REAL Montana Class III takes part in inaugural seminar

The REAL Montana class at their inaugural seminar September 7 in Bozeman.
FRONT (L to R): Kim Gibbs, Rose Malisani, Jillien Streit, Lori Shaw, Lexi Pelagi, Lynda Grande, Karen Helfrich, Sarah Norcott, Jeff Welborn, Jack Alexander. BACK (L to R): Kevin Kanduch, Christian Rohloff, Brian Thompson, Brad Cook, Andy Lundquist, Bridger Mahlum, Alysha Wilson, Tater Erickson, Bonita Cremer, Ben Lehfeldt.

Dillon residents Jeff Welborn and Andy Lundquist just returned from Bozeman as part of REAL Montana (Resource Education and Agriculture Leadership). For Jeff and Andy and other members of REAL Montana Class III, this was the first seminar in their two-year educational program.

While in Bozeman, the class completed personality assessments, participated in a high ropes course, and received training on business etiquette, persuasive speaking, and ethical leadership. Educational panels focused on the growing economy of the Gallatin Valley and speakers included representatives of Simms Fishing, Zoot Enterprises, Montana Instruments, Dry Hills Distillery, Gallatin Valley Land Trust, and the Gallatin County Commission. Class members toured Gallatin Valley Botanical Farm and visited Montana Ale Works for insight into local food sourcing. A highlight of the seminar was a leadership address by MSU President Waded Cruzado and a networking banquet at the MSU Bobcat Stadium Club, attended by REAL Montana spouses, alumni, industry leaders, and program sponsors.

"We Montanans take pride in doing things differently" comments Jeff. "This outside the box approach, to leadership development, is already producing big returns after graduating only two classes."

Andy says "It is an honor to be a member of Class III of REAL Montana. The members of this program have great potential to lead the natural resource industries in our state and I look forward to being a part of it."

Twenty of Montana's emerging and established leaders were competitively selected from a pool of qualified candidates representing a wide variety of agriculture and

END OF SUMMER BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, September 19 from 12:00 to 6:00 PM at the Elks Lodge. The drive is facilitated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 406-200-4438, or log on to www.bloodhero.com and use the sponsor code "Dillon". Walk-ins are welcome, but those making appointments will receive priority.

A critical number of voluntary donations are required every day to meet the need for blood. Blood can only be stored for 42 days, so it is essential that collection is ongoing.

To donate blood, volunteers must be at least 17 years old, weigh at least 110 pounds and be in good health. A donor must not have donated within the last eight weeks.

Please bring your United Blood Services Donor card or photo ID to the blood drive.

The University Of Montana Western Recognized As A Five-Star Character Institution.

The Bulldog Athletic Department at the University of Montana Western was recently notified that they were recognized as a Five-Star Character Institution by the National Association of Intercollegiate Athletics (NAIA). This is the highest rating possible through the Champions of Character program and is a reflection of the outstanding work that all of Montana Western's coaches perform with their teams in the core values of the program.

According to the NAIA, the Champions of Character program is "designed to instill an understanding of character values in sport and provide practical tools for student-athletes, coaches, and athletic administrators to use in modeling exemplary character traits." The five core values of the program are integrity, respect, responsibility, sportsmanship and servant leadership.

Russ Richardson, University of Montana Western Director of Athletics, said "I am thrilled by this recognition as it is a direct reflection of our commitment to the holistic development of the Bulldog student-athletes."

Montana Western Athletics' Programs include Football, Men's and Women's Basketball, Volleyball, Cross Country, Track, Rodeo and Cheer. The Frontier Conference, with Montana Western as one of the charter members, also received the Five-Star Character recognition.

For more information about Montana Western Athletics, visit <http://umwbulldogs.com/> or call 877-683-7220.

HOSPITAL WARNS OF SCAMMERS

Scammers are using a new technique called spoofing to gain phone access to local residents. Recently, residents have been receiving phone calls that appear to be from Barrett Memorial Hospital or Barrett Hospital & HealthCare. Some individuals have even had scammers attempt to take money from them by telling residents they are calling about their hospital bill. These people can make a call appear to be from any number on the caller ID. Be assured that the hospital is not giving away a cruise, selling medical bracelets or calling to tell people they have bad credit.

To read more about spoofing, visit the Federal Communications Commission website at <https://www.fcc.gov/consumers/guides/spoofing-and-caller-id>.

If you feel that you may be a victim of a spoofing scam and want to verify information regarding your bill, please call Barrett Hospital & HealthCare directly at (406) 683-3000.

STRONG PEOPLE PROGRAM

New Session Begins September 18

The program will help participants look and feel better while increasing strength, bone density, and balance. Since 2010, when the program began locally as Strong Women, participants have reported improvement in all of these areas. It is a good program for people of all ages and activity levels.

Participants use ankle weights and dumbbells (provided) in exercises done slowly, beginning with minimal weight and increasing the weight very gradually as the exercise repetitions seem easily completed.

