primary concern the profits of their shareholders rather than the health of their customers.

Those of us who would like to see a single-payer or Medicare-for-all system, a system from which the profit motive has been stripped, are up against a heavily financed campaign to demonize the single-payer idea. A recent guest editorial in the Dillon Tribune written by the head of the Pacific Research Institute is a typical attack against single-payer.

The Pacific Research Institute is a "think tank" paid by large corporations to propagandize on their behalf. PRI were paid by Phillip Morris, for example, to convince people that tobacco is not addictive. And they're currently being paid by Exxon Mobile, Peabody Coal, and Koch Industries to persuade people that climate change is not related to the use of fossil fuels.

So when you see a PRI guest editorial using half-truths and lies to argue against single-payer, you can be pretty sure that they're being paid a lot of money by companies like Aetna and Anthem. You see, single-payer would cut deeply into their profits.

The editorial in the Tribune took special aim at the Canadian healthcare system, which is basically a single-payer system. The writer claimed that waiting times between patients' being referred by a general practitioner to a specialist and the patient actually seeing a specialist averaged twenty weeks, or about five months.

This is a massive lie. According to Olga Khazan, writing in the Atlantic in 2014, "Canada's free system comes at the cost of greater wait times for some services. . . . The Commonwealth Fund found that 33 percent of Canadians waited six days or more to see a specialist." That's six days not five months!

Despite what for-profit health insurance propagandists say, Canadians generally like their government-run health insurance system. Businesses like not having to provide health insurance for their employees. Patients like it because there are no deductibles on basic health care and co-pays are kept very low. Their coverage is unaffected by job-loss or other changes in employment. There are no lifetime limits or exclusions for pre-existing conditions.

Healthcare is a right not a privilege for those rich enough to afford it. We need single-payer in our country. And we need to point out, over and over, the lies being told by those who don't want us to have it.

City's Budget & Taxes

By: MJ

The 2017-2018 budget has a budget deficit that demands notable attention. Creative ways of making cuts or collecting additional money will be challenges the City Council members will have to deal with. History on tax dollars collected and the distribution process of tax dollars follows. Projected revenues for this year have come in millions of dollars lower. This will have a major impact on the tax dollars collected and how much money governments will have to operate.

I-105, Montana Limitation of Property Taxes Initiative was on the November 4, 1986 ballot in Montana as an initiated state statute, where it was approved. **NOTE:** *The measure provided that the amount of taxes levied on certain property classes could not exceed the amounts levied in 1986.*

Taxes: More than half (55%) of local revenue is derived from federal and state government transfers and the local share of state taxes. The state taxes of which the local governments receive a portion are mostly natural resource taxes. Oil and natural gas production tax is the largest of these revenue sources. How much local government receives is tied to a complicated formula and I 105 tax freeze is a part of that formula. I-105 limits property taxes, which make up about one-quarter of total local government revenue. Senate Bill 195 made significant changes to I-105.

Taxable Value & Market Value: The market value of property is the dollar amount which a buyer and seller agree to exchange. The assessed value is determined by a taxable value rate to obtain *taxable value*. *Residential and commercial properties have a taxable value rate of 3.86 percent. Example:* A home with an assessed value of \$100,000 would have a taxable value of $\$100,000 \times 3.860\% = \$3,860.00$. This rate has not changed since 1986. **NOTE:** *Your property tax bill is created by multiplying the taxable value by the mill rate and dividing by 1000. NOTE: $\$3,860 \times 385/1000 = \$1,486.10$*

Property Taxes Distributed: *Schools receive 60%± of the property taxes paid -- Counties only receive about 20%± - Cities and Towns about 8%±, and the rest goes to welfare, fire...*

Taxable Values & Mill Levies: The Montana Department of Revenue is required to certify taxable values of property annually in the state's 56 counties. Local governments establish their budgets and set their mill levies for property tax calculations and collections based on the certified taxable values in each taxing jurisdiction. Under state law, the state property assessment offices are responsible for providing the total taxable value of property to each taxing jurisdiction by the first Monday in August

Teen Vaccination Awareness

The 2017 MT TeenVax Challenge is part of a multi-year campaign that focuses on increasing awareness about the importance of teen vaccines. The Challenge is in partnership with the Montana Chapter of the American Academy of Pediatrics, the Montana Academy of Family Physicians & the Blue Cross Blue Shield of MT Care Van program.

