The Guthrie Brothers Present: SCARBOROUGH FAIR, a Simon and Garfunkel Experience

Prepare to fall in love again with the music of Simon and Garfunkel! The Guthrie Brothers, Jeb and Jock, will bring you that opportunity Thursday, September 21, 2017, at the UM-Western Beier Auditorium at 7:30 pm. This wonderfully authentic rendition of Simon and Garfunkel songs is made available through the Dillon Concert Association with sponsors George R. Johnston, DDS and Mary Jo O'Rourke and Craig and Carol Simonsen.

GUTHRIE BROTHERS

Jeb and Jock pay homage to the music of Simon and Garfunkel with startling authenticity in an "unplugged" acoustic style. While playfully engaging the audience along the way, the show highlights the brothers' deep spiritual connection to this music, and to the 60s, the time period that made it all happen.

Dillon Concert Association membership grants admission into all 2017-18 performances. Single event tickets will be sold at the door: Adults - \$15; College - \$10; Students/Youth - \$6.

For further information please contact Laurie Hagenbarth at 683-5050.

Council Meeting 9/6/17

By: MJ

Budget: The council approved the budget with Councilman McIsaac voting nay. After the mayor made some adjustments, the expenditures verses revenues had a shortage of \$130,000± in the General Fund account. There was \$400,000± in the bank. After adjustments were made, \$130,000± was taken out of the bank to balance the budget. The council and mayor will continue to work on areas where cuts can be made so that next year the city does not have a repeat of shortage difficulties.

Streets: Controversy continued at this meeting. Councilman Straugh wanting to hire another engineer that would cost around \$15,000± to oversee the projects now being done on the streets by the city street crews. Councilman Straugh did not present any facts or figures substantiating his reasoning for hiring another engineer or what crews were doing that is right or wrong.

Mayor Klakken has presented facts and figures to the council showing his reasoning behind how the repairs are being done today. The mayor does not have an engineer's degree and knows he must educated himself by reaching out

and talking to engineers about the street repair process that the crews are using at this time. The city street crews are removing the clay soil by digging down below the clay, then replacing with gravel fill, and topping the repair off with a thick layer of asphalt. If you look at the areas where repairs were done last year by the same method the city uses today, you will see that the pot holes have not returned and the intersection remains as it was when repaired and did not worsen over the winter.

NOTE: The city sent one of the street crew members to an Asphalt School in Arizona that has allowed the crew to increase their understanding & ability to do a better job with the money that is available for street repairs at this time.

Council voted to continue with doing street repairs as it is being done today.

Gas Tax Increase: When the increase in gas tax is collected and distributed to the local governments there will be more money in the street accounts. **Question:** Would the extra money allow the city to be able to spend more toward repairing the streets possibly hiring outside help that will double the streets that get repaired in one summer? Law dictates where and how the gas tax money is spent. It cannot be spent for anything else other than repair and building streets.

Street Maintenance Money: It is estimated via past repairs done on streets that the cost of repairing one full block is around \$200,000. We must remember that \$168,000 dollars every year is taken out of the street maintenance account to fund the pay for the Glendale St. bond. This is a twenty year bond payment. It has been reported to the council by a public member, that taking this money from the street maintenance account is an illegal act. The council to my knowledge has never discussed this issue at any meeting I have attended.

