VIRGINIA "Ginny" O'BRIEN, 68

Ginny died Saturday, August 20, at the Deer Lodge Care and Rehab Center after a long battle with cancer.

Ginny was born in Anaconda on August 10 th, 1949, to Gerald and Thelma (Weir) O'Brien. She attended Anaconda schools and graduated from Anaconda Senior High in 1967. After graduation, she attended Butte Business College. She began working at the Public Health and, Human Services Dept. in Anaconda in 1968, as an Eligibility Technician. This was the ideal job for Ginny, considering her kind and

compassionate nature towards people in need. She retired in 2003 after many years of dedicated service.

She married Ken Kovacich in 1969 and they had one daughter, Jodie. She and Ken divorced in 1976. She then met Gary Satterlee and they were together from 1976-2003. Her current companion and soulmate was Louis Thorson.

Ginny was both compassionate and honest. She was known for her love of animals and her willingness to help any person in need. She loved books, and she was an avid reader. She also enjoyed photography and listening to music.

She is preceded in death by her parents, and a nephew, Lonnie O'Brien.

She is survived by her soul mate, Louis Thorson; a daughter and son-in-law, Jodie (Mark) Housel of Dillon, Montana; sisters and brother-in-law, Cheri (Rick) Golie of Floweree, Montana, Pam O'Brien and GERALYN O'Brien (Dan Ocana) both of Anaconda; brothers and sister-in-law, David (Deborah) O'Brien of Edina, Minnesota, and Ron O'Brien of Anaconda; two grandchildren, Delainey and Kenzie Housel of Dillon, and numerous nieces and nephews.

Memorials can be sent to Pintler Pets of Anaconda.

There will be no services as requested.

they later sold for \$50. It was moved to Dillon where it still stands today.

Ollie and Loren worked hard together, to make a good life for themselves and the four sons they were blessed with, Loren Lee, Richard Dan, Randall Dons, and Dale Wayne. Ollie was a farming/ranch woman of many and varied talents, but her life and talents were focused on her family and friends and serving them.

She loved to have company and cook for them. Loren died in 1983.

She is a member of the Church of Jesus Christ of Latter Day Saints and she found much satisfaction serving in whatever capacity she was able to in the church, and was very conscientious and meticulous in all that she did. She married James Melton June 1, 1991 and they had some good years vacationing, working and enjoying life together before Jim died in 2016.

Ollie is survived by four sons, Loren Lee Eberline (Rita) of Dillon, Richard Dan Eberline (Jenny) of Twin Bridges, Montana, Randall Dons Eberline (Robin) of Soldotna, Alaska, and Dale Wayne Eberline, 13 grandchildren, and many great-grandchildren, and it brought her great joy to have any of them come to visit her.

A visitation will be held from 9:00 to 10:15 a.m. on Thursday, August 31, 2017 in the Relief Society Room at the Dillon LDS Stake Center, 93 Highway 91 S., Dillon, Mt. with a "Trip Down Memory Lane" in the cultural hall at 10:30, followed by A Celebration of Life at 11:00 a.m. in the chapel.

Jaycee Park Renovation Project

By: MJ

On August 16, 2017 the council voted to give the go-ahead for local organizations to proceed with their plans for the park. *One council member voted Nay. He felt that the project should be approved by each phase as it was to be completed and not all three at one time.* **Note:** The project will be done over a periods of several or more years. This vote may hamstring the city with budget problems they have.

The plan has been outlined in the Down Town Master Plan that was adopted by the council in 2016. The mission for the groups representing the renovation project, is to create a wonderful place for people of all ages to recreate. The project will be completed in (3) three stages.

The park plan has been in the making for Dillon by several groups in Dillon working toward beautification of downtown area. It was explained by several representatives from organizations involved with the project Jaycee Park renovation project, that the project will be done in (3) three stages.

Phases #1: Create and update playground equipment by developing a playground that will be designed by "Play by Design Inc." Several volunteers of the groups working to develop the playground, gave a video presentation to the council introducing the company.

Play-by Design: Play by Design is a group of playground designers and building consultants that work directly with community volunteers to produce custom-designed play structures. They will come into the community and work with representatives to design, organize and construct a one-of-a-kind playground for Dillon. Play by Design playgrounds are based on the local wishes, needs, culture, historical and architectural features. Each design is different and unique to an area.

Phase #2: Splash Pad and Restrooms/Changing area. If possible add to this area an Ice Rink feature to capitalize on summer and winter activities. The splash pad committee is continuing to secure funding to help with the operation costs for a 5 year period. After 5 years the city will be accountable for all of the daily operation costs.

Phase #3: Outdoor Amphitheater /Pavilion. Volunteers presented a model to the council.

City's Responsibilities: The presentation to the council stated that the city would be responsible for the green space, (watering, mowing), pavilion and restroom/changing area. The group presented the figure of \$2,000± per year to maintain bathrooms only.

Press Release

During the late afternoon of 08/20/17 a white male allegedly assaulted a Dillon female in front of a local convenience store, forcibly stealing her wallet. The suspect then fled on foot. Officers Jeremy Alvarez and Nikki Cowperthwait responded to the scene but were initially unable to locate the suspect. Luckily, the victim was not seriously injured.

With the assistance of local merchants, Dillon City Police officers were able to view surveillance, obtaining a description of the suspect and the vehicle he was driving. The Officers communicated with Clark County Idaho, and the Helena Police Department as leads developed.

On 08/22/17 Salt Lake City police arrested Eddie Sanchez of Helena on warrants from the Helena PD. The warrants were obtained by the Helena PD after an officer involved pursuit, and subsequent carjacking in Helena during the early morning hours of 8/20/17.

The crimes in Helena and the crime in Dillon appear to be related and warrants are being obtained for the individual arrested in Salt Lake. He is currently in custody in lieu of \$250,000 bail in Salt Lake City for the alleged Helena Offenses. The suspect is considered innocent until proven guilty.

I would like to thank the Helena PD, Salt Lake City PD, and Clark County Idaho Sheriff's Department for their assistance. I would also like to thank Officer Jeremy Alvarez for his dedication as he took it upon himself to sift through a ton of garbage in an attempt to locate the stolen item, this while he was on a personal trip in Idaho.
