## Mickey Corr

After surviving a tragic motorcycle accident which left him physically and mentally handicapped for over forty years, Mickey Corr took his big smile to heaven on September 1, 2017.

Mickey is the son of Peg and Jim Corr of Dillon. He was born in Malta, Montana on October 21, 1954. He grew up in Joplin and Dillon, Montana where he excelled at wrestling and art. While in high school, Mick wrestled for the Beavers and was a divisional champion and placed highly at the state tournament. While at Western Montana College, he became a collegiate champion wrestler and was inducted into the Bulldog Hall of Fame. Mick enjoyed all types of art and planned on becoming an industrial and fine arts teacher. He enjoyed painting, pottery, woodworking, and glass blowing and spent many hours before and after his accident doing artwork with his father.

Mick is survived by his parents, his brother, Dan Corr (Mary), and his sisters, Kathy Hilton, Patty Seidensticker (Jeff), and Ginny Waldorf (Tom). He is the uncle of eight nieces and nephews.

The family would like to thank the caregivers at the nursing home for their love and kindness to Mickey and his family over his many years as a resident. They would also like to thank the hospital staff and Doctors Weed and McIntyre for their unending compassion toward Mickey and his family over the years. Finally, the family would like to thank the amazing community of Dillon for their support and help with Mickey's many life challenges over the years. They have been a constant source of strength and support.

Graveside services will be held at the Mountainview Cemetery on Wednesday, September 6 at 2 pm.

## MEDICAL EMERGENCIES IN THE BACK COUNTRY

Accidents happen. Are you prepared to deal with them in Montana's backcountry? Plan to attend a special presentation by Dr. Michael Righetti on September 5 at 7:00 pm at Dillon's Search and Rescue Building. The presentation is sponsored by Three Rivers Back Country Horsemen.

*******PRESS RELEASE*******

Judge Crystal Thompson resigned her position in writing "effective immediately" as Dillon Municipal City Court Judge on 08/30/17.

Due to media and personal requests, then weighing public right to know, and individual rights I can confirm there is a joint criminal investigation comprising of the Montana Department of Criminal Investigation, Dillon Police Department, County Attorney Jed Fitch, and City Attorney Jim Dolan. I hope the public will understand that legally, details of current ongoing criminal investigations cannot be discussed to protect all parties involved.

Thank you for your patience as this situation processes through the proper legal channels.

## FWP PROPERTIES IN GALLATIN COUNTY MOVE TO STAGE I RESTRICTIONS SATURDAY

Montana Fish, Wildlife and Parks' properties in Gallatin County are set to enter Stage 1 Fire Restrictions Saturday. This includes Fishing Access Sites, State Parks, and Wildlife Management areas.

FWP follows the counties in entering fire restrictions.

In those areas mentioned above, the following acts are prohibited until further notice:

Building maintaining, attending, or using a fire or campfire. (Note exemptions below)

Smoking, except within an enclosed vehicle or building, a developed recreation site or while stopped in an area at least three feet in diameter that is barren or cleared of all flammable materials.

Exemptions:

Persons with a written permit that specifically authorizes the otherwise prohibited act.

Persons using a device fueled solely by liquid petroleum or LPG fuels that can be turned on and off.

Persons conducting activities in those designated areas where the activity is specifically authorized by written posted notice.

Any Federal, State, or local officer, or member of an organized rescue or firefighting force in the performance of an official duty.

All land within a city boundary is exempted.

At Missouri Headwaters State Park, campfires will be allowed within established steel grates.

Individuals may be fined up to $5,000 or imprisoned up to 6 months for violating the noted fire restrictions.

Also, an exemption does not absolve an individual or organization from liability or responsibility for any fire started by the exempted activity.

For updates on restrictions and closures around the state, go to: http://fwp.mt.gov/news/restrictions/droughtDetails.html.

## Montana Department of Justice Announces Availability of Grants to Fund Wishes of State's Seriously Ill Children

Sale of special motorcycle license plate makes funds available

Today, the Montana Department of Justice announced the availability of $25,000 in Chrome for Kids Wish Fund grants. These funds are made available through a special Chrome for Kids motorcycle license plate that is used to fund efforts by Montana-based nonprofit corporations which grant wishes to chronically or critically ill Montana children.

"For the third time in six years, we are pleased to offer these funds to Montana non-profits who serve critically ill children and their families," said Attorney General Tim Fox. "I'm proud of the work our Motor Vehicle Division does to make Chrome for Kids Wish Fund grants available, as well as of Montana's motorcycle owners, whose generosity ultimately translates into meaningful experiences for children who need them most."

To date, the Montana Department of Justice has awarded nearly $100,000 in Chrome for Kids grants. Sarah Garcia, Motor Vehicle Division Administrator, said, "This program speaks to the generosity of Montanans that lend a hand in times of need. We encourage all non-profits that meet the criteria to apply for this special grant."

Grant applications will be accepted by the Motor Vehicle Division at the Montana Department of Justice through October 30, 2017. Grants will be awarded by November 30, 2017. Funds awarded through these grants must be used within two years of the award. Grant criteria are:

(1) Only Montana-based nonprofit public or private corporations which have received IRS 501 (c)(3) tax-exempt designation and whose purpose includes assistance to chronically or critically ill Montana children may apply for a Chrome for Kids Wish Fund grant.

(2) Funds must be used to provide a chronically or critically ill Montana child a special wish. No more than 10% of awarded grant funds can be used for program administration by the applicant.

(3) Children's wishes shall be determined by the parents or legal guardians of minor children in consultation with the child and an attending healthcare provider and may be of the following type: (a) a visit to a special place such as a children's theme park or a city or metropolitan area to experience unique or different food, arts, education, entertainment, and culture; (b) a trip to participate in or observe a special activity such as a rodeo, baseball game, surfing, or other physical/sports activity; (c) financial assistance to provide improvement in the quality of life for the critically or chronically ill child as determined by the attending physician and parents/legal guardian; or (d) a special activity such as a birthday party or celebration of the child's life as determined

Grant applicants must submit the following materials with each grant application: The legal title of the nonprofit organization and the address of its principal office; a list of the organization's board members and their occupations; a copy of the organization's IRS tax-exempt designation; the name of the proposed grant, the amount of funding requested, the general purpose of the proposed grant, a specific description of how any awarded grant funds would be used; and any evidence of public support for the proposed grant. Successful grant applicants will be required to provide the Montana Department of Justice Motor Vehicle Division with a report, once grant funds are exhausted, that details specifically how the grant funds were used.