Beaverhead Search and Rescue News
 Submitted by: Mel Rice-Public Relations Officer
 The Beaverhead Search and Rescue had a very quiet, uneventful month. There were two potential deployments of the unit. The first was when three individuals floating the Big Hole River were reported overdue getting off the river and the second was an elderly lady who walked away from her residence. Both situations were resolved before the S&R sent anyone to the field.
 Each year the Search and Rescue has a summer camp out where numerous training events take place. This year the event was held at Dinner Station Campground up Birch Creek on August 18-20. Some of the training opportunities included: high and low angle rope rescue techniques as well as practical rescue experience, GPS and Map work, different patient packaging scenarios, preservation of a crime scene and gathering of evidence, lost person behavior, and a mock search. Members participating in this year's event included: Dr. Mike Clarke, Russ Sigman, Cody Schnee, Trent Cottom, Brad Wagner, Brian Vinson, Chuck Maddox, Gayle Rawson, Dr. Greg Moore, Jason Ericksen, Jennifer McKay, Kate Kajin, Larry Skiles, Lawrence Morrisroe, Lindsey Ericksen, Mark Sanders, Ray Gross, Richard Frietas, Rob Brasher, Shane Puyear, Tara Remely, and Todd McKay.
 During the business portion of the unit's monthly meeting held September 6th, there were a few topics discussed. The first one discussed had to do with the board of directors for the Levy Monies. The first installment of this money will become available in November. Guide lines for those expenditures are being set up and will be in place before the first check is distributed.
 There was also discussion about equipment, new and old, and what should be kept/used, taken on every search/rescue, gotten rid of, etc. Each search is different and may require different equipment. Therefore, how does the unit make sure the right equipment is on the right search/rescue? Seems like a no brainer but it becomes much more complicated than one thinks. The diversity of terrain, types of waters (lakes, rivers), mountainous elevations, and many other factors present different scenarios that require a diverse amount of equipment. Each search/rescue is evaluated on its own merits before deployment, based on the location, knowledge of the situation, and knowledge of the individual.
 The S&R Unit once again participated in the Labor Day Parade. Tara Remely was the chairperson for this event. Members helping Tara and participating were Jason and Lindsey Ericksen, Mark Sanders, Tater McKay, Chuck Clark, and Alan Holt. Their participation was in line with the theme, Military Appreciation. It was a great day and enjoyed by all.
 Remember, "We are in the Business of Saving Lives". Anyone interested in becoming a member, talk to one of the active members to get an application or show up to a monthly meeting. They are held the first Wednesday of each month.

Beaverhead Trails Coalition Notice

The Beaverhead Trails Coalition (BTC) will be hosting a public meeting on September 13, 2017 from 6:30 to 8:00 p.m. at the Depot Theatre to discuss a proposed new walk/bike trail along Noble Avenue from Skihi Street to Highway 41.

The trail will provide a safe and enjoyable connection with existing segments in Dillon and the surrounding area.

The Coalition is seeking input from the community to finalize the conceptual design for the trail and develop cost estimates.

This work is funded by grants from United Way and the LOR Foundation and will make proposals to fund detailed engineering and construction possible.

Visit our website at beaverheadtrails.org/trail-connectivity for more information about the project.

Comments and ideas are welcome at the meeting or by email at beaverheadtrails@gmail.com.

The Beaverhead Trails coalition is a 501(c)3 organization committed to creating and improving walking, hiking and biking opportunities in and around Dillon.

ROTARY SPEAKER

The Rotary program scheduled for Wednesday, September 13, 2017 will feature an update on the fires in the northwest. The presenter information is not yet available and is dependent on the availability of the fire managers.

Visitors are welcome to join Rotarians for lunch. The presentation is scheduled to begin at approximately 12:30 p.m. The Rotary Club will meet at the Guild Hall of St. James Episcopal Church located at 203 East Glendale St. in Dillon. For more information, email Deb Hedeon at deborahhedeon@gmail.com or Roxanne Engellant at engellant@gmail.com.

THANK YOU

This summer, over 30 middle school girls participated in volleyball and basketball open gym. With the help of several of the middle school coaches and many of the high school players, the middle school athletes had the opportunity to learn volleyball and basketball skills three days a week for nine weeks. Between summer open gym, club volleyball and travel basketball, our young athletes are having tremendous opportunities to improve their skills and gain knowledge of the sports of basketball and volleyball. A big thank you to Pizza Hut, McDonalds and Dairy Queen for supplying gift certificates to reward and inspire these athletes.

WOMAN MAULED BY GRIZZLY IN TOM MINER BASIN BEAR SPRAY STOPS ATTACK

A local woman was mauled by a grizzly bear on a private ranch in the Tom Miner area north of Gardiner early Saturday. The female victim and two companions were near the carcass of a domestic cow when the incident occurred.

When the bear made contact, the victim laid on her stomach to protect her vital organs. She was bitten on her legs and back. Her companions used bear spray to scare off the bear and stop the attack.

The victim is being treated for her injuries.

