DEATH NOTICE

Word has been received that Jim McAndrews passed away yesterday, October 9th at his home with his family by his side. A full obit will follow.

Montana Watercolor Society Stick Game

Dillon watercolor artist, Jessica Glenn, was the recent winner of the President's Award at the Montana Watercolor Society's water media fall juried exhibit in Kalispell. Her painting featured a light-filled representation of the Stick Game at a Native American Pow Wow in Arlee. Glenn, a signature member of the Montana Watercolor Society has works on display at The Tendoy Fine Art Gallery in Dillon, as well as other galleries around the state. "I'm pleased to have won this prestigious award, says Glenn. "This show is open to artists across the United States and to get juried in is exciting, let alone receive this recognition."

The Fall juried show is an annual event of this statewide group that also hosts a 4-day workshop for society members and guests concurrent with the juried show. Water media artist and member of the American Watercolor Society, Robbie Laird, was the instructor this year, presenting a variety of mixed media techniques that reflect Laird's expressive, textural painting style. Twenty two artists from around Montana gathered for the workshop including Jean James, also a Dillon artist, who was awarded a scholarship to attend.

**MONTANA WESTERN ANNOUNCES
 HALL OF FAME INDUCTION CEREMONY**
 The University of Montana Western has announced its Hall of Fame and Alumni weekend for Oct. 20-21, 2017. The event kicks off on Friday with a cocktail hour from 5:30-6:30 p.m. in the Lewis and Clark Room in Mathews Hall on the Montana Western campus, followed by dinner and the Hall of Fame Induction Ceremony. On Saturday, tailgating will begin at 12 p.m. followed by the Bulldogs vs. Eastern Oregon University football game and the introduction of the 2017 inductees during halftime. Later that evening, a no-host social will be held starting at 8 p.m. at The Den, Steakhouse & Bar.
 Montana Western will induct Tom Yahraes, Neil Christiaens, Gordon Stephens, and the 1967 Football and 2004 Women's Rodeo Teams.
 A graduate of Glassboro State College and Southern Illinois University with a Master's of Science in Education, Tom Yahraes served as Vice Chancellor for University Relations and as Executive Director of the University of Montana Western Foundation. He served in these roles during his 16-year tenure at the university. While at Montana Western, Tom supervised the athletic programs, staff and facilities. Intermittently, he also served as Athletic Director and as Montana Western's representative to the Frontier Conference. Yahraes was instrumental in organizing the first Bulldog Golf Tournament, now known as the Scholarship Scramble with Coach Mick Delaney. This proud tradition carries on raising money for student scholarships and is now in its 25th year. As director of the Foundation, he fundraised to improve the Vigilante field grandstand, press box, concessions, restrooms and the locker rooms for players and officials. Since departing from UMW, Tom served as a consultant for Montana Western's capital campaign and New Mexico State University Alamogordo's Foundation Board.
 Neil Christiaens graduated from the University of Montana Western in 2007 with a Bachelor of Arts in Social Science, followed by a teaching endorsement in 2011. While at Montana Western, Neil Christiaens was a member of the basketball team from 2000-2004. His many accomplishments include taking first team All Frontier Conference in 2000-01, 2001-02 and 2003-04. He was also selected for NAIA All-American distinction in 2001-02 and 2003-04. Neil also led the NAIA Division 1 and Frontier Conference basketball in the 3-point shooting percentage in 2001-02 and 2003-04. Since graduating from UMW, Neil has coached basketball in three Montana schools: Twin Bridges, Cut Bank, and his hometown of Valier where he is currently head coach. While at Twin Bridges, his team won the 2009 Class C State title beating Rocky Boy. His team at Twin Bridges also won two conference regular season titles, two conference tournament titles, and two Western Class C Divisional titles. Neil started his teaching career in Cut Bank, Mont. where he continues to teach Government, World History, and

