Duane Dale Eller

Duane Dale Eller of Dillon Montana passed away October 4, 2017 after a long courageous battle with metastatic prostate cancer. He was born April 5, 1945 in Grangeville Idaho to Dale and Willetta (Carlson) Eller.

He attended grade school and high school in Nezperce Idaho. During high school he worked for the state of Idaho and when he turned 18 the National Forrest Service. He attended Butte Business College in Butte Montana, where he met the love of his life, Joyce Marie Smith. They had been married for 53 years. He was drafted into the US Army in 1966, where he served in Germany before being honorably discharged. After his discharge he worked on his wife's family ranch in Twin Bridges until it sold, where he went to work for Coast to Coast, Quality Supply, and eventually Rocky Mountain Supply in Dillon before his health forced him to retire in 2011.

He is survived by his wife and children, Stephanie Eller of Dillon, Chris & Nicole (Eller) Booth of Dillon, and Jerrod Eller and Jenn Hyett of Belgrade, three grandsons Ronnie Freeman, Michael & Sara Eller, Kyle Eller & Cheyenne Sands, and two granddaughters Alex Eller & "G" Eller, and was looking forward to meeting his future great grandbaby Eller next spring. He is also survived by sisters Becky Eller of Lewiston ID, Janine & Ron Porter of Coeur d'Alene ID, Lori & Barry Estes of Boise ID, brother Timothy Eller of Nezperce ID and numerous nieces and nephews.

He was preceded in death by his parents, sister Sharlyne Dinell, infant sister Kathleen Eller, and nephew Mike Porter. Cremation has taken place. Memorial services will be October 9, 2017 at 11:00 pm at Brundage Funeral Chapel in Dillon. Memorials in his honor can be made to the Dillon Cubs, American Legion or American Cancer Society.

A guestbook is available at www.brundagefuneralhome.com

CELEBRATION OF THE COMPLETION OF PHASE I FOR THE MONTANA CENTER FOR HORSEMANSHIP.

The Montana Center for Horsemanship (MCH) and the University of Montana Western has scheduled an Open House Celebration for Thursday, Oct. 5, 2017. The event will be held at the MCH, which is located right off of Hwy. 91 S., 1.5 miles from the Montana Western campus at 757 Horseman Way in Dillon, Mont.

The Open House celebrates the completion of Phase I fundraising goals, which resulted in over one million dollars raised in a year to construct a state-of-the-art 200'x300' indoor arena, greatly benefiting Montana Western's Natural Horsemanship students. The Open House also launches the next round of fundraising for the MCH. Phase II's objectives are to raise one million dollars to construct a conference center including a much-needed veterinary room and classroom.

According to William Kriegel, co-founder of the MCH, "This will be the first conference center in the county to provide further opportunities for the community of Dillon to be a destination for equine and agriculture related conferences and conventions."

The event will begin with student-guided tours of the MCH from 4:30-5:30 p.m. The celebration will then begin at 5:30 p.m., with Master of Ceremonies Beth Weatherby, Chancellor of the University of Montana Western, providing opening remarks. The Open House is free and open to the public, and light refreshments will be served. For more information about the MCH Open House, please contact Executive Director of the Montana Western Foundation, Roxanne Engellant, by email at roxanne.engellant@umwestern.edu, or call (406) 683-7305.

Medicare Help

State Health Insurance Assistance Program counselors will be available in Dillon on October 17, 2017 to help beneficiaries review current Medicare Prescription Drug Coverage or Medicare Advantage Plans. The event is by appointment only and will be held at the Dillon City Hall. Those interested in meeting with a counselor are asked to call Southwest Montana Aging and Disability Services at 782-5555 or 800-551-3191 (toll free). We encourage all seniors to take advantage of the Medicare Open Enrollment Period, (October 15 - Dec. 7), and review their coverage to make sure that their current Prescription Drug or Medicare Advantage Plan is still the best one for them.

The State Health Insurance Assistance Program trains counselors to provide unbiased information to seniors regarding their Medicare coverage. This service is provided at no cost to the beneficiary, although donations to the program are appreciated.

THE UNIVERSITY OF MONTANA WESTERN ANNOUNCES LIVING HISTORY EVENT

The University of Montana Western's Environmental Sciences department has announced "The Birch Creek Civilian Conservation Corps Camp: A Living History" event for Sunday, Oct. 15, 2017 from 1-3 p.m. at the Birch Creek Center. This event will feature students from Montana Western's Environmental Interpretation course recreating a working Civilian Conservation Corps (CCC) Camp based on those that operated from 1933-1942 as part of President Franklin D. Roosevelt's New Deal. The Birch Creek Center is one of the best preserved CCC camps in the nation, and will serve as an authentic environment for the students to present their research.

The students in the course, who have been heavily researching and preparing for the event, will be recreating the roles and sharing the history of several positions in the camp at the time. Their roles include the CCC working "boys," the camp military officer and surgeon, and the local unemployed men who were referred to as "lems" who served as local guides to teach the boys how to work in the field performing tasks including building roads and bridges, telephone lines, constructing masonry work, and planting trees. Generally, women were not present at the CCC camps, so the female students in the course will be sharing their reasons for visiting the camp for the day, including the delivery of supplies.

The event is free and open to the public, and no reservations are required. Light refreshments will be served, and guests should dress appropriately as the event will take place rain, shine, or blizzard. Guests are asked to please not bring dogs to the event.

For more information, please contact Environmental Sciences professor Linda Lyon by calling (406) 683-7075.