This is the second mauling in southwest Montana in a little over a week. On Monday, Sept. 5, an archery hunter was mauled by a grizzly in the south end of the Gravelly Range.

While these incidents were relatively far from each other, both involved bears feeding on carcasses. In both cases, bear spray played an important role.

These events should serve as a stark reminder that Montana is bear country. Hunters and others working and playing in bear country should be especially alert for grizzlies, carry bear spray, and know how to use it.

FESTIVAL OF TREES

It's that time again to be thinking of the Festival of Trees. The Festival is scheduled for December 1st and 2nd at UMW Keltz Arena. Silent and live auction items are needed and can be dropped off at the Knockabout - 4 S. Idaho.

This year's recipients are Beaverhead Community Wood Bank and newly formed Dillon Amateur Hockey Association.

For more information call Maryellen at 683-4712 or Sharon at 683-4831.

Montana Consumers Alerted to Equifax Data Breach

The Montana Department of Justice's Office of Consumer Protection is alerting Montanans about a recent data breach reported by credit reporting company Equifax. The company announced that the personal information of 143 million Americans may have been accessed by hackers. Customer details that were potentially accessed between mid-May and July include names, Social Security numbers, credit card numbers, bank accounts, and other personal documents.

"We know that 367,737 Montanans were affected by the Equifax data breach," said Mark Mattioli, Chief of Montana's Office of Consumer Protection. "That's nearly one-third of the state's population; this is a huge data breach and consumers should take this news very seriously. While we expect Equifax to send notification letters to Montana consumers impacted by the breach, we urge people to visit the Federal Trade Commission's (FTC) website learn more about next steps following this announcement." That link is: <https://www.consumer.ftc.gov/blog/2017/09/equifax-data-breach-what-do>.

Montana consumers who would like more information on how to place a freeze on their credit file can visit the Montana Office of Consumer Protection website at: <https://dojmt.gov/consumer/identity-theft/>.

Montanans seeking more information can contact the Montana Office of Consumer Protection by calling toll-free 800-481-6896 or (406) 444-4500, or e-mailing contactocp@mt.gov.

Fall H.I.P. 2017

The Health Improvement Program

Is based on cutting edge science in the fields of
nutrition, activity and emotional well-being.

Start date **Wednesday, September 20th**

Classes offered at Noon or 5:30 PM and run from
September through May.

\$300 one-time fee

Savings of \$1200+ if paying for individual sessions with dietitian, counselor, exercise
physiologist and the 2 sets of labs!!

Please call for your spot in this award winning program.

Jill Pulaski 683-3041

"I have been sleeping so much better than for years!"

"I'm so grateful to be able to be in this HIP program! My
health is drastically improving! I have been on blood
pressure medication for 10+ years, as well as medication for
GERD, and now my doctors feel the medication is
unnecessary."

"There is no other program
out there that offers what HIP
does for the cost - counseling,
education, exercise and labs!
Each of those things would
cost hundreds of dollars
separately!"

"Amazing program. Period."

"My A1C went from 9.7 to 6.1.
I can live with that."

PHEASANTS FOREVER **Sept. 23, 2017 • Youth Hunt**

Hosted by the Pheasants Forever Beaverhead Chapter 862
& the Circle 3 Ranch

The local chapter of Pheasants Forever is hosting another Youth Hunt. Youth
between the ages of 12 and 17 interested in Upland Bird Hunting are encouraged to
register. Activities include a Hunter Safety Review on Sept. 19 at the Dillon Gun Club
located off of Blacktail Road.

This September hunt will begin at 8:30 AM, Sept. 23 at the Circle 3 Ranch, just 4 miles
north of Dillon, MT.

The Chapter will host 12 youth submitting completed registration forms on first come,
first serve basis.

Hunters must be of 12 to 17 years of age, have passed a Montana Hunter Safety
program and have in their possession a current 2017 Montana FWP hunting Upland Bird
permit. Our PF registration packet includes a Youth Application with parent/guardians
authorization form, a Youth Hunt waiver and photo release application.

Candidates must request a registration packet from the PF Chapter, by calling either
Shannon Maness or Fred Chouinard, 406-925-3632 or 406-660-2247.
