KIWANIS AND BEAVERHEAD BREWERY TEAM UP FOR SCHOOL SUPPLY AND B.U.G. FUND RAISER

For the third year in a row, the Beaverhead Brewery will joined the Kiwanis Club of Dillon in a fund raiser for school supplies and B.U.G.

On Friday, Sept. 1 and Saturday, Sept. 2, the Beaverhead Brewery will donate one dollar for every pint sold to the Dillon Kiwanis for their donation to the area school supply drive and the Kiwanis B.U.G. (Bring Up Grades) program. Bring Up Grades or B.U.G. is a program designed to provide recognition to students who raise their grades into an acceptable range and maintain or continue to raise them from one grading period to the next.

The school supply drive began in 1999, when it became apparent that teachers were purchasing basic school supplies for students whose families were unable to afford them. Today, supplies are distributed to all seven rural Beaverhead County, Sheridan and Twin Bridges schools.

Dennis Schurg of Edward Jones, Pioneer Federal Savings and Loan, Sparky's Garage and Van's IGA will match the Brewery's donations.

Dillon Quilt Show
By: MJ

Veva Larson, owner of quilt store and Jackie Erfle have put together a quilt show for an added event during the Labor Day celebration. The show dates will be August 31st, Sept 1st and ½ day Sat. Sept 2nd. A quilter's palate is numerous pieces of material stitched together in an artistic way that displays a pleasing design. This piece of art work may provide warmth on a bed, decorative wall hanging, wonderful gift or it may find its way into a keepsake box.

They wanted to use the show to get people to circulate throughout the Dillon downtown area. To accomplish this they went to merchants in the downtown area and asked them if they could display a quilt in their stores. The folks that want to follow the displays will be given a list showing the location of the quilts. A list of these merchants follows.

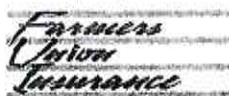

3-D Store – Taylor Realty – Retro Rebel – No. 1 Ladies Quilt Shop – N.V. Salon – Beaverhead Museum – Beaverhead Realty – Chamber of Commerce – Knock About – Good Life – Daily Yarn – Brits Bake Shop – Branding Iron BBQ, -- Book Store – African Oasis – A & O Plumbing—

The ladies would like to extend a big **Thank You** to each of the merchants who kindly participated by creating a space in their establishment to honor this art form. The ladies would like to make an annual event. They would appreciate your feedback. Give them a call.

City Happenings

By: MJ

There has not been much to write on with city happenings. Budget hearings are being held. There is \$350,000± difference between starting cash and ending cash (spending more than city has). The council is asking the public to come forward with their suggestions on the budget process and where possible cuts can be made.

Robust discussions have been held with many of the city employees coming forth to discuss how the changes will affect their wages. *It has been implied at city meetings that there is no room for any kind of wage cuts without putting hardships upon the employees and their families.* **Question:** How many people serving the public like mechanics, domestic help, waiters and many other employees/business owners in the community keeping families safe, have received a wage increase plus receive 90% of their family's health care paid by the employer. **Note:** The city pays 90% of the total health care charges for an employee of the city. We must consider the entire community when we talk about wages because it takes all people to make a sustainable and profitable community. Without the tax payer the city budget and paved streets with pot holes might not exist. All people working as a whole completes our community.

Police: One of the cuts that was discussed by the council and committees was the overtime within the police department. Overtime is paid when officers fill in for those who are attending the academy for continued education, for those on vacations, extra officer put on shift when there is a special event... The officer showed strength by attending the council meeting as a group and objected to overtime cuts and gave their reasons why they were opposing.

Cemetery Budget: Mr. Dan Devers, came forth and said that he could cut \$17,000± dollars out of the cometary budget. When all was said and done it turned out that only \$3,000± that could be cut and put back into the general account. The rest of the money was already budget for maintenance and upgrades that would be completed within the next several years. **Question:** Why was the money budgeted so far in advance of the need?

Street Abandonment: Mayor Klakken reported that the survey has been completed on Granite St. between Bannack St and Bannack-Bozeman alley. He will have it on the council agenda for the September meeting.

