Susan Jeanine "Sue" Eastman, 61

April 26, 1956 - September 14, 2017

Sue was born to Glen and Jeanine Eastman on April 26, 1956 in Evanston, Wyoming. Sue passed away on September 14, 2017 after a long illness. Sue graduated from the University of Wyoming with a Bachelor of Science in Nursing in 1976. She became a Registered Nurse and worked in Butte, Montana at the St. James Hospital emergency room. She met her husband Nick Stanisich in Butte and they were married in Evanston Wyoming on December 29, 1984. Together they moved to Idaho Falls, ID, where she worked in the Parkview Hospital emergency room and later she found her true calling as a School Nurse for Idaho Falls School District 91, where she worked until 2001. She moved with her family to Dillon Montana in 2001 and worked for community health until she retired from nursing in 2006.

Sue was an exceptional RN who worked tirelessly for patients. She was a beautiful, wonderful and loving daughter, mother, and wife. She had a zest for life and instilled that same inspiration in her children and husband. She was an avid swimmer. It was beautiful watching her cut effortlessly through the water.

She is survived by her mother Jeanine Eastman of Evanston Wyoming, her husband, daughter, Ellie Stanisich and son Marko Stanisich. Her surviving siblings include Doug and Mike Eastman of Evanston. Her Father, Glen Eastman preceded her in death.

Sue was fond of dogs and became especially close with her latest family pet Sid.

A visitation will be held at Brundage funeral Home from 6 to 9 PM Monday evening, September 18, 2017. A Graveside ceremony and internment will be held at 2:00 PM the following day at Mountain View Cemetery, Dillon. Following internment there will be a reception held for family and invited guests at the family home on Rodeo Trail.

In lieu of flowers donations should be sent to the Beaverhead County Animal Shelter.

There is a guestbook available online at www.brundagefuneralhome.com.

Stage 1 Fire Restrictions Rescinded in Parts of SW Montana

Due to the recent cooler weather conditions and precipitation, Beaverhead-Deerlodge National Forest, Bureau of Land Management and the MT Dept. of Natural Resources and Conservation (DNRC) fire managers have decided to rescind all Stage 1 fire restrictions in parts of southwestern Montana.

Effective September 15, the Stage 1 fire restrictions have been rescinded in the following areas: Madison County, Beaverhead County, Deer Lodge County, Silver Bow County, Powell County south of I-90 and Highway 12 and Granite County south of I-90 and east of the Lolo National Forest boundary.

This rescission affects the following lands within the listed counties; state lands under the jurisdiction of Montana Department of Natural Resources & Conservation (MT DNRC); and lands under the jurisdiction of Bureau of Land Management (BLM), and Forest Service (FS).

Although Stage 1 fire restrictions have been lifted, outdoor debris and pile burning remains closed. Residents and visitors are reminded to continue to be careful with fire.

For additional information on fire restrictions, visit the fire restrictions website at www.firerestrictions.us.

END OF SUMMER BLOOD DRIVE

A Dillon community blood drive will be held on Tuesday, September 19 from 12:00 to 6:00 PM at the Elks Lodge. The drive is facilitated by United Blood Services and sponsored by the Presbyterian Church. Appointments can be made by calling 406-200-4438.

To donate blood, volunteers must be at least 17 years old, weigh at least 110 pounds and be in good health.

Please bring your United Blood Services Donor card or photo ID to the blood drive.

**COACH T.J. NELSON HEADED INTO
 THE NAIA HALL OF FAME**

Former University of Montana Western wrestling coach T.J. Nelson is heading to the NAIA Hall of Fame. The National Association of Intercollegiate Athletics (NAIA) announced 21 honorees with the association's highest individual honors as part of its annual NAIA National Awards Day, including the selection of Coach Nelson for the Hall.

T.J. was the head wrestling coach at Montana Western from 1987-1996. During his tenure, T.J.'s teams finished in the top 5 nationally, including earning the National Championship in 1994. Nelson is responsible for coaching 45 All-Americans and 9 National Champions. His NAIA coaching accolades include: Frontier Conference Coach of the Year, District 12 Coach of the Year, national Rookie Coach of the Year, and NAIA Wrestling Coach of the year. In addition, he was inducted into the University of Montana Western and the Whitehall High School Halls of Fame. Coach Nelson continues to impact student-athletes in his role as the wrestling coach at Beaverhead County High School in Dillon, Montana where he has an amazing record of 105 wins with only 10 losses.

More important than all of his accolades and accomplishments, T.J. earned the reputation of being a great mentor with high expectations for the student-athletes he coached. Most of his wrestlers continued on to finish their degrees and many are now impacting the next generation of student-athletes as they have gone on to coach and mentor; reflecting the positive attributes modeled by Coach Nelson. "I could not think of a better person that deserves the honor of belonging to the Wrestling Hall of Fame. He is a class act in all that wrestling represents both on and off the mats," said Bob Beers, Former Athletic Director at the University of Montana Western.

Coach Nelson will be honored during the NAIA championship in De Moines, Iowa in March.