Gordon Stephens graduated from the University of Montana Western in 1996 with a Bachelor of Science in Secondary Education in Mathematics and a minor in History. While at Montana Western, Gordon was a member of the wrestling team from 1991-1992. He was also a member of the football team from 1991-1995. His many accomplishments include being named as a 1993 and 1994 Division 1 Football All-American Scholar-Athlete, and as a 1994 Division 1 Football All-American HM Defensive End. He was a 1993 and 1994 All Conference 1st Team selection, was listed in the top 10 Academic Athletes at Montana Western in 1994-1995, and was a member of the 1994 Frontier Conference Champions and NAIA Division I Semi-Finalist football team. Since graduating from UMW, Stephen moved to Texas and began his career as a high school math teacher and has coached baseball, football, softball, and wrestling. He started the first wrestling program at Western Hills High School in Fort Worth. In 2007, Stephens started teaching and coaching at Lamar High School in Arlington, Texas where he still lives with his wife Monica and their 16-year-old daughter, Hannah.

The 1967 Football team garnered the Frontier League's first championship with a 55-6 rout of Rocky Mountain College in the season's finale. Overall the Bulldogs posted a 6-1 season and, following a season opener loss to Ricks College, rolled to six straight victories.

As a result of the effort put forth by the Bulldogs, other honors came to the team and its members. Legendary Coach, Casey Keltz, was named "Coach of the Year" by his fellow coaches. Members of his team honored as All Conference for the offensive team: Mike Charlton, tight end; Leon Hartvigson, guard; Ed Ferris, wingback; and Steve Poole, running back. Those on the defensive team: Jim Clairmont, tackle; Bill Posivio, guard; Bob Crawford, linebacker; and Jack Filcher, back.

The 2004 Women's Rodeo Team competed at the 55th Annual College National Finals Rodeo in Casper, Wyo. and brought home a very exciting second place finish.

Individually placing in the breakaway roping at the CNFR were cousins Bryant Worthen with a second-place finish and Maquel Fleming coming in fifth. The two together scored all of the team's points during the final round, bringing the entire team to the runner up position. The team consisted of Bryant Worthen, Krystal Nemitz, Michelle Erickson and Maquel Fleming. The team was coached by Iola "Olie" Else, who was named the National Intercollegiate Rodeo Association National Coach of the Year during this season.

Call the Montana Western Alumni Office at 406-683-7306 to reserve your tickets for the dinner and ceremony. Tickets are available for \$20 for adults, \$10 for ages 6 - 17 and admission is free for ages 5 and under.

