City Judge vacancy saga continues:

City Judge Thompson has vacated the office of city judge for reasons that are being investigated. The mayor has been researching the appropriate procedure to follow, complying with the states requirements of having a qualified person doing the judges duties until the November election where a judge will be elected. The issue was on the Sept 6th council's agenda and was discussed by the council however the e-mail sent was not discussed.

Conundrum: Councilman Straugh complicated the process of meeting the requirements of fulfilling the city judge's obligations for a short term of one (1) month. He sent an e-mail to Shauna Ryan, in the State Judicial training department, inquiring about training an interim person. In the e-mail he identified himself as the President of the Council. **Problem:** *He sent this e-mail without sending a copy to city hall, notifying the mayor or informing the council at the Sept 6th meeting. The councilman did not follow Municipal Code 2.08.070(2) and Section 2.11(2) of the Dillon City Charter nor did he follow the state and local laws for e-mails. The e-mail he sent is public information and it was not made available to the public until Judge Hoerning brought it to the attention of Mayor Klakken and he made it available to public.* ***Question:*** *One might ask if it is ok for elected official to step outside the law to achieve their own agenda. The councilman's wife was one of two people who submitted an application to fill the vacancy for a short term.*

There are specific laws that govern what schooling and training judges are required to have. Mayor Klakken received a phone call from Judge Perry Miller, Chair of the Supreme Court of Montana's Commission on Courts of Limited Jurisdiction. Judge Miller explained the process of what education and certification requirements would be needed by anyone filling the position. The state of Montana has indicated that they will not train anyone for this short period.

State statute does dictate that the mayor can call in a substitute that is qualified to act as City Judge. The mayor was working with Judge Hoerning who is qualified to fill in. Working with Judge Hoerning is a win-win for all.

City Attorney Dolan, Mayor Klakken, Judge Hoerning and others continue to work to solve the problem for the interim.

NOTE: See the insert included showing Councilman's e-mail and Mayor Klakkan's response.

Time to Get Your Flu Vaccine

Flu shots are now available through the public health department, healthcare providers, and pharmacies. Flu vaccination provides protection against the influenza strains contained in the vaccine that will last for the whole season. Contrary to popular belief, it does not lose its effectiveness if given early. It is important that the vaccine be given before the flu season starts as it takes about 2 weeks before immunity develops. So there is no need to "wait" to get the flu shot. Vaccine may be administered at your healthcare provider, pharmacy, or Beaverhead County Public Health. Public Health is open for immunizations Wednesdays, 9-1 and 2-5. No appointments are needed. Public Health will be holding a drive-thru flu shot clinic on Friday, September 22 from 11-2 on Montana street in the parking lot in front of Womack's Printing. Please have a copy of your insurance card ready. The regular vaccine is $25 and high-dose vaccine for seniors is $50.

Letter to the Editor

Living in a relatively small community is a blessing, especially when it comes to needing help from the local tradesmen.

This year we had the need to employ some of them and cannot speak highly enough of the timeliness of their response. They fitted us in between other jobs that were no doubt just as pressing with no signs of us being a nuisance or in any way a bother.

Those who responded did so promptly and courteously. Their expertise was amazing.

We thank Ed jones, Bill and Tristan Huxtable, Wade and Nancy Stout, Hank and Tom at Dillon Appliance, Brad at Redline Electric and Sheila,Talon and Jason at Premier Plumbing. We would recommend all of them with no reservations.

Those we interact with deserve thanks and credit for the way they do their part to serve this community.

A man is not what his work is but, how he does his work makes him the man that he is.

Letter to the Editor

The super-friction, sun-hot temperature between the Russian government and our government continues to rise to boiling-point conflict levels.

As educators, we would like to share our thoughts and actions with the broader Beaverhead Community. We do so as strong political independents who disagree with many Democrats and many Republicans. We do so also as independent thinkers-doers who believe that actions speak louder than words.

First, we request respectfully that you step-out and set-aside your partisan party affiliation, at least temporarily, and your political ideology, at least momentarily.

Second, we ask when you hear the word Russians, please do not equate all or most Russians with the Russian government. There are 145 million diverse Russians and many do not agree with their government's actions. There are 325 million diverse Americans and many do not agree with their government's actions of both political parties.

Third, we ask that everyone consider communicating with a Russian as a "pen pal" or "communication pal." Whether a farmer, rancher, river guide, construction worker, plumber, carpenter, mechanic, electrician, trucker, lawyer, doctor, accountant, coach or minister, we all can find a Russian and a Russian family that shares our concerns about the present and the consequences for the future.

Fourth, whether through Google or Russia's Yandex.com, we can find matches to begin these life-enhancing local, regional, and national conversations.

Fifth, we call on our religious leaders to craft "Sermons on the Mount" to promote this outreach to Russians.

Sixth, we ask that educators at all levels create a series of lesson plans and extracurricular activities for outreach.

Seventh, we ask that coaches and other sports leaders engage in this conversation because sports diplomacy works as we play at sports.

We are thinking-doing the following to facilitate this process. Along with two Russian educators and two of John's Western colleagues, we have begun writing this applied book: The Russia America Education Innovation Handbook: iPad Matryoshka Learning for Education Cultural Diplomats and Social Entrepreneurs. We plan to release this book by August 2018, following completion of the FIFA World Soccer Cup, which is hosted by Russia.

We hope to follow up in late 2018 by creating this learning society: The Society for Russia America Education Innovation: Advancing Learning, Leadership and Shared Prosperity.

