RELAY FOR LIFE TODAY

The annual Dillon Relay for Life is today at the Barrett Hospital Kennedy Trail with the theme "Country Kickin' Cancer". The fundraiser for the American Cancer Society begins with games for the young at heart at 3:00. There will be a giant slip 'n slide and a water balloon toss, so youngsters are encouraged to dress accordingly!

The community is invited to a barbeque at 5:00, with entertainment by the Dillon Junior Fiddlers. The traditional Opening Ceremonies will be held at 6:00, including the Turn and Face Your Hope Ceremony immediately followed by the Survivor lap and team laps. Later, games will continue, in addition to the Bark for Life Kissing booth where participants can kiss a new baby puppy! There will be a Silent Auction tent and a quilt raffle, as well as a Frozen tshirt contest. At 9:30, the Empty Table Ceremony will honor Caregivers and remember those who have lost their battle. The Luminaria Ceremony will take place at 9:45, with candles lit to honor and remember friends and family diagnosed with cancer. The evening will end with the Closing Ceremony at 11:00. Everyone is invited to come to any or all of the events planned tonight to celebrate, remember, and fight back against cancer.

FIRE RESTRICTIONS IN EFFECT SATURDAY

Montana Fish, Wildlife and Parks' properties in many southwest Montana counties are set to enter Stage 1 Fire Restrictions Saturday. This includes Fishing Access Sites, State Parks, and Wildlife Management areas.

The restrictions apply specifically to properties in Beaverhead, Butte-Silver Bow, Deer Lodge, Madison, Broadwater, Jefferson, Lewis and Clark, and Meagher counties.

FWP follows the counties in entering fire restrictions.

In those areas mentioned above, the following acts are prohibited until further notice:

Building maintaining, attending, or using a fire or campfire. (Note exemptions below)

Smoking, except within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable materials.

Exemptions: Persons with a written permit that specifically authorizes the otherwise prohibited act. Persons using a device fueled solely by liquid petroleum or LPG fuels that can be turned on and off. Persons conducting activities in those designated areas where the activity is specifically authorized by written posted notice.

Any Federal, State, or local officer, or member of an organized rescue or firefighting force in the performance of an official duty. All land within a city boundary is exempted.

At Bannack, Lewis and Clark Caverns, Black Sandy and Spring Meadow State Parks, fires are allowed within established fire rings or grills, but prohibited elsewhere within the parks.

Individuals may be fined up to $5,000 or imprisoned up to 6 months for violating the noted fire restrictions.

More counties than not across the state are now under fire restrictions - for updates on restrictions and closures, go to: http://fwp.mt.gov/news/restrictions/droughtDetails.html.

Planning Board 8/1/17

By: MJ

Present: Chair Hand, members; Manley, Scalzone, Mooney, Shafer and Manley.

Director of Operations Hazelbaker: Stated he had nothing to report. However there was much back and forth conversation on the King R.V. Resort. Hazelbaker explained he has received questions on water. **Mooney** asked if he had sent a stop work order to King. **Hazelbaker** responded that he was going to send a letter to King explaining that he had not been approved. He has been corresponding with Mr. King via e-mail. **Mooney**: He needs to be notified that he is out of compliance. ***Seamus Manley*** *explained that one person was wanting a demand letter sent and the other person was sending a request letter.* **Mooney;** It appears that **Mooney** wants a stop and desist order sent to Mr. King and have City Attorney find out what violations are being broken.

Tully Springs: Tabled, No decisions made. However a lengthy discussion continued. Topics discussed were: utilities, road width, does changes require a sub-division review, prior approval clearing it from a sub-division review, plat that shows improvements, forwarding the boards concerns to Mr. Cornell's lawyer, looping water line, Identify where fire hydrants will be positioned, review of the "Standards" required by the city documents …

Condominium Project @ 35 E Bannack: Owner presented by-laws and drawings. Director of Operations, Hazelbaker stated one issue is 2nd floor exit that would need to be corrected. He stated that they want a certificate of approval from the board/city. **Mooney** stated that the *owner must meet the "Standards" required my city documents and he asked that the condominium be verified.* ***Mayor*** *indicated that the safety issues always need to be*

looked at and that the unit is already a licensed condominium. This building has been a condominium for years and has been sold several times before and also sold this time as a condominium.

Public Comment: Mooney asked to be informed about Skyhi and Noble Street in connection to the Ashcraft 4 plex development. Some of the issues he brought up were on; parking, capital improvement plan, connecting road from Noble to Oliver, *speculation* of future development that would make it a sub-division and would require following the city regulations, planning boards job is to look ahead and make sure we are not inhibiting development down the road… **Mooney** felt having the street laid out would be a huge development and would the logical way for the city to proceed. It appeared that he wanted Me. Ashcraft to sign a written statement making a commitment concerning the street.

Director of Operations stated that *Mr. Ashcraft had come into his office and they discussed a 60 foot rite-a-way. Mr. Ashcraft wants to know what zoning options he has for the unzoned property that he purchased.* **Mooney** stated that he encouraged the city to work on a side agreement. **Question:** Does side agreements follow the open meeting laws or are they done behind closed doors? ***Mayor Klakken** stated; "let the zoning committee go through the process of zoning, keep it above the board, follow the laws and go through hearing process."* **Note:** Thank you Mayor Klakken for asking that the laws to be followed.

Jefferson County Sheriff, DCI Release Information on Death Investigation, Ravalli County Investigation Complete

Today, the Jefferson County Sheriff and the Montana Department of Justice's Division of Criminal Investigation released initial findings from an autopsy of 45-year-old Cassandra Dean Morrison of Butte. Morrison was found deceased on July 23, on the side of the road near Jefferson City.

The autopsy has confirmed that Morrison's death was a homicide, resulting from multiple gunshot wounds.

The investigation into the Jefferson County homicide is still ongoing. Following the conclusion of the investigation, the case will be turned over to the Jefferson County Attorney's office.

Ravalli County Sheriff Investigation

Last Tuesday, Christopher Ray Phillips, a suspect in connection with the Jefferson County death, shot and killed himself in Missoula while Missoula Police were attempting to make a traffic stop on the vehicle he was in. The Ravalli County Sheriff's department has concluded an investigation into the incident.

OTTER BITES TUBER ON MISSOURI RIVER NEAR TOWNSEND

A tuber floating the Missouri River about a half mile upstream of York's Islands Fishing Access Site south of Townsend on Saturday evening was bit by an otter.

The incident happened in about the same location as a similar incident last year, said Montana Fish, Wildlife and Parks Region 3 warden sergeant Justin Hawkaluk.

The floaters saw an animal swimming toward them and then the otter punctured the tube and then bit the swimmer in the water. The wound was minor and didn't require stitches.

"These incidents, while not common, do occur from time to time with animals that are either sick or protecting their young," said FWP Region 3 spokesperson Andrea Jones. "In the case of any wild animal, it's best to give them safe distance."

Signs notifying recreationists of an aggressive otter in the area were posted at the Toston and York's Island Fishing Access Sites.