This Challenge is an opportunity for parents/guardians of 11-17 year olds to enter their teen's name into a drawing for a \$50 Amazon gift card if they have received at least 1 Tdap, 1 MCV4, and 1 HPV vaccine (at any time). Only one entry per teen. At least one gift card per county will be given away. Parents/guardians can enter by going to the DPHHS website at www.immunization.mt.gov. On the MT TeenVax page, look for the blue "Click Here" icon.

The deadline to enter is October 31, 2017. Winners will be announced in November 2017.

Beaverhead County Public Health works hard to improve coverage levels for adolescent vaccines in the county and hope this program will help improve levels even more. The MT Teen Vax campaign highlights the importance of adolescent vaccines statewide.

The recommended vaccines for teens are tetanus, diphtheria, pertussis (Tdap), the human papillomavirus (HPV) series, and the start of the meningococcal (MCV4). These vaccines are routinely administered at age 11-12 years and catch up for those age 13 years and older who missed vaccination. Influenza, "the flu" vaccine, is recommended every year. These vaccines are a safe and effective way to help teens start a healthy adulthood. The Tdap is a requirement for entry into 7th grade.

Sue Hansen RN, Public Health Director, states, "Public Health offers school vaccination clinics every October and will be offering these vaccines and more at that time. This is a convenient way to get students updated with all the recommended vaccines. However, immunizations are available any Wednesday from 9 am to 1 pm and 2 - 5 pm at the public health office."

Now is a great time to check your child's immunization record and see if they have received all the recommended vaccines," said Hansen. "If you have questions about any of the vaccines, please call Beaverhead County Public Health at 683-4771."

Prayers for Military Peace Keepers at St. James Episcopal Church:

There will be a service honoring military personnel who have provided a peaceful nation for all of us. They may be active or veterans, at home or abroad. The service will be held at 12 noon on the first Wednesday of every month at St James Episcopal Church (203 E. Glendale, Dillon, MT). All are welcome; families, friends, military personnel and anyone who would like to thank and pray for all of the Armed Forces of the United States. The next service will be held on August 2, 2017 at 12 noon. Any questions, call 683-2735. Please join us.

Madison Valley Arts Festival

The Ennis Arts Association will hold its 22nd Annual Madison Valley Arts Festival Saturday, August 12, 2017. This fun event will take place from 10 am to 5 pm in beautiful Peter T.'s Park on Main Street in Ennis. In addition to the 55 artist booths, there will be live entertainment, delicious food, face painting and an art raffle. Please visit www.ennisartsassociation.org for more information.

The Dillon Relay For Life Presents

Paint The Town Purple Week

Please join us in celebrating Relay week!!!

Relay for Life, Friday, August 4th – Barrett Hospital Kennedy Trail 6 pm

MONDAY, 7/31

"Purple Pride Day"...share a purple ribbon day. Anyone interested in picking up a FREE purple ribbon to give to someone can stop by The Bookstore, 3D, NV Salon, Womack's Printing or the Knock About. By sharing a purple ribbon you are sharing HOPE, which is what Relay for Life is all about.

TUESDAY 8/01

"Purple In & Out Day"...eat, drink, wear purple day. Purple is the color of the Survivor t-shirts every year at Relay. Relay supports ALL Survivors of ALL cancers and a person becomes a Survivor the minute they hear the words "you have cancer". 47¢ of every dollar raised goes to programs that help support Survivors in Montana.

WEDNESDAY 8/02

"Tie a Purple Ribbon Day"...tie a ribbon around your antenna, mailbox, a pole downtown etc. Show your support to everyone whose lives have been affected by cancer one way or another.

THURSDAY 8/03

"All Out Purple Day"...wear purple clothes, hair, fingernails, hats etc. Show your support in wearing purple today for the families and friends left behind because cancer stole a loved one from them all too soon. Wear something silly to show cancer it can't steal the fun everyday.

FRIDAY 8/04

RELAY DAY - "Wear a Relay T-shirt Day"...wear a t-shirt from past years, if you don't have one just wear some more purple or pin a purple ribbon on. Today is the day where all of the fundraising and planning pay off. Today is the day we FIGHT BACK. If interested in having a great time come to Relay for Life at Barrett Hospital Kennedy Trail. The fun starts @ 3:00 pm with games, then a community barbeque at 5:00. Opening Ceremonies are at 6:00, followed by Special laps by Survivors, Caregivers and Teams!