By sharing best-practice education innovation ideas at all education levels, we think this education cultural diplomacy Society will enhance ongoing peace and prosperity among Russians and Americans.

Let us all be Beaverhead Bold and meet a Russian family!

Live Your Dream Award

Women who serve as the primary wage earners for their families and seek financial assistance to continue their education or receive training can now apply for the Soroptimist Live Your Dream:

Education and Training awards for Women. Applications are available at Womack's Printing or by Contacting Mary Paddock at mrpaddock1@hotmail.com or by calling 406-683-2425 (Hm) or 406-925-2125 (Cell). The application deadline is November 15.

The Dillon Soroptimist Club will provide a $1,000 cash grant to its award recipient, who will then advance to the Soroptimist Northwestern Region level, where recipients could receive up to an additional $5,000. The program culminates with three finalist $10,000 awards.

Recipients can use the Live Your Dream Award to offset costs associated with their efforts to attain higher education or additional skills and training. This includes tuition, books, childcare, carfare or any other education-related expense.

The Live Your Dream Award provides over $2 million in cash grants to head-of-household women in need each year. Since the program's inception in 1972, more than $30 million has helped tens of thousands of women achieve their dreams of a better life for themselves and their families. A study conducted by the Fels Institute of Government, a research and consulting organization based at the University of Pennsylvania, confirmed the efficacy and impact of this program. It improves the recipients' quality of life; builds their confidence; strengthens their self-determination and makes them want to, in turn, help others. Helping women in this way has the demonstrated effect of leading to stronger communities, nations and the world.

Founded in 1949, the Dillon club is part of Soroptimist International of the Americas, a global organization that works to improve the lives of women and girls through programs leading to social and economic empowerment. Dillon members join with almost 80,000 Soroptimists in about 120 countries and territories to contribute time and financial support to community-based projects benefiting women and girls. Soroptimist, a 501 c (3) organization that relies on charitable donations to support its programs, also powers LiveYourDream.org---an online community offering offline volunteer opportunities in support of women and girls. For more information about how Soroptimist improves the lives of women and girls, visit www.soroptimist.org.

Subject: Judicial Training

Ms. Ryan,
I am the President of the Dillon City Council. Our City Judge resigned late last week. We need to work something out to cover our work load. We also may need to train an interim person to serve between now and the November election if that is possible. I also would like to know the schedule of training that will be available for the person who wins election on November 7. Lots of questions with complex answers. Please return email or call (406) 683-2155 or 925-9092. Thank you in advance for your help.

234 S. Rife Street
Dillon, MT 59725

Dear Dr. Straugh:

Attached to this letter please find a copy of an e-mail I received Thursday, September 7th, 2017, from Beaverhead County Justice of the Peace, Candy L. Hoerning who brought this letter to me yesterday owning to her kind assistance with City administrative officials in getting the Dillon City Court functional again.

Outside of the fact that you made no mention of this correspondence to me or anyone present at the regular meeting of the Dillon City Council on Wednesday September 6th, 2017 at which this resignation was discussed as part of the agenda, the attached e-mail caused additional and needless difficulties and confusion between my staff, the Supreme Court Administrator's Office, and Judge Hoerning. Despite our disagreements, I have always prided my administration on transparency with the public. It is obvious that your e-mail was intended to foreclose myself, the Dillon City Council and the public from official actions taken by the City of Dillon in such a situation.

Mr. Dolan has advised me previous to your September 5th, 2017 e-mail that state statute permits me, as mayor, to call in a substitute that is qualified to act as City Judge in situations like the present where the Judge is unable to act. Under the powers and duties applicable to all members of the Dillon City Council, "[n]either the Council, nor the Council members shall in any manner dictate the appointment or removal of any city officers or employees whom the mayor or any subordinates are empowered to appoint". Please see Section 2.08.070 (2) Dillon Municipal Code and Section 2.11(2) of the Dillon City Charter.

Lastly, in dealing with this situation, I received a telephone call from Judge Perry Miller, Chinook City Judge and Chair of the Supreme Court of Montana's Commission on Courts of Limited Jurisdiction. Judge Miller advised that should an interim City Judge be selected by the Dillon City Council that does not currently meet the education and certification requirements of the above commission; they would be unqualified to act as Dillon City Judge and would not be eligible for a waiver of training and/or of certification. This means that further delays would result, and matters would continue to be unable to be timely and sufficiently addressed by either the Dillon Police Department, Animal Control, or Mr. Dolan's office. Those various departments of the City of Dillon require the involvement of a City Judge to perform their work.

Thus, I have not posted asking for job applications for the interim Judge position since I was informed that without the waiver, the selected person would not be serving as City Judge. At this time, my office is working on an interlocal agreement with Judge Hoerning to sit until the new Judge is elected and qualified following the November 7th, 2017 election. At that time, the City Council should appoint the newly elected Judge for the interim and then on January 1st, 2018, take the elected position.

In conclusion, I can assure you, and other members of the Dillon City Council that I and my staff are diligently working to address the complications that have caused concern to the public from this resignation. I would request that you refrain from such clandestine conduct in the future, and explain to myself, your fellow council members, and perhaps Judge Hoerning why you needlessly injected yourself into this matter to the exclusion of the public.

Sincerely,

Michael L. Klakken, Mayor
City of Dillon

"I'm so grateful to be able to be in this HIP program! My health is drastically improving! I have been on blood pressure medication for 10+ years, as well as medication for GERD, and now my doctors feel the medication is unnecessary."

"There is no other program out there that offers what HIP does for the cost – counseling, education, exercise and labs! Each of those things would cost hundreds of dollars separately!"
