Second Annual Community Spaghetti Dinner Honoring All Service Members, Veterans and Their Families

The Beaverhead County Chapter of Joining Community Forces cordially invites all service members, veterans and their families to its second annual spaghetti dinner at St. James Episcopal, 203 E. Glendale, Thursday, October 12 from 5-8 p.m. This event is free.

Joining Community Forces started in 2011 as a national initiative by Michelle Obama and Dr. Jill Biden to encourage communities and organizations to collaborate and support service members, veterans and their families.

The local chapter began in the fall of 2014 when interested community members gathered to focus on seven key service areas to offer support. Those key areas are: Behavioral/Physical Health, Family/Youth, Education/Career, Financial Wellness, Faith-Based, Legal and Crisis Response.

This dinner is one way to show appreciation for the services and sacrifices these men, women and their families have made for our country. It also provides an opportunity for local service members, veterans and their families to meet.

For more information, contact Jodie Jolly at 925-3563.

Aerial Weed Spraying Adjacent to Interstate 15

The Butte and Wisdom Ranger Districts of the Beaverhead-Deerlodge National Forest (BDNF) are planning an aerial spray project to treat noxious weed populations adjacent to the Interstate 15 corridor between October 6 and 13. Spray locations include: Fleecer Mountain; German Gulch- Norton Creek and Charcoal Gulch to Water Gulch. The area around Charcoal Gulch is being sprayed in cooperation with Montana Fish Wildlife and Parks, the Bureau of Land Management, and Silver Bow County, while the area around German Gulch is being sprayed in conjunction with Beaverhead County.

Additional spraying will occur in and around Trapper Creek, Canyon Creek, Maiden Rock and Cop Jackson in conjunction with Beaverhead County. These project were made possible with support from Resource Advisory Committee (RAC) funding and a grant from the Rocky Mountain Elk Foundation.

For more information regarding times and locations of spraying contact the Butte-Jefferson Ranger District at (406) 494-2147, or the Wisdom Ranger District at (406) 689-3243.

**10 MINUTE PLAY FESTIVAL AS PART OF THE BANK
 OF COMMERCE PERFORMING ARTS SERIES**

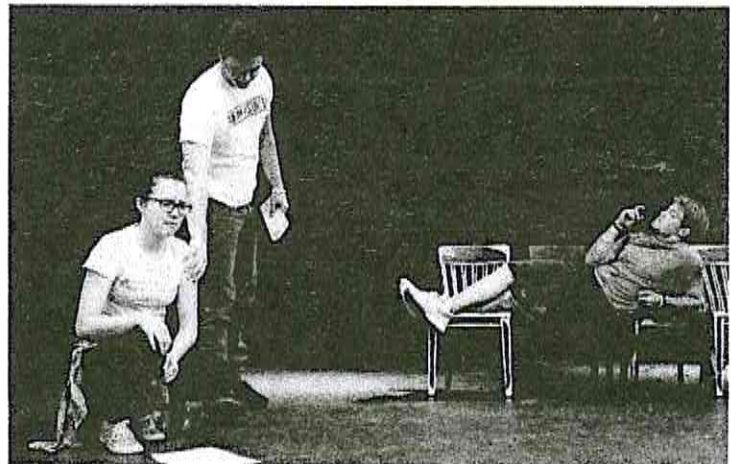

The University of Montana Western's Theatre students are pleased to announce the 15th Annual Ten-Minute Play Festival to be held October 12 through 15 as part of the Bank of Commerce Performing Arts Series. The performances will begin at 7:30 p.m. each night in the Small Auditorium (room 314) in Main Hall on the University of Montana Western campus.

Over forty students will perform as cast, crew and directors for the 22 plays presented. This year, each play will be set in a different hour of the day. Every nights' program is different, since seven or eight plays will be presented each night.

At the end of the first three nights' performances, the audience will vote for their two favorite shows, with the winners performing again for the final night of performance. The overall winners will be chosen on the final night by the audience.

The directors all come from the Play Production Class taught on the campus this semester block by adjunct professor Larry Brazill. Tickets are \$5 and \$8 at the door; Montana Western students are admitted free of charge. Season tickets are \$40 and are available by calling 406-683-7101.

For more information about the 15th Annual Ten-Minute Play Festival, please contact Larry Brazill by calling 406-683-7038.

From left to right: Montana Western students Caitlin Hortet, Kasey Mock, and Paul Helfrich rehearse for their upcoming performance at the 15th Annual 10-Minute Play Festival.

Local Gov't Procedural Process

By: MJ

The local government follows "Roberts Rules of Order." This is a book that outlines in detail a meeting process. Motions made in the "positive" does not mean that the motion will be passed. You may hear or see that your representative on the council made a "positive" motion about a subject you object to. The positive motion made by your representative does not mean they are in favor of motion. It just means that the entire council or committee can now have a discussion and take a final vote.

