CAR CRASH KILLS A CHILD

A 2-year-old boy from California was killed in a car crash near Dillon just after midnight Tuesday morning, according to the Montana Highway Patrol.

The woman driving was 54-years-old from Polson. The vehicle they were driving was a Volkswagen Beetle and when the car missed its turn trying to enter interstate 15 they continued west, hit a large post where the overpass ends and flipped onto its side about 12:17 a.m. The vehicle overturned. The child killed in the accident was not restrained and partially ejected according to the Montana Highway Patrol.

The driver and two other passengers in the vehicle, a 30-year-old woman, and a 3-year-old girl, both from Bakersfield, California, were injured in the crash. The 3-year old had to be flown to a Missoula hospital. Both adults were also injured and were taken to Barrett Hospital and Healthcare.

Montana Highway Patrol said the crash is still under investigation.

Evacuation Warning by Seeley Lake

The Rice Ridge fire burning three miles from Seeley Lake grew dramatically on Monday and has now chewed through nearly 4,000 acres. The growth of the blaze has prompted authorities to issue an evacuation warning for residents on both sides of Highway 83 south of Rice Ridge Road and immediately south of Cottonwood Lakes Road-- east of Highway 83.

The evacuation warning means that residents in the area should be prepared in case they are asked to quickly leave the area.

Cottonwood Road has been closed to the public and there will be a lot of equipment and a great deal of activity along that road Tuesday as additional crews arrive to fight the blaze.

Fire managers report that the Rice Ridge fire saw extreme fire weather on Monday and has pushed to two miles of Cottonwood Lake Road and within four miles of Highway 83.

Smoke was visible throughout the day and settled into the valley overnight causing air quality to be listed as hazardous on Tuesday.

Verizon Tower

By: MJ

Update: Mr. Paul Slotemaker, a representative from Verizon sent an e-mail to Director of Operations, Todd Hazelbaker. Following is the e-mail sent in its entirety.

Hi Todd:

It was great to finally meet you at the Zoning Board meeting. I wanted to follow up on a couple items from the meeting.

There was some discussion among the zoning board members of making the removal of the grain elevator a condition of approval for the replacement wireless facility. Verizon cannot agree to remove the elevator as a condition of approval. It's our understanding the elevator will be removed, but it's ultimately outside Verizon's control. The elevator doesn't belong to Verizon, and they don't have control over it. Verizon needs to relocate off of the elevator for the same structural concerns as the City has with it. If the grain elevator is in fact a public safety hazard and public nuisance, we encourage the City of Dillon to use their police powers to address the elevator, separate from Verizon's proposed wireless communication tower facility.

Regarding Verizon's wireless coverage, I talked to Verizon's engineer, and Verizon's coverage north of town, in the area described by the folks claiming poor coverage, should improve substantially as a result of the proposed replacement facility. This should make the customer in this area very happy.

It is my understanding the next Zoning Board meeting is tonight. Please let me know if you have any questions or need anything prior to the meeting.

Thank you

Paul Slotemaker, AICP

Letter to the Editor

Ah Telemarketers:

Any one else having the fun of tele-markers who now use local phone numbers to call us from I have heard from US Government, US Forest Service, National Guard Armory, all 683 numbers.

Didn't get much response when I phoned the Dillon Sheriff's Office about it, as I was phoning in my complaint a tele-marketer was calling my cell phone, just great!

Why Sunday July 30th at 5:00 AM, we phoned ourselves! And they had the nerve to hang up on us as we each answered the phone, 5AM you expect the worst..... It is about time someone get serious about this, heck I am going to quit paying for caller ID, and shut the phones off at night.