KLAKKEN FOR MAYOR

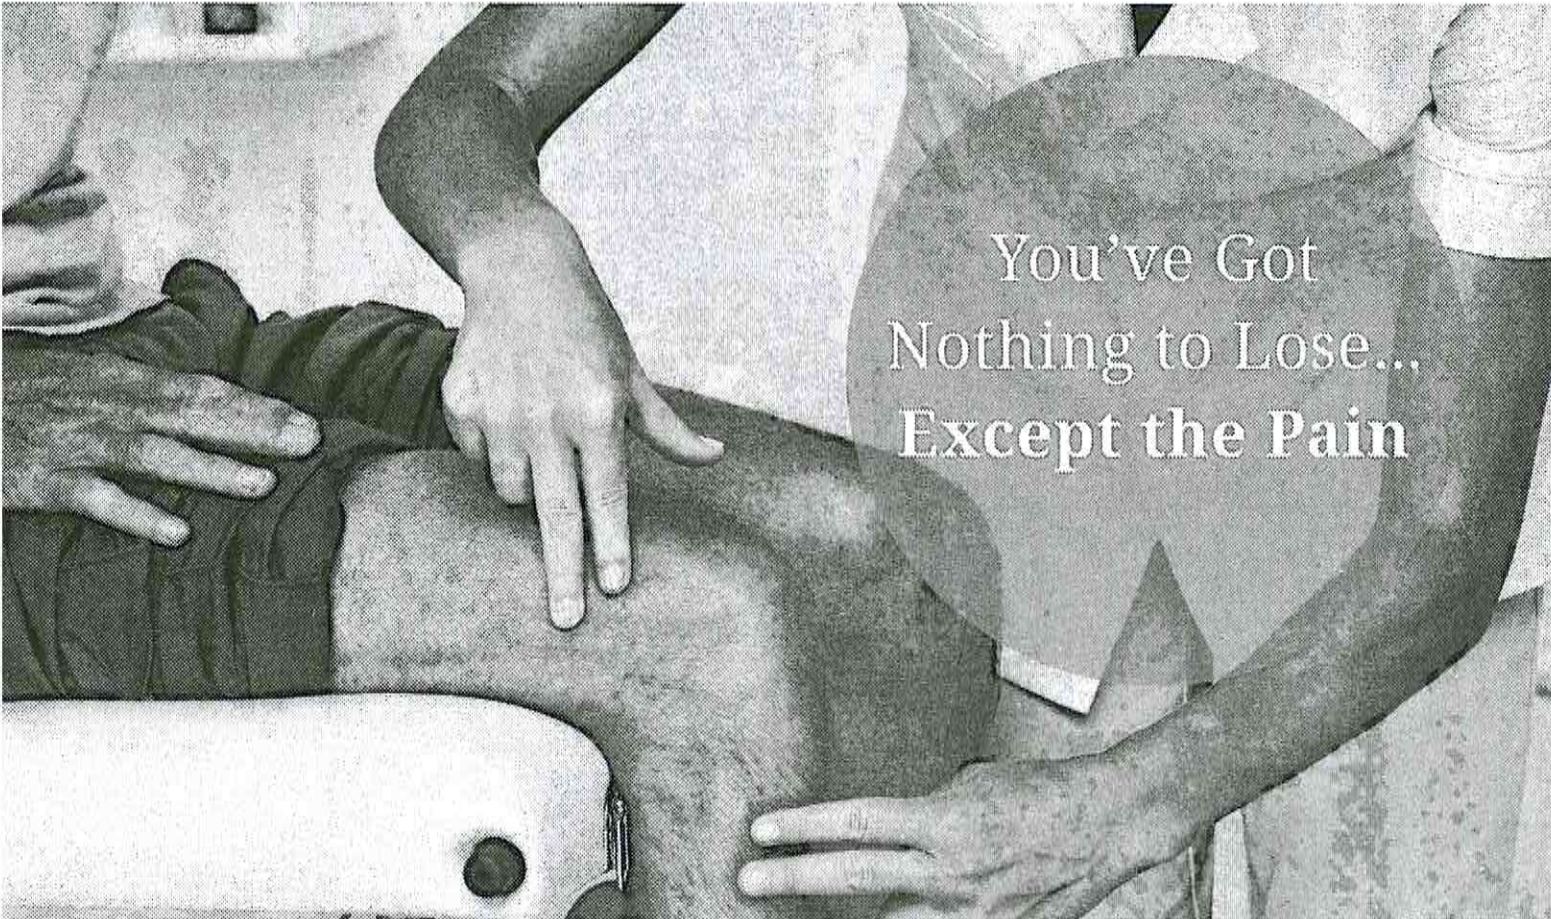

Mike Klakken has the experience and knowledge necessary to continue to be “your” Mayor.

During Mike’s tenure he has:

- Lowered monthly Water-Sewer bills by approximately \$20 for most ratepayers.
- Saved the City approximately \$7,400,000 long-term by paying off some water and sewer bonds and refinancing other sewer and police retirement bonds to take advantage of the lower interest rates.
- Implemented a long term technique to repair potholes which will save the City money by not having to redo the same repairs every year.
- Restructured Street Maintenance to allow approximately 1 ½ blocks each year to be repaired by removing the underlying clay and replacing with properly packed pit run and road mix along with up to 4-inches of asphalt.
- Listened and worked with the City Council, organizations, groups, and individuals in the community on ways to improve the City of Dillon.
- Gave residents the opportunity to access more City information on the City website, gave rate payers the option of paying their water bills online, and started the process of creating a database and graphics to track all infrastructure within the City including water and sewer lines and valves, fire hydrants, storm drains, and streets.

Mike’s experience and education make him the best choice for Mayor of Dillon. Mike’s governmental experience and training has taught him which questions to ask so that the taxpayers get the most for their tax dollars. Mike’s doctorate in Physics gives him the knowledge to read and understand technical engineering documents for all City projects.