MOTIONS: A motion must be stated in a "positive" method in order for a subject to be discussed by the governing group. **Example:** "I move that the building permit be accepted as drafted." After the motion is made the group may have pro and con discussions. When discussions are completed the chairperson calls for a vote. At this time the voting members may vote "yea" or "nay"/for or against the issue.

COMMITTEES (How they work): The city has designated committees. **Example:** Zoning, City Hall, Water and Sewer, Streets, Cemetery, Parks, Judicial... The committees are a group made up of 1 or 2 council persons and public members. The committees research the subject to be voted on by the council and come up with a recommendation that is sent to the council via the committee's minutes. *The council is the only body that can make final decisions therefore only recommendations are sent to the council by the committee.* **Note:** The zoning committee can make limited decisions. Sometimes a representative from the committees will give a broad rendition to the council of how they made the recommendation. Often these reports are lacking in hard actual facts and figures. **Question:** At times it appears that the council just rubber stamps whatever the committee recommends without question. **Note:** Committees are a skeleton group with 1-2 council persons and 1-2 public members. Zoning board is an exception with more members.

At the last council meeting a gentleman who replaced a trailer on his property and the zoning committee voted to reject the trailer came to the council and asked for an appeal. **Note:** It was a pre-1976 trailer and the council. Councilman McIssaac stated that the council could not honor an appeal as there was no direction in any of the documents they followed to allow an appeal. Appeal was denied by unanimous vote of council.

Here's the Dillon Middle School news for the week of October 9th through 13th, 2017

The lunch menu for the week is as follows: On Monday we will enjoy a baked potato bar. On Tuesday stromboli will be served with rotini with white sauce, and on Wednesday, we will have local beef hamburger on a school made bun with trimmings. Thursday we will enjoy taco salad with trimmings and black beans. And on Friday, we will enjoy a weiner wrap with savory rice.

There will be early release tomorrow, Tuesday, October 10th, and Wednesday, October 11th, at 2:35 pm due to parent teacher conferences at BCHS. DMS parent teacher conferences will be October 16 and 17, from 4 to 7 PM. We are hoping for 100% parent participation.

Midterms went home with students last Friday, October 6th. Attached to their report card were the smarter balanced testing scores. Parents, please make sure you take a look at your student's results. If you didn't receive these items, please call the DMS office.

Academic Olympics is getting underway. An informational meeting was held last week. If you missed out, please see Mrs. Waldorf ASAP.

Football hosted Butte East last Tuesday night. 8th grade won 34 to 24. Scoring for the Cougars was: Jack Gibson - 2 rushing TDs and a 2 point conversion... Conner Curnow 1 rushing TD and a 2 point conversion pass ...John Bramlet recovered a fumble in the end zone for a TD...John Kirkley had a reception from Curnow for a 2 point conversion. In 7th grade football, the team won 40 to 18 over Butte East. Mr. Williams said it was a real team effort, with the linemen doing a stellar job. Congratulations boys.

Volleyball played well against Butte East in Butte. The 8th A team won in two. The 7th A team won in three. Neither B team could pull off a win, but all the girls have improved a lot. The serving by all the teams was tremendous. Great job ladies.

Boys basketball begins Monday, October 23rd. 8th grade will practice in the new gym, while 7th grade practices in the DMS gym. Remember, you will be unable to participate until you have your concussion packet completed - which includes 5 pages that need to be signed. Three regard concussions, one is your physical, and the last is the parent permission form.

If you participated in football or cross country you only need to fill out and sign a new parent permission form. 6th grade boys' basketball will begin Monday, October 30th after school in the Parkview gym.

KING RUNS OVER BRONCS

Dillon's quarter back Koby King run pass the Frenchtown defenders 3 times to keep his team undefeated.

Friday night in Dillon the Beavers saw King run three times for short yardage into the end zone and team mate Grayden Greenslave ran in for two more scores. The Beavers successfully shut down the offense of the Broncos and only allowed them to score on the defensive side.

BEAVERS VOLLEYBALL

Brynley Fitzgerald had a match high of 13 kills and led the team with 15 digs as the Beavers swept the Butte Central 25-23, 25-18, 25-19 Thursday night in Butte. The Beavers were down by 5 in the first game when coach Angela Racicot called a time out and got things back in line and came back strong. In the next set the Beavs got out to a 6-0 lead and never fell behind. The third set the Beavers attacked and Butte could not get them stopped.

STEVENSVILLE OVER DILLON

The Beavers went to four sets against Stevensville before falling 3 - 1 Saturday. Savannah Hansen and Brynley Fitzgerald led the team with 22 kills between them and Halle Steward had 19 assists while Kyndall Petersen and Savannah Hansen each had 15 digs and Halle Steward had 5 aces.