Fishing Restrictions Lifted On Madison River

Montana Fish, Wildlife and Parks will lift the hoot owl restrictions on the lower Madison River from Ennis Dam to the mouth effective Friday. With cooler water temperatures, this section has met criteria for reopening.

In most cases, according to drought management plans, rivers with hoot owl restrictions due to high water temperatures reopen on Sept. 15 automatically anyway.

In Region 3, the only remaining restrictions in place are the full closures of Section I and V of the Big Hole River as follows:

From Saginaw Bridge on Skinner Meadows Road to the Mouth of the North Fork Big Hole River;

From Notch Bottom Fishing Access Site to the confluence with the Beaverhead River.

For up-to-date information on restrictions related to drought, visit <http://fwp.mt.gov/news/restrictions/>.

Attorney General Fox to Present Landmark Report on Substance Abuse in Montana

Montana Attorney General Tim Fox will hold a press conference on Tuesday, September 19 at 11:00 AM to present a landmark report on substance abuse in Montana. The report is part of his office's Aid Montana: Addressing the Impact of Drugs initiative, and outlines what the state of Montana currently does to address substance abuse.

The report is a compilation of information essential to the Aid Montana initiative's mission of reforming and improving how Montana addresses our state's substance abuse crisis through a comprehensive strategic plan.

Preview of Statistical Information

• From 2013 to 2016, the State Crime Lab experienced a 143-percent increase in substance samples testing positive for methamphetamine, making it the most common drug found in tests conducted by the Montana Crime Lab

• In 2016, 53-percent of the Montana Department of Justice Division of Criminal Investigation Narcotics Bureau investigations involve methamphetamine.

• 24% of rape offenses in Montana involve a perpetrator who is using alcohol and 7% involve drugs or narcotics.

• 63% increase in arrests for felony and misdemeanor drug possession in Montana since 2009.

• Sheriffs and administrators in Montana routinely estimated over 90% of the individuals held in custody were charged with addiction-related offenses.

• 40% of the more than 14,000 felony conviction offenses in Montana from 2012-2016 involved drug possession, distribution or felony DUI.

"I have been sleeping so much better than for years!"

"I'm so grateful to be able to be in this HIP program! My health is drastically improving! I have been on blood pressure medication for 10+ years, as well as medication for GERD, and now my doctors feel the medication is unnecessary."

"There is no other program out there that offers what HIP does for the cost - counseling, education, exercise and labs! Each of those things would cost hundreds of dollars separately!"

"Amazing program. Period."

"My A1C went from 9.7 to 6.1. I can live with that."

PHEASANTS FOREVER

Sept. 23, 2017 • Youth Hunt

Hosted by the **Pheasants Forever Beaverhead Chapter 862**
& the **Circle 3 Ranch**

The local chapter of Pheasants Forever is hosting another Youth Hunt. Youth between the ages of 12 and 17 interested in Upland Bird Hunting are encouraged to register. Activities include a Hunter Safety Review on Sept. 19 at the Dillon Gun Club located off of Blacktail Road.

This September hunt will begin at 8:30 AM, Sept. 23 at the Circle 3 Ranch, just 4 miles north of Dillon, MT.

The Chapter will host 12 youth submitting completed registration forms on first come, first serve basis.

Hunters must be of 12 to 17 years of age, have passed a Montana Hunter Safety program and have in their possession a current 2017 Montana FWP hunting Upland Bird permit. Our PF registration packet includes a Youth Application with parent/guardians authorization form, a Youth Hunt waiver and photo release application.

Candidates must request a registration packet from the PF Chapter, by calling either Shannon Maness or Fred Chouinard, 406-925-3632 or 406-660-2247.

Deterra Medication Disposal Bags Press Release

August 2017

The Chemical Dependency Bureau of DPHHS is excited to work alongside the Interagency Coordinating Council (ICC) for State Prevention Programs in announcing the most recent interagency collaboration for prevention in Montana; the procurement and upcoming arrival of 100,000 Deterra medication disposal bags. Deterra bags, an at-home medication disposal system or drug deactivation system does not need to be mailed-in or taken to a disposal site making them ideal for rural and frontier Montana households. These Omni degradable bags contain activated carbon that when mixed with warm water renders the pharmaceutical compounds inert and safe for household trash. By reducing the availability of unwanted, unused and leftover prescription medication, we protect individuals, homes and families, taking a step towards a safer and healthier Montana and furthering other ongoing opioid overdose prevention initiatives.

From late August to early September the disposal bags will be distributed to all 56 counties of Montana. The 26 counties without drug-take back locations or "drop-boxes" will receive a greater portion of disposal bags in attempts to reach those in rural and frontier locations. Prevention specialists working in each county will receive the bags and disperse them at pharmacies, prescribers, health departments, law enforcement and schools within your communities who will then in turn disperse bags directly to individuals and households. This is a one-time opportunity provided by the Opioid State Targeted Response grant awarded by SAMHSA, but it is possible to make individual or organizational purchases through Deterra. By strengthening community awareness, response and support we can all play vital roles in reducing access to unused or unwanted prescription medications in Montana communities.
