Drive-thru Flu Shot Clinic Offered

Beaverhead County Public Health will offer a drive-thru flu shot clinic this Friday, September 29th from 11-2 in the parking lot in front of Womack's Printing. (across from 126 N. Montana Street.)

The public health staff will be using the clinic as an emergency preparedness exercise to test the functionality of a drive-thru clinic. In times of public health emergencies, it may be necessary to deliver vaccine or medication using this process. The staff hopes that people will wait until this time to get their flu shot so public health can really test how it will work. There will be 2 simple steps to follow. First follow the signs and stop at the first table for paperwork/payment, then drive to the next table and get your flu shot (no need to get out of your vehicle!), and that's it!

For those who cannot wait for this special clinic, the office will be open for flu shots on Wednesdays, 9 to 1 and 2 to 5. Please bring a copy of your insurance card (both sides), if you want your insurance billed. The cost of the flu vaccine is \$25.00 and \$50.00 for the hi-dose vaccine for those over 65 yr. We prefer not to vaccinate children under the age of 5 using the drive-thru clinic.

For more information, please call Beaverhead County Public Health at 683-4771.

Council meeting Sept 20, 2017

By: MJ

Councilwoman Maass presented a letter to the council regarding the Victim Witness Advocate Program account with a balance of \$20,000±. Police Chief Guiberson presented a letter on the usage of Victim Advocate Funds and explained the law that must be followed. The account has a history of a Resolution in 2005 and an MOU in 2015 between the city, county and sheriff's department for sharing expenses. The money will be used for the qualified person that will be hired. There is two sides to this story and laws that must be followed.

AED: Mr. Paul Craft has been working with the Mason's on a project for purchasing External Defibrillators (AED's) that will be placed around town and be accessible to the public. **Note:** AED is high tech electronic computerized device that applies an electric shock to restore the rhythm of a fibrillating heart. The Masons will be buying these for around \$1,000±. They were at the meeting to inform the council about the project and would like to place one in the city bus. Mr. Craft reported that 90% of people lives can be saved if an AED is available within 6 minutes of person having a heart attack. If individuals or other entities want to purchase an AED that is acceptable however not required.

City Judge & Council Minutes: The past conversations at meetings for replacing city judge was discussed. It was pointed out by Tribune representative that the minutes did not reflect the actual conversation between Mayor and Council members. Mayor said the secretary would go back and listen to audio making any corrections needed. **Note:** The minutes are a summary and not verbatim transcript. With the election being in November and the state training requirements of a judge it was agreed upon that the Justice of Peace for

county, Judge Hoerning would fill in for city. Judge Hoerning was in attendance at council meeting and explained the process of filling the vacated city judge's position in detail.

Appeal by Mr. Jerry Meyers: (Council Denied appeal) Mr. Meyers removed a trailer off one of his personal lots and within 3 days moved another trailer in. The zoning committee turned down Mr. Meyers permit because the trailer he was moving in did not comply with zoning code. **Councilman McIssac** stated that there was no appeal process and was adamant that this issues should not be discussed by council. City Attorney Dolan was not sure there was an appeal process. Mr. Rick Later told the council that he and the Director of Operations looked at the trailer. He stated it had two doors and a receipt in the electrical box showing it had been checked. He went onto say it looked good. *Mr. Meyers asked the council if he could do anything with his property. He went onto say that he had a 1972 trailer that I can't put anywhere in Dillon. The council did not disagree with him. Is the city working for or against citizens (taxpayers) in Dillon? Is there not a middle ground that can be found between all parties involved or does the city take the position that there is no middle ground.*

Grandfather Clause: Councilman Hand asked about the Grandfather Clause. Mr. Raymond Graham, chairman of Zoning Board stated that if the trailer is replaced within 1 year, if a house burns down and rebuilt in 1 year it would be grandfathered. **Note:** He went onto say the zoning document says no trailer can be denied if it is brought up to code.

Council lady Maass: Ms. Maass announced that she would be moving out of town in the near future.

THANK YOU

The Women's Resource Center would like to extend our gratitude to the Sponsors, Break-out Session Hosts, and the Attendees who made the 2nd Annual Women's Symposium another great success. With break-out sessions ranging from Backpacking to Self-Defense to Financial Planning, those in attendance loved the "passionate & knowledgeable" instructors. They were also "moved & inspired" by keynote speaker Tara Walker Lyons.

Thanks to everyone that made the 2nd Annual Women's Symposium possible and we look forward to next year's event!

Veterans' Ride Program

Tom Straugh

My replacement is Ken Kuchler, a retired Navy Chief and local Montana boy. He was born and raised in Butte Montana, a miner's son, and eventually graduated from Sheridan High school. He spent most of his summers growing up in Dell and Lima and truly considers this area his home. After 21 years in the Navy he has returned to enjoy the great life Montana has to offer. He has a wife and three children and looks forward to serving our hometown heroes and their transportation needs here in southwest Montana.

You will hear a different voice when you dial 660-1294 but the service will still be there for all veterans who have VA approved medical appointments. Missoula to Billings, Anaconda, Bozeman, Fort Harrison and civilian providers will continue to be the destination for the van. Give us a call. We like to keep the wheels rolling!
