John Ray Gaswint

December 5, 1940 - July 31, 2017

John Gaswint, 76, died peacefully at his home near Dillon. John was born in Cheyenne, Wyoming. He spent much of his childhood on his grandparents' homestead near Burns, Wyoming.

In 1983, John followed his dreams to Montana. He was the ranch mechanic for the Cross Ranch on Horse Prairie and later in life the Selkirk Ranch. He owned and operated Treasure State Auto Body. He also worked for Dillon Implement, Quality Supply and Rocky Mountain Supply.

John loved ranch life and had many funny stories to tell, usually involving cow dogs as heroes.

John is survived by his wife of 34 years, Helen. He has two sons, Stephen (Jan) and Patrick (Lisa) of Ohio, six grandchildren and a great grandson.

Memorials may be made to Chelsea Bailey Animal Shelter in Butte or the Butte Carousel.

Thank you John for 13 million laughs.

Stage 1 Fire Restrictions in SW Montana

Interagency fire management officials in southwestern Montana will begin Stage 1 fire restrictions, effective at midnight on August 5, 2017. These restrictions apply to the following areas: Madison County, Beaverhead County, Deer Lodge County, Silver Bow County, Powell County south of I-90 and Highway 12 and Granite County south of I-90 and east of the Lolo National Forest boundary.

These fire restrictions affect private lands within the listed counties; state and private forested lands under the jurisdiction of Montana Department of Natural Resources & Conservation (MT DNRC); and lands under the jurisdiction of Bureau of Land Management (BLM), Forest Service (FS), US Fish & Wildlife Service (USFWS) and the National Park Service (NPS)

Stage 1 fire restrictions apply to campfires and smoking. Under Stage 1 restrictions, the following acts are prohibited:

Building, maintaining, attending, or using a fire or campfire unless noted in the exemptions below or as designated in the specific closure order. Smoking, except within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable materials.

All land within a city boundary is exempted.

Exception to Stage One Fire Restrictions on Privately Owned lands within Beaverhead County.

Allowed: Persons may have a "Back-yard" fire on their own property as long as the fire size does not exceed a maximum size of 36" in diameter. Anyone starting or maintaining a Back-yard fire is responsible for any damages or costs associated with the fire if it leaves their property.

The restrictions will remain in effect until there is a significant change in fire danger.

Fire danger across southwestern Montana is VERY HIGH. Forested lands at all elevations are dry. Fire management officials are hopeful that by initiating Stage 1 fire restrictions, there will be fewer person-caused wildland fires.

For additional information on fire restrictions, visit the fire restrictions website at www.firerestrictions.us.