The program is not for profit and leaders volunteer their time. A minimal fee of \$20 per month is charged so equipment can be purchased and rent paid to the Elks Lodge. New participants are encouraged to try the program for two meetings before making the monthly payment. If they choose to continue the program, the fees are charged at that time. Currently the program is being run two days per week (Monday and Thursday) in sessions eight to 12 weeks long, after which participants have the opportunity to continue a maintenance program (no fee charged) until the next session begins. A new session begins Monday, September 18, 2017, from 10:00 until 11:15 at the Dillon Elks Lodge, 27 E. Center St. All former and new participants (including men) are encouraged to attend. Wear comfortable clothing and closed toe footwear. Anyone new to the program should arrive 15 minutes early to complete a small amount of paperwork.

For further information call or text Jeannette Pittman at 660-2777 or Lois Volkening at 925-3774.

Volunteers Sought to Host at Popular Gordon Reese Cabin

The Forest Service is looking for winter recreation enthusiasts to volunteer at the Gordon Reese Cabin located at the Chief Joseph Cross Country Ski area this winter.

Volunteers are welcome to assist in maintaining this popular facility throughout the winter season. Each Tuesday and Friday during the ski season is set aside for volunteers to serve as Forest Service cabin hosts, helping maintain the cabin and trailhead facilities during the day and staying overnight for free. It is not necessary for volunteers to stay in the cabin through the entire day. Volunteers and their guests are encouraged to enjoy and explore the trails and surrounding winterscape. The Forest Service asks that volunteers occasionally return to the cabin to tend the woodstove fire, ensure snow is melting for hot water, and make the cabin clean and comfortable for visitors to use as a warming shelter during the day.

General volunteer host duties include: meeting and greeting the public; answering visitor questions; shoveling paths leading to both outhouses at the cabin and the trailhead; clearing snow from the deck and doors; stocking and cleaning the cabin and both outhouses; restocking firewood from the basement to the main floor and tending the woodstove fire.

To volunteer at the Gordon Reese Cabin, call the Wisdom Ranger District office at (406) 689-3371 beginning October 2, 2017 at 8:00 AM, MST. Due to the popularity of the cabin volunteer program, this will be the only number used for volunteer sign-up; the main District Office phone number will be kept open for regular business calls.

The Gordon Reese Cabin is available to the general public to rent from December 1 through April 15. Reservations are \$10 per day and can be made on-line beginning on October 2, 2017 at www.recreation.gov or call (877) 444-6777. Cancellations are also handled through www.recreation.gov. However, due to the popularity of renting the cabin, last minute reservations and cancellations may be filled by contacting the Wisdom Ranger District office at (406) 689-3243.

As with other rental cabins, renters are responsible for cleaning the cabin, and packing out everything they pack in. During the day, the cabin is available as a warming hut to cross-country skiers, so renters do not have exclusive use of the facilities and are expected to act in a welcoming manner. The upstairs sleeping area can be closed off to provide limited privacy during the day. Pets are not allowed at the cabin or on the trails. Visitors, volunteers and overnight guests must bring their own drinking water and are encouraged to share the large snow-melting pot for boiling water.

The cabin is located approximately 1/2 mile from the Chief Joseph Pass parking area/trailhead on Montana State Highway 43, 10 miles south of Sula, MT and 25 miles west of Wisdom, MT. Access to the cabin is an easy 1/2 mile snowshoe or ski on well groomed trails. The Chief Joseph Cross-country Ski Trail system encompasses over 30 miles (48 kilometers) of groomed trails of various difficulty. The trails are groomed and maintained throughout the ski season by a partnership between the Bitterroot Cross Country Ski Club, Lost Trail Powder Mountain ski area, the Forest Service, and the State of Montana. Contact the Wisdom Ranger District for more information at (406) 689-3243.

Biblical Truth... Bible truth about controversial subjects (part 4)

---We believe the following: (1) the Bible was given by the inspiration of God as stated in 2 Timothy 3:16-17; (2) all statements made in this and any ensuing articles will be based on what the Bible says; (3) the Bible only is the reliable source of spiritual & doctrinal truth; (4) all beliefs in conflict with Biblical teachings are false.---

The subject of baptism is another controversial doctrine due to the fact that religious groups have changed its meaning what the scriptures teach. Two aspects of this controversy are: (1) baptism is or isn't required to gain entrance into heaven; (2) baptism is performed by sprinkling or immersion.

Regarding the first conflict Jesus said, "I am THE way, THE truth, and THE life; no man cometh to the Father but BY ME!" (John 14:6) Jesus is THE way, not A way or part of THE way.

Many scriptures refer to believing or placing faith in Jesus Christ for salvation without reference to baptism or any other action on man's part. Jesus stated also in John 3:18 that we are not condemned if we believe on Him, but are condemned if we don't believe on Him. There is no reference to anyone being eternally condemned because they weren't baptized.

A scripture some have used to support the theory that baptism is a requirement for salvation is Acts 2:38. In this verse Peter said, "...Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost."

The meaning of this scripture can be illustrated by the statement, "I will give my wife a gift for her birthday." Would this statement lead you to conclude that I am giving my wife a gift in order that she can have a birthday? Or would you understand that I am giving her a gift because she already has a birthday? It is obvious in the scripture and the illustration that *for* means *because of*. This means that remission of sins is the result of repentance, **NOT** baptism.

Conclusion: Baptism follows salvation as illustrated in John 4:1. Note that they first became disciples and then were baptized.