Street Signs: Todd Hazelbaker, Director of Operations is still working on getting the street signs delivered. They have been ordered. There has been some difficulties in getting the signs. Mr. Hazelbaker stated he switched companies but they are coming. This is not something that can be ordered on Amazon so it is taking some time.

Active and Inactive Wells in Dillon: \$2,500 was budgeted to hire a Western student to do a study on how many active and inactive wells were in Dillon.

Water Meters: At the Street and Ally committee meeting Jason Johnson reported that the placement of meters on water lines at the fairgrounds is going well. The city has been pumping more water than they are getting paid for. In order to gathered the facts on where the water is going they are installing meters on lines that have never had meters.

ALERT: ANGLING RESTRICTION LIFTED ON JEFFERSON, EAST GALLATIN & GALLATIN RIVERS

Montana Fish, Wildlife & Parks is alerting the public that the angling restrictions on the Jefferson,

East Gallatin and Gallatin rivers; effective Tuesday August 29th at 2:00 pm due to improved stream temperatures.

The restriction being lifted Tuesday will open the following river sections to all-day fishing:

The entire Jefferson River
Gallatin River from Shed's Bridge (Hwy 84) near Four Corners to the confluence with the Madison River at Three Forks

East Gallatin River from Spring Hill Road Bridge (Hwy 411) to the confluence with the Gallatin River

Regional Fisheries Manager Travis Horton says shorter days have brought down stream temperatures and closures are no longer necessary.

The angling restrictions remain on the Big Hole River from Notch Bottom FAS to the confluence with the Beaverhead River, and the Madison from Ennis Dam to the confluence with the Jefferson River.

"Despite high daytime air temperatures, the longer nights are preventing water temperatures from reaching critical levels."

For up-to-date information on restrictions related to drought, visit <http://fwp.mt.gov/news/restrictions/>.

IRS Issues Urgent Warning to Beware IRS/FBI-Themed Ransomware Scam

The Internal Revenue Service warned people to avoid a new phishing scheme that impersonates the IRS and the FBI as part of a ransomware scam to take computer data hostage.

The scam email uses the emblems of both the IRS and the Federal Bureau of Investigation. It tries to entice users to select a "here" link to download a fake FBI questionnaire. Instead, the link downloads a certain type of malware called ransomware that prevents users from accessing data stored on their device unless they pay money to the scammers.

"This is a new twist on an old scheme," said IRS Commissioner John Koskinen. "People should stay vigilant against email scams that try to impersonate the IRS and other agencies that try to lure you into clicking a link or opening an attachment. People with a tax issue won't get their first contact from the IRS with a threatening email or phone call."

The IRS, state tax agencies and tax industries – working in partnership as the Security Summit – currently are conducting an awareness campaign called Don't Take the Bait, that includes warning tax professionals about the various types of phishing scams, including ransomware. The IRS highlighted this issue in an Aug. 1 news release IR-2017-125 Don't Take the Bait, Step 4: Defend against Ransomware.

Victims should not pay a ransom. Paying it further encourages the criminals, and frequently the scammers won't provide the decryption key even after a ransom is paid.

Victims should immediately report any ransomware attempt or attack to the FBI at the Internet Crime Complaint Center, www.IC3.gov. Forward any IRS-themed scams to phishing@irs.gov.

The IRS does not use email, text messages or social media to discuss personal tax issues, such as those involving bills or refunds. For more information, visit the "Tax Scams and Consumer Alerts" page on IRS.gov. Additional information about tax scams is available on IRS social media sites, including YouTube videos.

If you are a tax professional and registered e-Services user who disclosed any credential information, contact the e-Services Help Desk to reset your e-Services password. If you disclosed information and taxpayer data was stolen, contact your local stakeholder liaison.

Inquiry Class

Friday Sept. 8 will see the resumption of monthly Inquiry Classes here in Dillon by Fr. Russell Radoicich of Holy Trinity Orthodox Christian Church in Butte. "The Apocalypse" will be discussed in an informal setting on the campus of UofM Western in Room 150 in Main Hall at 5:30 pm. The public, students, believers or non-believers, all are welcome who wish to explore the history and oral traditions of the church founded by the Apostles of Jesus Christ 2000+ years ago. Topics vary each month and there is lots of discussion and questions interspersed with Fr. Russell's lecture of the Orthodox perspective.
