Beaverhead Search and Rescue News

Submitted by Mel Rice

The Beaverhead Search and Rescue was very busy during the month of July. There were four different callouts for people in distress from the Continental Divide Trail to the Beaverhead River. The first callout came in at 2:00 pm on the 15th of July. A 70 year old man had been bucked off his horse about a half mile below Waukena Lake. He had serious injuries. S&R members were deployed to the Waukena Trail Head in Rock Creek. First responders arrived at the scene, assessed the patient and prepared to pack him out. After a short physical pack, they met other members of the unit who were able to get a 4 wheeler and rescue trailer up the trail for the remaining descent to a waiting ambulance.

The next call out was on the 19th of July, when a 62 year old lady walking the Continental Divide Trail became lost on Pintler Peak. She lost the trail in a burned out area between Elk Lake and Mystic Lake. Members of the unit were able to talk to her via cell phone. With a very good idea of her location from her description of the area, the I.C. was able to get her back to the trail. It was late so she spent the night. The next morning Dan Mulkey of the Sheriff's office communicated with her again. She was back on the trail and on her way.

The Sheriff's office received a call on July 24th in reference to man who was missing on the Beaverhead River. Dispatch paged S&R members about 10:00 pm to locate a 64 year old male who had fallen from his boat, was tired and hypothermic. The search area was from High Bridge to Hennaberry Bridge. Member deployed to the search area and began walking the banks of the river. The subject was located about a half mile about Hennaberry Bridge. He was very hypothermic when members of the unit got to him. He was then put in a Doctor Down sleeping bag, transported to an ambulance and taken to Dillon. He recovered nicely.

Two days later the next call out was received from dispatch around 11:00 pm. It was for an overdue 64 year old male on the Big Hole River. The individual had started his float at the Salmon Fly fishing access and was to get out at the Brown's Bridge fishing access. Again, members of the unit deployed along the banks of the Big Hole while other

members deployed a raft on the river. Members in the raft located the individual in good shape on the back of the river. He was trying to start a fire and was going to spend the night. Members convinced him to join them in the raft and to get off the river that night.

Members participating in one or more of the searches include: Dr. Mike Clarke, Trent Cottom, Rob Brasher, Parke Scott, Larry Skiles, John Helle, Tara Remely, Darrel Smith, Brad Wagner, Donald Smith, Evan Helle, Lawrence Morrisroe, Cody Schnee, Alan Holt, Jason Erickson, Richard Freitas, Grizz Clark, Steve Scott, Mel Rice, and Lindsey Erickson.

During the August business meeting, which was held on the 2nd, a number of items were discussed. With 23 members in attendance, the annual weekend training camp out was planned for August 18-20. It will be held at Boy Scout Flat up Willow Cr. Training officer, Dr. Mike Clarke, has a full slate of activities planned for the three day event. The unit also participated in a Hazmat Evacuation Training. Members attending were Russ Sigman, Lindsey Erickson, Jason Erickson, Gayle Rawson, and Rob Brasher. The exercise lasted about an hour and a half.

Beaverhead Motors sponsored a fun ride for the community with the proceeds going to the Search and Rescue. Brian Vinson, Mel Rice, Griz Clark, Rob Brasher, and Tara Remely had hamburgers, hot dogs, and chips for all the contestants as they arrived back in Dillon from their 70+ mile ride.

It was decided when we went to the voters and asked for operating mill from the county that we would set up a board of directors to oversee the spending of those funds. The unit has community members to act as this board. They are Larry Laknar, Tom Welch, and Mike Ferris. There will also be a liaison from the unit who will take the request for spending to the committee for discussion and a subsequent vote.

The meeting adjourned shortly after 8:00 pm. If you are interested in the Beaverhead Search and Rescue and would like to become a part of our unit, contact any member. They can get you an application, or just show up to one of our regular monthly meetings. We meet the first Wednesday of every month.
