DENNIS ORIN CLARK, 70

Dennis Clark passed away at his residence in Dillon, MT on 5 October 2017. Dennis was born 4 February 1947 to Kenneth and Marcie Clark. He was the fourth of eleven children. Dennis attended grade school in Dell, Armstead, and Lima. He graduated from Lima High School in May 1965. Upon graduation Dennis spent a few years living in Butte. In the 1970s Dennis moved to Omaha Nebraska where the family lost contact with him for over 20 years.

He reestablished contact with the family to attend his father's funeral in Lima January 1997. He returned again to Lima for his mother's funeral in November 2002. Following that, Dennis would try to return to Lima annually for vacation staying with his brother Terry. Not much is known about Dennis's time in Omaha other than he worked at a dog food warehouse driving a forklift.

In the fall of 2013, Dennis retired and decided to move back to Montana where he settled in Dillon.

Dennis is preceded in death by his parents, brother Kenneth Duane Clark Jr (aka Danny), brother Wade Clark, and brother-in-law Roy Jackson. He is survived by sister Connie Jackson of Hyde Park, UT, brother Terry Clark of Idaho Falls, ID, brother Larry Clark of Newnan, GA, Sister Linda McCullam of Bountiful, UT, sister Nancy (Jim) Gilbert of St. George, UT, brother John (Arleen) of Lima, MT, brother Rick (Peggy) of Dillon, sister Tammy (Dave) Wilson of Spirit Lake, ID, and sister-in-law Jane Clark of Helena, MT.

There will be a short service at 11:00 a.m. on October 14th, 2017 at the Lima LDS Church. His ashes will be buried with his brother Danny's ashes - next to their mother at a later date.

HEADWATERS RC&D, INC. ANNOUNCES NEW FARM PROGRAM, FOOD ALLIANCE OF RURAL MONTANA

Headwaters RC&D is incredibly excited to announce the start of its new FARM program, Farm Alliance of Rural Montana. The new program fills the void in Southwestern Montana that is no longer served by the Food and Ag Development Network. The program is designed to support food and agriculture producers and processors with business needs, food safety trainings, marketing and product development with the goal of growing the statewide trend of local food that is centered in Southwestern Montana.

"We recognize the importance of local food both to our families as well as to our local economy" says Joe Willauer, BLDC/Headwaters Executive Director and local food champion, "Food and Agriculture is critical to the success of all of our communities, whether it's a brewery in Bozeman, a potato farmer in Whitehall, or a cattle rancher in Anaconda, these jobs not only grow our towns but feed our families the healthiest, freshest food in Montana."

The first FARM sponsored event is their annual Hops Summit, Friday, October 13th, 2017 at 5:00 p.m. at Montana Manufacturing Extension Center in Bozeman, MT. The Food Alliance of Rural Montana has partnered with local hops growers and brewers to build on their successful summit in 2016. The summit will include industry experts, growers, funding partners and a brewery panel focused on getting hops to market. The event will be followed up by a "Fund Your Food Business" training on October 26th also at MMEC.

For more information about this program, please contact Jené Matzkanin, Headwaters RC&D at 406-533-6781 or jmatzkanin@headwatersrcd.org.

Letter to the Editor
 President Trump is making a big controversy in regards to the NFL and standing during the national anthem. We must remember there is no law, no regulation that says an individual must stand during the national anthem. There are others who do not stand. Some Christian and non Christian religions do not stand for the national anthem.
 We must ask ourselves about respect and the flag. Where was the American flag when Americans slaughtered Native Americans by the thousands. Was this respect for the flag?
 Where was the flag for two hundred years when we had slavery? Did the flag show dignity or compassion?
 Where was the flag when women could not vote and were second class citizens? Where was the respect?
 Where was the flag when Afro Americans were segregated and could not vote and were not classified as humans?
 Where was the flag when war monger leaders sent young men and women to fight in unneeded wars so the rich could get richer?
 Where does respect begin? It takes respect to receive respect. Now we have a President who does not understand the word "respect", but wants others to have respect.
 Wait, before you say anything! I stand at attention for the National Anthem. But I still have many thoughts about respect for humans and the flag.

CELEBRATION HELD FOR THE MONTANA CENTER FOR HORSEMANSHIP

The Montana Center for Horsemanship (MCH) and the University of Montana Western held an Open House Celebration on Oct. 5, 2017. The event was held at the MCH, which is located right off of Hwy. 91 S., 1.5 miles from the Montana Western campus at 757 Horseman Way in Dillon, Mont.

The event began with student-guided tours, followed by a celebration of the success and future plans for the MCH, with Master of Ceremonies Beth Weatherby, Chancellor of the University of Montana Western, providing opening remarks to around 100 guests in attendance. Four guest speakers shared their excitement and passion for what the center adds to the Dillon region and to the opportunities it provides for students and the community.

Clayton Christian

Clayton Christian, Commissioner of Higher Education of the Montana University System, addressed the crowd with fond memories of the area, including the fact that his grandmother was one of the first graduates from Montana Western in the 1920's.

Mike Cooney, Lieutenant Governor of the State of Montana, also had a familial tie to the region's history. His great-grandfather, a member of the Poindexter family, donated the original 10 acres of land so it could become the Montana Western campus. His son also attended the university and was inspired to go into education during his time at Montana Western.

Mike Cooney

William Kriegel, co-founder of the MCH, was excited to share the plans for the Phase II fundraising expansion, which include the construction of a conference center including a much-needed veterinary

room, classrooms, and other flexible conference spaces.

"This will be the first conference center in the county to provide further opportunities for the community of Dillon to be a destination for equine and agriculture related conferences and conventions," said Kriegel.

Tess Turk

Tess Turk, one of Montana Western's natural horsemanship students, shared her enthusiasm about the program and the center with the audience.

"I never thought that all of this could be built in my time here at Montana Western, and I'm excited to see what the future holds," she said.

The Equine Studies Department at the University of Montana Western offers the nation's only bachelor of science degree in Natural Horsemanship with options in management, psychology, science and instruction, and was recently ranked among the "Best Equestrian Colleges" by ThoughtCo, an online education resource.

The MCH is the first and only equine center in the United States that is devoted expressly to promoting 'Natural Horsemanship.' With its stables, arenas, riding areas, and instructors, the center serves as the primary facility and progressive teaching resource for Montana Western's Natural Horsemanship BS curriculum.

"Montana Western's block scheduling program, which allows students to focus on one course at a time, provides an ideal structure to teach horsemanship, as it is comprised of real world experiences and supplies day to day consistency," said University of Montana Western Chancellor Beth Weatherby.

The MCH teaches the 'La Cense Method,' which was developed under William Kriegel, owner of La Cense Montana and Haras de la Cense in France. Mr. Kriegel is also co-founder of MCH, and he has been involved in Natural Horsemanship for many years. The La Cense Method is a progressive, step-by-step process that blends the best of traditional horsemanship training with the art of training and riding horses—all in a manner that works with a horse's behavior, instincts, and personality.
